Shiism And Social Protest

Jon Armajani

Shiism And Social Protest:

Shi'ism and Social Protest Juan Ricardo Cole, Nikki R. Keddie, 1986-01-01 This timely and important book presents the first overview of Shi i political activism in the countries where it has been most significant from Iran and Lebanon to Saudi Arabia and Egypt The contributors present up to date information on the factors involved in Shi ism s recent movement away from quietism and toward an active involvement in politics They also discuss how Shi i political activism will affect the struggle in and for Lebanon the Iran Iraq war Soviet attitudes toward Afghanistan and Iran and U S policies toward the Middle East

Shi'ism and Social Protest Juan Ricardo Cole, Nikki R. Keddie, 1986 This timely and important book presents the first overview of Shi i political activism in the countries where it has been most significant from Iran and Lebanon to Saudi Arabia and Egypt The contributors present up to date information on the factors involved in Shi ism s recent movement away from quietism and toward an active involvement in politics They also discuss how Shi i political activism will affect the struggle in and for Lebanon the Iran Iraq war Soviet attitudes toward Afghanistan and Iran and U S policies toward the Middle East

Militancy and Political Violence in Shiism Assaf Moghadam, 2011-11-28 This book is the first systematic assessment of current trends and patterns of militancy in Shii communities in the Middle East and South Asia specifically in Iran Iraq but also in Lebanon Saudi Arabia Pakistan Afghanistan Kuwait and Bahrain More than thirty years after the Islamic Revolution in Iran there are signs of a growing assertiveness on the part of Shii actors at times erupting into political violence The book addresses two key questions What trends emerge in the types of militancy Shii actors employ both inside and outside of the Shii heartland And what are the main drivers of militancy in the Shii community The editor concludes that although at present Shii assertiveness does not take on a predominantly militant form a subculture of violence does exist among most Shii communities examined here and suggests five key drivers of political violence among Shiis the impact of Iran nationalism and anti imperialism Shii self protection and communal advancement mahdism and organizational dynamics This book will be of great interest to students and researchers of terrorism studies and political violence war and conflict studies and IR Security Studies in general

Twelver Shiism Andrew J. Newman, 2013-11-20 Charts the history and development of Twelver Shi ism As many as 40 different Shi i groups existed in the 9th and 10th centuries only 3 forms remain Why is Twelver Shi ism one of them As the established faith in modern Iran the majority faith in Iraq and areas in the Gulf and with its adherents forming sizeable minorities elsewhere in the region it is arguably the most successful branch of Shi ism Andrew Newman charts the history Twelver Shi ism uncovering the development of the key distinctive doctrines and practices which ensured its survival in the face of repeated challenges He argues that the key to the faith s endurance has been its ability to institutionalise responses to the changing often localised circumstances in which the community has found itself thereby remaining remarkably resilient in the face of both internal disagreements and external opposition

The Ayatollahs and Democracy in Iraq Juan Ricardo Cole, 2006 Annotation Iraqi Shiism is

undergoing profound changes leading to new elaborations of the relationship between clerics and democratic principles in an Islamic state The Najaf tradition of thinking about Shiite Islam and the modern state in Iraq which first developed during the Iranian constitutional revolution of 1905 1911 rejects the principle that supreme power in an Islamic state must be in clerical hands Grand Ayatollah Ali Sistani of Iraq stands in this tradition and he has striven to uphold and develop it since the fall of Saddam Hussein At key points he came into conflict with the Bush administration which was not eager for direct democracy Parliamentary politics have also drawn in clerics of the Dawa Party the Sadr movement and the Supreme Council for Islamic Revolution in Iraq all of which had earlier been authoritarian in outlook Is Iraqi Shiism experiencing its enlightenment moment This title can be previewed in Google Books <http://books.google.com/books/vid/ISBN9789053568897> *The Shia Revival: How Conflicts Within Islam Will Shape the Future* Seyyed Vali Reza Nasr, 2007-03-27 Considers the ways in which struggles between the Shia and Sunni in the Middle East will affect the region's future offering insight into the power conflicts between Iran and Saudi Arabia for political and spiritual leadership of the Muslim world *Roots of North Indian Shi'ism in Iran and Iraq: Religion and State in Awadh, 1722-1859* Juan R. I. Cole, 2024-11-28 In this pioneering study of the Twelver Shi'i branch of Islam prevalent in Iraq and Iran Juan R I Cole traces the influence of Shi'i rule on the development of religious communalism and conflict in the north Indian State of Awadh Oudh as well as the relationship of the Shi'i clergy to the state and the clerical reaction to British imperialism and capitalism Based on research in rare manuscripts and in archives the book reveals that the Shi'i clergy advocated policies that caused resentment among Sunnis and Hindus thereby promoting religious communalism and setting the stage for modern communal conflict The Shi'i learned men took government posts in support of Awadh's Shi'i nawabs and shahs Awadh state support in turn helped transform Shiism from a persecuted sect to a dominant if still minority religious establishment Sociologically the book draws attention to the specific role of the state in defining sect and church It also argues the importance of class divisions within the Shi'i community showing that the dominant clerical ideology was often not accepted by the laboring strata Cole's study supports the view that Muslim communalism in northern India had genuine historical roots and was not simply an elite strategy of modern Muslim politicians Contrary to the arguments of some writers and to the image projected by Iran's current ayatollahs he argues that most Shi'i clergy did not play a role of opposition to the state in premodern societies [The Islamic Republic and the World](#) Maryam Panah, 2007-09-20 Iran is now in the eye of the storm As events in Iraq deteriorate a US invasion of Iran looms as a real threat This book provides a detailed analysis of Iran's recent history and in particular how the country has been shaped by the 1979 revolution It is often forgotten that modern Iran is a revolutionary republic that arose out of the overthrow of the old secular and very pro western regime Since the revolution this has been replaced by an Islamic State Maryam Panah explores the Iranian revolution in its international context and examines the different forces at play within the country and how these conflicting political interests continue to mould the country today and shape its external relations **Gender**

Justice, Development, and Rights Maxine Molyneux, Shahra Razavi, 2002-11-07 Recent years have seen a shift in the international development agenda in the direction of a greater emphasis on rights and democracy While this has brought many positive changes in women's rights and political representation in much of the world these advances were not matched by increases in social justice Rising income inequalities coupled with widespread poverty in many countries have been accompanied by record levels of crime and violence Meanwhile the global shift in the consensus over the role of the state in welfare provision has in many contexts entailed the down sizing of public services and the re allocation of service delivery to commercial interests charitable groups NGOs and households Gender Justice Development and Rights reflects on this ambivalent record and on the significance accorded in international development policy to rights and democracy in the post Cold War era Key items on the contemporary policy agenda neo liberal economic and social policies democracy and multiculturalism are addressed here by leading scholars and regional specialists through theoretical reflections and detailed case studies Together they constitute a collection which casts contemporary liberalism in a distinctive light by applying a gender perspective to the analysis of political and policy processes Case studies from Latin America sub Saharan Africa Middle East East Central Europe South and South east Asia contribute a cross cultural dimension to the analysis of contemporary liberalism the dominant value system in the modern world and how it exists and is resisted in developing and post transition societies

The Shia Revival Vali Nasr, 2016-09-06 Historically incisive geographically broad reaching and brimming with illuminating anecdotes Max Rodenbeck New York Review of Books One of America's leading commentators on current events in the Middle East Iranian born scholar Vali Nasr brilliantly dissects the political and theological antagonisms within Islam in this smart clear and timely book Washington Post Still essential and still timely ten years after its original publication The Shia Revival provides a unique and objective understanding of the 1 400 year bitter struggle between Shias and Sunnis and sheds crucial light on its modern day consequences A new epilogue elucidates the rise of ISIS and ongoing tensions between Iran and Saudi Arabia

Shi'i Sectarianism in the Middle East Elisheva Machlis, 2014-09-17 The eruption of violent sectarianism in Iraq following the US invasion in 2003 brought the question of Sunni Shi'i relations in the country to the forefront of the international public agenda It also strengthened the popular belief that contemporary Shi'ism is inherently sectarian Yet several decades earlier Ayatollah Khomeini had declared an Islamic revolution and downplayed its Shi'i origins and links So what is the true orientation of Shi'i Islam in the contemporary era and how did modernisation alter its sectarian affiliation This book contends that early Shi'i reformist thought set the foundations for a more universal oriented Shi'ism Prominent reformists in the first half of the twentieth century from the holy cities of Karbala and Najaf in Iraq and from the Shi'i centres in Southern Lebanon played a significant role in the renewal of Shi'ism and laid the groundwork for its reinvention in the modern era Exploring this shift towards a more ecumenical perception of Islam Elisheva Machlis here provides a fresh perspective on inter sectarian relations in contemporary Iraq and illuminates the intellectual roots of the

Islamic revolution by examining networks of Shi'i scholars such as Mu'ammad usayn K shif al Ghi and Mu sin al Am n al mil operating within a more globalised Muslim world Drawing on the experiences of early Shi'i reformists such as Abd al usayn Sharaf al D n al M saw in Lebanon and Mu'ammad Jaw d Mughniyya in Damascus this book gives new insight on the future of inter Muslim relations at a time of growing inter sectarian contention from the Iran Iraq war to the post 2003 Sunni Shi'i conflict in Iraq and al Qa ida s anti Shi'i message taking into account questions of theology historiography jurisprudence and politics which all played a vital role in the transition to the contemporary era The author here analyses the broad scholarly connections between Iran Iraq and Lebanon in the twentieth century while debating paramount questions of leadership identity and group membership in the development of modern Shi'ism Examining the relationship between intellectual thought and socio political development in the region this book provides a new perspective concerning the future of an increasingly globalised Muslim world and will prove essential reading for students and specialists

The Shi'is of Iraq Yitzhak Nakash, 2018-06-26 The Shi'is of Iraq provides a comprehensive history of Iraq's majority group and its turbulent relations with the ruling Sunni minority Yitzhak Nakash challenges the widely held belief that Shi'i society and politics in Iraq are a reflection of Iranian Shi'ism pointing to the strong Arab attributes of Iraqi Shi'ism He contends that behind the power struggle in Iraq between Arab Sunnis and Shi'is there exist two sectarian groups that are quite similar The tension fueling the sectarian problem between Sunnis and Shi'is is political rather than ethnic or cultural and it reflects the competition of the two groups over the right to rule and to define the meaning of nationalism in Iraq A new introduction brings this book into the new century and illuminates the role that Shi'is could play in postwar Iraq

Mirror of the Arab World: Lebanon in Conflict Sandra Mackey, 2009-03-16 How the recent history of Lebanon provides insight into the many trials currently facing the larger Arab community It is crucial to the interests of the West to grasp the complexities of the Arab world In this clear concise volume Sandra Mackey provides a unique view of this tortured and tortuous region through the lens of Lebanon A small fractured country at the gateway of the Arab east Lebanon signals the challenges that the Arab world poses to itself and to the West As Mackey vividly demonstrates the Lebanese have experienced every issue currently roiling the Middle East borders contrived by others a weak state housing weak institutions a Palestinian presence civil war resistance to societal and political change Sunni Shia sectarianism occupation militant Islam as a political ideology conflict over the common identity essential to turning a fragile state into a viable nation a troubled democratic tradition and war perpetrated by forces inside and outside its borders Lessons learned from these conflicts will ease understanding and resolution elsewhere

Hizbu'llah Amal Saad-Ghorayeb, 2001-01-12 Hizbu'llah is the largest and most prominent political party in Lebanon and one of the most renowned Islamist movements in the world In this book Amal Saad Ghorayeb examines the organisation's understanding of jihad and how this together with its belief in martyrdom brought about the withdrawal of Israeli occupation forces from Lebanon in May 2000 Saad Ghorayeb explores the nature of the party's struggle against the West by studying its views on

the use of violence against Westerners Crucially she also addresses the question of whether Hizbu llah depicts this struggle in purely political or civilisational terms The existential nature of the movement s conflict with Israel is analysed and the Islamic roots of its anti Judaism is unearthed The author explores the mechanics and rationale behind the party s integration into the Lebanese political system and sheds light on how it has reconciled its national identity with its solidarity with the Muslim umma

The Dynamics of Sunni-Shia Relationships Sabrina Mervin,Rainer Brunner,Jean-François Legrain,Joseph Alagha,Reidar Visser,Thomas Pierret,Roel Meijer,Joas Wagemakers,Stéphane A. Dudoignon,Farian Sabahi,Mariam Abou Zahab,Bayram Balci,Altay Goyushov,Brecht De Smet,2013-05-29 Sheds light on the political sociological and ideological processes that are affecting the dynamics of Sunni Shia relations

Political Parties and Terrorist Groups Leonard Weinberg,Ami Pedahzur,Arie Perliger,2008-11-19 This book is the definitive guide to the topical issue of the relationship between political parties that embrace the democratic process and terrorist groups which eschew the legal and procedural strictures of democracy The fully revised edition continues to provide the most detailed theoretical and empirical analysis of this controversial issue highlighting the fluid nature of boundaries between terrorist organisation and legitimate political party Drawing on a vast array of data the authors examine a large number of international case studies from Italy Spain Lebanon Turkey Iran Israel Palestine Peru Argentina Japan and Northern Ireland By incorporating substantial new material on ETA Hizbollah and Hamas this book retains its position at the forefront of the worldwide political discussion on terrorism and continues to be essential reading for all students academics and readers with an interest in security studies terrorism and political violence

Shia Islam and Politics Jon Armajani,2020-05-20 This book argues that ever since Iran s Islamic Revolution in 1979 which established a Shia Islamic government in Iran that country s religious and political leaders have used Shia Islam as a crucial way of expanding Iran s objectives in the Middle East and beyond Since 1979 Iran s religious and political leaders have been concerned about Iran s security in the face of the hostility and expansionism of the United States and other western countries and the threats from powerful neighboring Sunni leaders and countries While Iran s government has attempted to align itself with Shia Muslims in various countries such as Iraq and Lebanon against American and Sunni expansionism the Iranian government has attempted to religiously nourish and politically mobilize those Shias as a matter of principle not only because of the Iranian government s desires to protect Iran from external threats The book analyzes Shia Islam and politics in Iran Iraq and Lebanon which have among the largest proportional Shia populations in the Middle East and are vibrant centers of Shia intellectual life The book s clear and jargon free approach make it especially accessible for students and general readers who would like an introduction to the book s topics

Beyond Sovietology Susan Gross Solomon,2019-07-03 This volume a product of the Soviet Domestic Politics workshop sponsored by the Social Science Research Council marks an end and a new beginning The end of course is that of Sovietology now permanently overtaken by events The beginning encompasses not only a radical multiplication of subjects for analysis the

post Soviet states but also the arrival of a new generation of scholars entering the field at its turning point As the essays in this collection demonstrate they bring fresh contemporary social scientific questions and methods to an unprecedentedly accessible universe of diverse social groups and societies once subsumed under the Soviet rubric Their work enriches not only post Soviet studies but the entire range of comparativist work in the social sciences Among the authors included here are Jane Dawson Ellen Hamilton Joel Hellman Mark Saroyan Joseph Schull and Michael Smith *Democracy in Iran* R. Jahanbegloo,2013-04-17 Democratic government is something that has eluded Iran despite a series of non violent revolutions aimed at establishing a system of governance that would promote both public freedom and political accountability This explores the obstacles to the growth of democracy in Iran and posits a plan for non violent action to help Iranians achieve it

Hezbollah: The Story of the Party of God E. Azani,2011-02-14 The book examines the Hezbollah movement from a multidisciplinary comprehensive historical and systematic perspective to explain how it has evolved since its inception in the early 1980s to the present
