Alfred Castner King

Passing Of The Storm Other Poems:

The Passing of the Storm and Other Poems Alfred Castner King, 2020-07-25 Reproduction of the original The Passing of the Storm and Other Poems by Alfred Castner King **The Passing of the Storm** Alfred Castner King, 2003-03-01 Originally published in 1907 Alfred Castner King's unique and beautiful The Passing of the Storm survives as his most enduring work. A rare example of epic verse, it sends its readers deep into the heart of the ruggedly wild world of the late 19th and early 20th centuries, blending together the pivotal events of that tumultuous era with an ageless tale of brotherly courage and love. Even before his accidental blinding midway through life, it was King's passion to forever memorialize the natural splendor and simple majesty of the American frontier and its humble working class. But it was his continual struggle to come to terms with his late tragedy that gives much of his collected Other Poems their unique and intensely captivating voice. The Passing of the Storm and Other Poems takes readers on a journey through the mind of King as he explores his mournful love of nature and a world now gone, bringing them back to life as he could only do through words. Alfred Castner King had been a lover of nature, a man of the mountains and forests who had embraced the beauty of the natural world with his heart and soul. His poems were written after an accident left him blind. I have read his poems over the years and at times have been overwhelmed by the beauty of his words. King's poetry possesses a spirit that reaches through time and beyond the darkness that shrouded the man. *The Passing of the Storm, and Other Poems (Classic Reprint)* Alfred Castner King, 2015-07-13 Excerpt from The Passing of the Storm and Other Poems: Oh that my words were now written, Oh that they were inscribed in a book. Job xix 23 Books have from time immemorial been the conservators of human wisdom, the repositories of information, the mentors of youth and adolescence, the counsellors of manhood, the comfort and companionship of age. The experience of an individual, school or era, when committed to book form, becomes the common property of all succeeding time, and the accumulated knowledge of the past, transmitted from generation to generation through the medium of books, may with justice be regarded as the most valuable of human heritages. But they have not always been unmixed blessings; they have both led and misled, they have elucidated yet have mystified. They have dissipated the shadows of ignorance and superstition, but in some instances have confused and obscured the searchlight of truth. In the economy of human affairs, books have been factors of no small importance. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. **The Passing of the Storm and Other Poems** Alfred Castner King, 2014-05-01 The Passing of the Storm and Other Poems by Alfred Castner King

Two Poems: Class Day Poem; The Purple Hills Henry Rutgers Conger, 2021-05-19 In *Two Poems* *Class Day Poem* *The Purple Hills* Henry Rutgers Conger brings forth a collection of lyrical reflections that captures the essence of personal and communal experiences. The poetic style is characterized by Conger's deft use of imagery and rhythm which not only evokes the emotional landscapes of transition and reminiscence but also places the reader within the rich context of academic festivities and the sublime beauty of nature. Conger's sensibilities are steeped in the Romantic tradition yet he employs a modernist clarity that resonates with contemporary readers exploring themes of nostalgia, nature's beauty, and the passage of time. Henry Rutgers Conger was an influential American poet and educator whose background in academia and connection to classic literature shaped his literary voice. The duality of his experience as a scholar and poet is evident throughout these pieces as he reflects on the transformative power of education and the impact of the natural world on one's inner life. Conger's own class experiences and intellectual pursuits deeply inform the emotional depth found in these poems, offering a poignant commentary on youth and maturity. Readers seeking an evocative exploration of life's transitions and nature's ephemeral grace will find in Conger's *Two Poems* a rich tapestry of thought and feeling. This collection is not only a celebration of academic tradition but also a profound meditation on the landscapes of human experience, making it a compelling read for those invested in poetry that intertwines personal and universal themes.

The Passing of the Storm and Other Poems

King Alfred Castner, 2016-06-23 Unlike some other reproductions of classic texts, 1. We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Myth and Romance: Being a Book of Verses

Madison Julius Cawein, 2019-12-23 In *Myth and Romance: Being a Book of Verses* Madison Julius Cawein explores the intricate tapestry of mythological themes interwoven with an elegiac tone. Through lyrical and evocative verse, Cawein delves into the realms of nature, love, and the supernatural, reflecting the prevailing trends of late 19th-century American poetry. Anchored in Romanticism, his style unveils a profound appreciation for mythic narratives, eloquently merging personal introspection with grand cosmic themes. All while employing vivid imagery and rhythmical cadences that resonate with emotional depth, Cawein, known for his fascination with the natural world and mythic traditions, emerges as a pivotal figure in the discussion of American poetic identity. His formative experiences in rural Kentucky, along with his exploration of the symbolic potential of nature, enriched his creative vision. Influenced by contemporaries such as Walt Whitman and Edgar Allan Poe, Cawein sought to forge an authentic voice by drawing on Celtic and classical myths, establishing a unique perspective on human experience. For those interested in the interplay of nature, mythology, and emotion in literature, *Myth and Romance* is an essential read. Its timeless verses invite readers to immerse themselves in a world where the mystical and the mundane coexist, fostering a

deeper understanding of the human condition Perfect for both literary enthusiasts and casual readers alike this collection exemplifies the enduring power of poetry to evoke wonder

The Canterbury Tales with Other Poems Geoffrey Chaucer,1870

The Griffin and Other Poems Alice M. Baskous,2015-02-23 The Griffin and Other Poems is the author s latest and fourth poetic endeavor written to shed light on current events from a feminist s perspective using symbolism as well as empathy in traditional as well as modern ways The author tries to evaluate precisely what is happening in the world scene from crime to terrorism and gives voice to what often goes voiceless the misery anxiety and tumultuous of the human condition For the first time the poet has included a comic play Since Cocks Don t lay Eggs in verse at the end of her compilation which is over seventy pages long and plans to write more plays in the near future God willing she would like to add

The Canterbury Tales and Faerie Queene; with Other Poems of Chaucer and Spenser Geoffrey Chaucer,1870
