Maier,Rachel M. Friars,2025-09-09 In Neo Victorian Lesbians on Screen Maier and Friars argue that the on screen portrayal of lesbians situated in the long nineteenth century across various countries is at the very least a dual task the imperative project of revoicing lesbian silence and female companionship is complicated by the lack of and or complex representation of such women in the past The adaptations with varying degrees of success carefully manipulate the gaze of the viewer to illustrate both how crucial the act of looking proves to be for lesbian attachment in these films and how the viewer s own gaze changes the way the lesbian is represented Maier and Friars consider the adaptations awareness of the audience and the ways in which the films implicitly acknowledge the stakes behind bringing the lesbian to life as it were in visual media Because screen adaptations disrupt historical distance by literally picturing Victorian subjects via a medium they did not have film adaptations of novels and biofictions and original screenplays are challenged by the lesbian subject s vivid presence on screen The lesbian is no longer a contained neo Victorian presence in the othered nineteenth century but her very existence on screen signals her effervescent modernity which filmmakers alternately embrace or reject **The Great Movie Musical Trivia Book** ,1996 How much did Munchkins get paid What great cultural institution stands on the site where West Side Story was filmed Who was first considered for the role of Mary Poppins The Great Movie Musical Trivia Book spins out revelation after revelation with entertaining answers to intriguing questions that will test the wits of even the most die hard musical fan **Comprehensive Pictorial and Statistical Record of the 1994 Movie Season** John Willis,Barry Monush,2000-02-01 Screen World Movie fans eagerly await each year s new edition of Screen World the definitive record of the cinema since 1949 Volume 46 provides an illustrated listing of American and foreign films released in the United States in 1994 all documented in more than 1 000 photographs It features such notable films as Forrest Gump The Shawshank Redemption Blue Sky Clear and Present Danger The Mask The Madness of King George Star Trek Generations The Santa Clause Ed Wood Pulp Fiction and many more As always Screen World s outstanding features include photographic stills and complete credits from the films biographical notes on selected individuals full page shots of Academy Award winning actors and a look at the year s most promising new screen personalities Hardcover *Waterstone's Guide to Books* Waterstone & Co,1988 **Billboard** ,1956-02-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted
