Cincinnati Magazine ,1983-03 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **Scottsdale Architecture** Douglas B. Sydnor,2010-01-01 U S Army chaplain Winfield Scott and his wife Helen founded Scottsdale in 1888 as a small farming and ranching settlement on undeveloped desert east of Phoenix After World War II many people were attracted by the dry climate desert landscape and business opportunities The community encouraged creativity in architecture and Frank Lloyd Wright Paolo Soleri and Paul Schweikher designed buildings here To draw tourists the business community adopted The West s Most Western Town as a slogan in 1947 By the time employers such as Motorola arrived fast paced construction was already underway and the architecture reflected that era In the 1970s an architectural debate took place between western and modern styles resulting in innovative architecture Transitioning into the 21st century Scottsdale witnessed more growth with downtown revitalization a new appreciation of contemporary projects and an awareness of desert preservation **Flyer for 'Follies' at Red Dog Saloon, Presented by Rusty Nail and Red Dog Saloon , Haunted America** Michael Norman,Beth Scott,2007-09-18 Haunted America takes you on a grand tour of ghostly hauntings through the U S and Canada sweeping from terrifying battle field specters at Little Bighorn to a vaudeville palace in Tampa from ghostly apparitions in President Garfield s home in Ohio to the White House in Washington DC At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Cincinnati Magazine** ,1987-11 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **Red Dog Saloon** R. D. Sherrill,2013-11 For some acts there is no redemption for some sins no forgiveness no matter the sum of a man s works Those were the last words of Gina Porter penned in the institution where she spent her last years living in madness The scribble found on a hastily drawn note would prove prophetic as the two secrets she kept buried deep inside her soul most of her life would collide Meanwhile the secret the six conspirators thought they had buried more than twenty years ago was not buried deep enough as someone has returned to seek vengeance from the ashes of the long forgotten tavern One by one the keepers of the secret sin are being killed in brutal fashion the words Red Dog written in their own blood at the scenes of the macabre crimes For the conspirators the words are like writing on the wall forewarning them of their fate reminding them of the atrocities they committed long ago The time for restitution is gone payment now demanded for the tab they ran up at the long gone honkytonk a tab for which each of them is equally responsible For Sheriff Sam Delaney the words are the only clue to solving who or what has turned the normally peaceful Castle County into a killing field the body count rising nightly The veteran lawman seems to stay one step behind the force which the press dubs the Red Dog Killer the community losing faith in the sheriff in light of the homicidal rampage which seems to have no end To stop the killing spree the sheriff must first solve a crime that is two decades old a cold case which is getting colder by the day Even as

he races against time to solve the puzzle forces will stop at nothing to make sure the secret of the Red Dog stays hidden Making his challenge even tougher is the fact the witnesses to the crime are the ones dying each falling victim to the mysterious reaper as the sheriff gets tantalizingly close to exposing the long kept secret Faced with their own mortality the conspirators become their own worst enemy as they struggle to not only keep the secret but to avoid becoming the killer's next victim each ready to do anything to avoid their fate even if it means sacrificing an old friend The question begs when everything is exposed to the world in the end which is worse their secret sin or the one who has come to exact vengeance for their horrific evil **Cincinnati Magazine**, 1987-07 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *Ogresive Wilbert Sinclair*, 2022-08-01 Tucson Arizona Many stories can be told about Tucson having a variety of cold blooded heartless and vicious gunmen and notorious gunfighters who once dwelled there during the 1800s Many of them ended up there as permanent guests on boot hill having lost their last gunfight Tucson was not the mother town of such treacherous and ruthless men many of them migrated there from all parts of the country for various reasons Though many stories have been told about some of the men and women of the early west who cast giant shadows across the land the story that I now bring to you have never been told before It is the story of a young black gunfighter whose courage was incredible his marksmanship and lightning speed draw with a Colt 44 was unmatched His name OGRESIVE **Alaska** Traveler T Terpening, Traveler Terpening, 2010-06-15 The only guide to feature the destinations in Alaska accessible by rail car and ferry written by an author who grew up in Alaska and continues to live there today Counterculture Kaleidoscope Nadya Zimmerman, 2013-07-22 A bold reconsideration of the meaning of 1960s San Francisco counterculture **San Francisco and the Long 60s** Sarah Hill, 2016-01-14 San Francisco and the Long 60s tells the fascinating story of the legacy of popular music in San Francisco between the years 1965 69 It is also a chronicle of the impact this brief cultural flowering has continued to have in the city and more widely in American culture right up to the present day The aim of San Francisco and the Long 60s is to question the standard historical narrative of the time situating the local popular music of the 1960s in the city's contemporary artistic and literary cultures at once visionary and hallucinatory experimental and traditional singular and universal These qualities defined the aesthetic experience of the local culture in the 1960s and continue to inform the cultural and social life of the Bay Area even fifty years later The brief period 1965 69 marks the emergence of the psychedelic counterculture in the Haight Ashbury neighbourhood the development of a local musical sound into a mainstream international style the mythologizing of the Haight Ashbury as the destination for seekers in the Summer of Love and the ultimate dispersal of the original hippie community to outlying counties in the greater Bay Area and beyond San Francisco and the Long 60s charts this period with the references to received historical accounts of the time the musical visual and literary communications from the counterculture and retrospective glances from members of the 1960s Haight community
