Research Handbook on the Law of Virtual and Augmented Reality Woodrow Barfield, Marc Jonathan Blitz, 2018-12-28 Virtual and augmented reality raise significant questions for law and policy When should virtual world activities or augmented reality images count as protected First Amendment speech and when are they instead a nuisance or trespass When does copying them infringe intellectual property laws When should a person or computer face legal consequences for allegedly harmful virtual acts The *Research Handbook on the Law of Virtual and Augmented Reality* addresses these questions and others drawing upon free speech doctrine criminal law issues of data protection and privacy legal rights for increasingly intelligent avatars and issues of jurisdiction within virtual and augmented reality worlds

Global Housing Markets Ashok Bardhan, Robert H. Edelstein, Cynthia A. Kroll, 2011-10-27 A global look at the reasons behind the recent economic collapse and the responses to it The speculative bubble in the housing market began to burst in the United States in 2007 and has been followed by ruptures in virtually every asset market in almost every country in the world Each country proposed a range of policy initiatives to deal with its crisis Policies that focused upon stabilizing the housing market formed the cornerstone of many of these proposals This internationally focused book evaluates the genesis of the housing market bubble the global viral contagion of the crisis and the policy initiatives undertaken in some of the major economies of the world to counteract its disastrous affects Unlike other books on the global crisis this guide deals with the housing sector in addition to the financial sector of individual economies Countries in many parts of the world were players in either the financial bubble or the housing bubble or both but the degree of impact outcome and responses varied widely This is an appropriate time to pull together the lessons from these various experiences Reveals the housing crisis in the United

States as the core of the meltdown Describes the evolution of housing markets and policies in the run up to the crisis their impacts and the responses in European and Asian countries Compares experiences and linkages across countries and points to policy implications and research lessons drawn from these experiences Filled with the insights of well known contributors with strong contacts in practice and academia this timely guide discusses the history and evolution of the recent crisis as local to each contributor s part of the world and examines its distinctive and common features with that of the U S the trajectory of its evolution and the similarities and differences in policy response Understanding Singapore Politics (Second Edition) Bilveer Singh,2021-08-23 Understanding Singapore Politics Second Edition aims to present a structural functional understanding of politics in Singapore This textbook provides a foundational knowledge of Singapore s politics by discussing key topics including the country s history political and party systems role of parastatal organisations nation building political leadership electoral politics hot button national issues and the role of Lee Kuan Yew in Singapore politics Recommended for anyone who has an interest or a stake in the island republic this introductory text provides insights on what drives shapes and influences Singapore s politics and explains the political behaviour of Singaporeans **Common Lines and City Spaces** Gui Weihsin,2014-11-07 This collection of essays on the Singaporean writer and artist Arthur Yap is dedicated to his multifaceted creative work and makes it accessible to both general and academic readers It features new and innovative essays on Yap s prose poetry and paintings by an international group of scholars and critics The essays approach Yap s work through literary and analytical methods drawn from postcolonial criticism ecocriticism studies of urban spaces visual art and sexuality with particular consideration for how his work contributes to a specifically Singaporean form of postcolonial critique **Spatial Planning for a Sustainable Singapore** Tai-Chee Wong,Belinda Yuen,Charles Goldblum,2008-02-28 This book analyses and provides an insight to Singapore s planning system and practices associated with sustainable development It takes a reflective approach in reviewing the direction impact and significance of sustainable development in Singapore planning and the future challenges facing the city state which is often looked upon by many developing countries as a model Heteroglossic Asia Francis Chia-Hui Lin,2015-01-09 Heteroglossic Asia presents an analysis of geographic historical cultural economic spatial and political factors underlying Taiwan s maritime urbanity by means of case studies based on Taipei and Kaohsiung two cities which represent the multi accentual character of Taiwan s urban environment and its recent changes and development through architecture Focussing on the concept of a heteroglossic Asia Pacific exemplified by the analysis of Taiwan s urban transformation the study argues that Taiwan s urban environment shows a form of intended fuzziness which cannot be described as resting on either a simplified nationalist base or chaotic societal anxiety Rather this form lies between binary poles autocracy and democracy nation state and day to day life top down and bottom up orientations orthodoxy and hybridisation **Political Legitimacy and Housing** Beng-Huat Chua,2002-09-11 Singapore s successful public housing programme is a source of political legitimacy for the ruling People s

Action Party Beng Huat Chua accounts for the success of public housing in Singapore and draws out lessons for other nations Housing in Singapore he explains in this incisive analysis is seen neither as a consumer good as in the US nor as a social right as in the social democracies of Europe The author goes on to look at the ways in which Singapore s planners have dealt with the problems of creating communities in a modern urban environment He concludes that the success of the public housing programme has done much for Singapore
