**No Escape** Joanne Mariner, 2001 VI BODY AND SOUL      **Prison Sexual Violence** Daniel Lockwood, 1980 This study examines prison sexual violence in adult and juvenile New York State prisons To an inmate the formal structure of a prison its planned work recreation and rehabilitation may be a thin veneer The real world is the social environment created by the convict community and sexual violence is a traditional part of that environment A range of sexual behaviors all perceived as threatening and offensive by the targets of aggressors were examined with discussion on the nature of the overture the physical and verbal response of the target his thoughts and feelings the living patterns resulting from sexual pressure and how peers and staff react In this population sexual aggression is shown to be racially based most aggressors were black and most victims were white of a slighter build than the aggressor and perceived as having feminine physical and personality characteristics About half of the 152 incidents examined involved physical violence half initiated by aggressors coercing targets the rest from targets reacting to threats Both aggressors and targets tended to come from outside and prison social subcultures which used aggression as a primary means of relieving frustration and irritation After fights targets reported that aggressors left them alone that they moved around the prison with less fear felt better about themselves and had a higher status among other prisoners Sexual attacks increased fear and victims continued to be affected emotionally months after the event Prison staff did not usually intervene directly in the incidents nor is there evidence that such intervention would be effective in reducing the problem The author recommends the provision of program alternatives such as the Alternatives to Violence AVP and other conflict resolutions programs NCJRS modified      *The Myth of Prison Rape* Mark S. Fleisher, Jessie L. Krienert, 2009-01-16 The Myth of Prison Rape provides a nuanced glimpse into the complex sexual dynamics of American prison Drawing on results from the most comprehensive study of inmate sexuality to date Mark S. Fleisher and Jessie L. Krienert analyze the intricacies of sexuality and sexual violence in daily inmate life Pulled from over 500 interviews from male and female high security inmates their research assesses inmate perception belief opinion and explanation of their own behavior as it relates directly and indirectly to sexual life and sexual violence Dynamic case studies and interview excerpts enliven this cultural study of sexuality safety and violence in American prisons and an appendix introduces readers to prison sexual vocabulary      *All Too Familiar* Dorothy Q. Thomas, Women's Rights Project (Human Rights Watch), 1996 Federal and State Law      *Prison Rape* Michael Singer, 2013-02-20 Rape is a fact of life for the incarcerated Can American society maintain the commitment expressed in recent federal legislation to eliminate the rampant and costly sexual abuse that has been institutionalized into its system of incarceration Each year as many as 200 000 individuals are victims of various types of sexual abuse perpetrated in American prisons jails juvenile detention facilities and lockups As many as 80 000 of them suffer violent or repeated rape Those who are outside the incarceration experience are largely unaware of this ongoing physical and mental damage abuses that not only affect the victims and perpetrators but also

impose vast costs on society as a whole This book supplies a uniquely full account of this widespread sexual abuse problem Author Michael Singer has drawn on official reports to provide a realistic assessment of the staggering financial cost to society of this sexual abuse and comprehensively addressed the current severely limited legal procedures for combating sexual abuse in incarceration The book also provides an evaluation of the Prison Rape Elimination Act of 2003 and its recently announced national standards and assesses their likely future impact on the institution of prison rape in America
