Regions Of Spain A Reference Guide To History And Culture

JA Banks

Regions Of Spain A Reference Guide To History And Culture:

The Regions of Spain Robert Kern, 1995-10-10 This is a detailed reference book on Spanish history life and culture from prehistory to 1994 It is presented in English and is organised by region and province It is designed to assist students and interested readers in identifying and understanding regional and provincial history **The Regions of Spain** Bloomsbury Publishing, 1995-10-10 This is the first complete reference book on Spanish history life and culture from prehistory to 1994 and the only book on Spain in English or Spanish that is organized by region and province It is designed to assist students and interested readers in identifying and understanding regional and provincial history economy literature art music social customs and cultural life historic sites and provincial cuisine recipes included Organized into entries on the 18 regions and subdivided into the 50 provinces this one stop reference makes gathering information on each region and province easy A map of each region and photos accompany the text *Culture and Customs of Spain* Edward F. Stanton, 2002-05-30 Modern Spain is a revelation in this up to date overview Stanton vibrantly describes the startling variety of landscape people and culture that make up Spain today Included are a context chapter and others on religion customs media cinema literature performing arts and visual arts Students of Spanish and a general audience will be rewarded with engrossing insights into what writer Ernest Hemingway called the very best country of all Spain is a modern European nation yet Spaniards are fiercely tied to their individual towns and regions with their distinct social customs dialects or languages foods landscape and lifestyles more than to a united country Culture and Customs of Spain conveys the extremes such as the hard working Catalan contrasted to the leisurely paced Castilian coexisting in first and third world conditions and the love hate relationship with the Catholic Church Spain's institutions are described and its contributions to the world from unparalleled literature and cuisine to flamenco and filmmaker Pedro Almodovar are celebrated A chronology and glossary complement the text **Encyclopedia of Stateless Nations** James B. Minahan, 2016-08-01 This book addresses the numerous national movements of ethnic groups around the world seeking independence more self rule or autonomy movements that have proliferated exponentially in the 21st century In the last 15 years globalization religious radicalization economic changes endangered cultures and languages cultural suppression racial tensions and many other factors have stimulated the emergence of autonomy and independence movements in every corner of the world even in areas formerly considered immune to self government demands such as South America Researching the numerous ethnic groups seeking autonomy or independence worldwide previously required referencing many specialized publications This book makes this difficult to find information available in a single volume presented in a simple format accessible to everyone from high school readers to scholars in advanced studies programs The book provides an extensive update to Greenwood's Encyclopedia of the Stateless Nations Ethnic and National Groups around the World that was published more than a decade earlier Each ethnic group receives an alphabetically organized entry containing information such as alternate names population figures flag or flags

geography history culture and languages All the information readers need to understand the motivating factors behind each movement and the current situation of each ethnic group is presented in a compact summary Fact boxes at the beginning of each entry enable students to quickly access key information and consistent entry structure makes for easy cross cultural comparisons

Iberian Worlds Gary McDonogh, 2008-11-19 Iberian Worlds is an imaginative short text that dramatically depicts important globalization themes and processes through the important flows and impacts Spain and Portugal have had with many important regions of the world for many centuries Spain and Portugal have long histories at the cutting edge of world relations managing far flung empires and author Gary McDonogh stresses this historical perspective as well as foregrounding the vast present world fostered by the Iberian project Latin America Southern Europe parts of Asia and Africa in which Spain and Portugal possess enormous power

Modern Spain Enrique Ávila López, 2015-12-07 Fulfilling the need for English source material on contemporary Spain this book supplies readers with an in depth interdisciplinary guide to the country of Spain and its intricate diverse culture Far from a usual reference book Modern Spain takes the reader through the country s history economy and politics as well as topics that address Spain s popular culture such as food sports and sexuality Because of the interdisciplinary nature of its content this book differs from the average typical English manuals that very rarely cover in depth the whole array of interesting issues that define Spain in the 21st century The vast amount of information makes this book the perfect companion for any reader wishing to learn more about Spain Packed with current facts and statistics this book offers an unbiased view of a modern country making it an ideal source for undergraduate students and scholars

Genealogical Encyclopedia of the Colonial Americas Christina K. Schaefer, 1998 Covers the period of colonial history from the beginning of European colonization in the Western Hemisphere up to the time of the American Revolution

A Reference Guide to Latin American History James D. Henderson, Helen Delpar, Maurice Philip Brungardt, Richard N. Weldon, 2000 A guide to Latin American history includes a chronology of key events from pre Columbian history through the present a thematic survey following each topic economic change cultural development politics and government across time and 300 biographies of Latin Americans throughout history

One Europe, Many Nations James B. Minahan, 2000-07-30 Dominating world politics since 1945 the Cold War created a fragile peace while suppressing national groups in the Cold War s most dangerous theater Europe Today with the collapse of Communism the European Continent is again overshadowed by the specter of radical nationalism as it was at the beginning of the century Focusing on the many possible conflicts that dot the European landscape this book is the first to address the Europeans as distinct national groups not as nation states and national minorities It is an essential guide to the national groups populating the so called Old World groups that continue to dominate world headlines and present the world community with some of its most intractable conflicts While other recent reference books on Europe approach the subject of nations and nationalism from the perspective of the European Union and the nation state this book addresses the post Cold War nationalist resurgence by

focusing on the most basic element of any nationalism the nation It includes entries on nearly 150 groups surveying these groups from the earliest period of their national histories to the dawn of the 21st century In short essays highlighting the political social economic and historical evolution of peoples claiming a distinct identity in an increasingly integrated continent the book provides both up to date information and historical background on the European national groups that are currently making the news and those that will produce future headlines *British Bulletin of Publications on Latin America, the Caribbean, Portugal and Spain* ,2003

Walford's Guide to Reference Material: Social and historical sciences, philosophy and religion Albert John Walford, Marilyn Mullan, Priscilla Schlicke, Library Association, 1999 A revised and updated guide to reference material It contains selective and evaluative entries to guide the enquirer to the best source of reference in each subject area be it journal article CD ROM on line database bibliography encyclopaedia monograph or directory It features full critical annotations and reviewers comments and comprehensive author title and subject indexes The contents include philosophy and psychology religion social sciences sociology statistics politics economics labour and employment land and property business organizations finance and banking and economic surveys economic policies and controls trade and commerce business and management and law public administration social services and welfare education customs and traditions geography biography and history

Encyclopedia of the Atlantic World, 1400-1900 David Head, 2017-11-16 A first of its kind reference resource traces the interactions among four Atlantic facing continents Europe Africa and the Americas including the Caribbean between 1400 and 1900 Until recently the age of exploration and empire building was researched and taught within imperial and national boundaries The histories of Europe Africa North America and South America were told largely as independent stories with the development of individual places within each continent further separated from each other The indigenous populations of places colonized by Europeans fit into the history even more uneasily often mentioned only in passing Encyclopedia of the Atlantic World 1400 1900 synthesizes a generation of historical scholarship on the events on four continents providing readers an invaluable introduction to the major people places events movements objects concepts and commodities of the Atlantic world as it developed during a key period in history when the world first started to shrink The entries discuss specific topics with an eye toward showing how individual items people and events were connected to the larger Atlantic world This accessibly written reference book brings together topics usually treated separately and discretely alleviating the need for extra legwork when researching and it draws from the latest research to make a vast body of scholarship about seemingly far flung places available to readers new to the field

Federalism, Subnational Constitutions, and Minority Rights G. Alan Tarr, Robert F. Williams, Josef Marko, 2004-08-30 Whether federalism and subnational constitutions contribute to or undermine minority rights has long been a subject of controversy Within the United States the general view has been that federalism has been detrimental to minority rights In contrast other countries have seen federalism as crucial in safeguarding rights of ethnic and religious

minorities This volume provides the basis for a more nuanced assessment of the contributions of federalism and subnational constitutions to protecting minority rights by studying their impact in a variety of federal systems This work explores both mature federal systems Switzerland United States systems in transition Belgium Bosnia Herzegovina both quasifederal Italy Spain and well established systems Germany both systems with considerable homogeneity of population Austria and systems with extraordinary diversity India It also analyses the various constitutional arrangements that federal systems have devised for safeguarding minority rights and given them a voice in political deliberations **Public Libraries** ,1995 **The**

European Population, 1850-1945 F. Rothenbacher,2017-02-10 The European Population 1850 1945 is the first volume of two on demographics The second volume will appear as part of the Societies of Europe series in 2003 and will cover changes until the year 2000 The European Population 1850 1945 is a comparative and historical data handbook and accompanying CD ROM presenting series data on demographic developments population and household structures for the countries of Western and Central Europe All major fields of demographic change are covered fertility mortality marriage and divorce Population figures are given for each population census by sex civil status and age Major demographic developments within the family are described providing a commentary on the main population structures and trends in Europe since the 19th century

Cat Island John Cuevas,2014-01-10 Just off the coast of the Gulf Islands National Seashore lies Cat Island an isolated T shaped sliver of sand with a remarkable past A coveted hiding place for Jean Lafitte s pirate treasure in the late eighteenth century and illegal booze during Prohibition Cat Island also witnessed the first shots of the Battle of New Orleans an encampment for Seminoles during the Trail of Tears and the first lighthouses on the Mississippi coast As a child author John Cuevas learned that his family had owned and lived on the island for three generations beginning with his ancestor Juan de Cuevas referred to as The King of Cat Island who received it by way of a Spanish land grant In this engaging work Cuevas chronicles the historic events that occurred on the island s shores and offers a tribute to the legacy of one of the Gulf Coast s pioneer families *RQ.* ,1994 **Senior High Core Collection** Raymond W. Barber,Patrice Bartell,2007 Features

annotations for more than 6 200 works in the main volume 2007 and more than 2 400 new titles in three annual supplements published 2008 through 2010 New coverage of biographies art sports Islam the Middle East cultural diversity and other contemporary topics keeps your library s collection as current as today s headlines *National Geographic Traveler: Spain, 3rd Edition* Fiona Dunlop,2008-10-21 The Mediterranean country of Spain ranks No 2 in world destinations and its vibrancy and passion are brought alive in the colorful comprehensive National Geographic Traveler Spain Sumptuous pictures complement detailed city maps practical travel tips and everything from where to find the best tapas to Spanish history and culture Library Media Connection ,1995
