Hayward, 1861 Women's Literary Networks and Romanticism Andrew O. Winckles, Angela Rehbein, 2017 Andrew O Winckles is Assistant Professor of CORE Curriculum Interdisciplinary Studies at Adrian College Angela Rehbein is Associate Professor of English at West Liberty University The Bluestockings Susannah Gibson, 2024-07-23 One of The New Yorker s Best Books of the Year Intimate social history New York Times Book Review An illuminating group portrait of the eighteenth century women who dared to imagine an active life for themselves in both mind and spirit In England in the 1700s a woman who was an intellectual spoke out or wrote professionally was considered unnatural After all as the wisdom of the era dictated a clever woman if there were such a thing would never make a good wife But a circle of women called the Bluestockings did something extraordinary coming together in glittering salons to discuss and debate as intellectual equals with men they fought for women to be educated and to have a public role in society In this intimate and revelatory history Susannah Gibson delves into the lives of these pioneering women Elizabeth Montagu established one of the most famous salons of the Bluestocking movement with everyone from royalty to revolutionaries clamoring for an invitation to attend Her younger sister Sarah Scott imagined a female run society and created a women s commune Meanwhile Hester Thrale who also had a salon saved her husband s brewery from bankruptcy and after being widowed married a man she loved Italian Catholic and not of her social class Other women made a name for themselves through their publications including Catharine Macaulay author of an eight volume history of England and Frances Burney author of the audacious novel Evelina In elegant prose Gibson reveals the close and complicated relationships between these women how they supported and admired each other and how they sometimes judged and exploited one another Some rebelled quietly while others defied propriety with adventurous and scandalous lives With moving stories and keen insight
