Ship Must Die:

A Ship Must Die Douglas Reeman, 2012-09-30 JANUARY 1944 Out in the wastes of the Indian Ocean British ships are sinking The cause A German armed raider disguised to deceive unwary merchantmen In Williamstown Australia HMS Andromeda awaits transfer to the Australian navy After years together in bloody combat with the Nazis the cruiser's crew will disperse to fight in other ships in other seas But a call to Andromeda's youthful captain Richard Blake VC changes everything His mission to seek out and destroy the raider And in this conflict one ship must die _____

A classic tale of naval warfare from Douglas Reeman the all time bestselling master of naval fiction who served with the Royal Navy on convoy duty in the Atlantic the Arctic and the North Sea He has written dozens of naval books under his own name and the pseudonym Alexander Kent including the famous Richard Bolitho books set during the Napoleonic Wars

Sovereign of the Seas, 1637 John McKay, 2020-02-28 Sovereign of the Seas was the most spectacular extravagant and controversial warship of the early seventeenth century The ultimate royal prestige project whose armament was increased by the King's decree to the unheard of figure of 100 guns the ship finally cost the equivalent of ten more conventional warships A significant proportion of this total was spent on her gilded decoration which gave the ship a unique combination of firepower and visual impact in battle that led her Dutch opponents to dub her the Golden Devil The vessel was the poster child of the notorious Ship Money tax raised without parliamentary approval and so unpopular it was a major factor leading to the Civil War in which Charles I lost his sovereignty and his head In that sense she was a ship that cost a kingdom It is unsurprising that such a high profile ship should be well documented but there are no contemporary plans and much of the visual evidence is contradictory In this book John McKay sets out to analyse the data and reconstruct the design and appearance of the ship in a degree of detail never previously attempted The results are presented as a folio of superbly draughted plans isometric drawings and coloured renderings covering every aspect of the design from the hull form to the minutiae of sails and rigging Each section is accompanied by an explanatory text setting out the rationale for his conclusions so the book will be of value to historians of the period as well as providing superb reference for any modeller tackling one of the most popular of all sailing ship subjects

Queen of the Deep Kay Kenyon, 2015-01-04 A beguiling fantasy filled with magic adventure romance and dangerous secrets When she is pulled from the wreckage of a New York subway crash Jane Gray is astonished to recognize her rescuer as Prince Starling an imaginary companion from her childhood Determined to uncover the truth about her past Jane tracks him to another realm the world of the Palazzo a magical ship that is both a colossal steam vessel and a Renaissance kingdom There she discovers that magic is real and her destiny is more tangled than she ever imagined In this story of a modern Alice in Wonderland Jane is courted by two different men and must survive the machinations of an exotic and dangerous queen When she discovers the urgent secret of the Palazzo's endless voyage Jane holds the fate of the realm in her hands Guided by maps legends and dead reckoning she must pilot a course that will lead to

the salvation or destruction of the world she has come to love *Playing the Game* John Howlett, 2023-05-15 Two of Henry Newbolt's poems *Vita Lampada* and *Drake's Drum* became staples of poetry anthologies and were able to be recited by every school boy His poetry was also deeply significant in constructing ideas around late Victorian Edwardian imperial manliness A consequence of this was that Newbolt became in his own time one of the best known and most popular of writers However in the years since his death his work has fallen into comparative critical neglect and he has been seen as a mouthpiece for the worst aspects of his age The aim therefore of this new edition is to place the poet's literary work in a broader context that has hitherto not been addressed as well as offering a fresh appraisal of a significant literary figure Aside from careful consideration of the poetry of equal interest is Newbolt's active public life He contributed widely to government committees and debates on education as well as working for the propaganda bureau in the First World War and advising on the Irish question The links between his poetry which spanned over three decades and the socio economic changes under way in the British Isles at the time are a primary theme of John Howlett's substantial Introduction to the work Exploring this wider historical context means that this book is an essential research tool for the field of Victorian and Edwardian poetry but also cultural studies *Companion 2* Ginger R. Brown, 2016-12-29 This is the story of a woman's life after she leaves Earth with an alien Most of her story is told through the entries she makes in her journal Her alien companion is estranged from his father yet his love for his father is reflected in everything he does When he finally accepts that he will no longer be with his father he finds another father figure to fill the void As the Earth woman and her companion live out their lives she writes about portals battleships warlike species battles fought a sun going nova and even seniors joining the military During the course of her life the woman has gone from mental patient to mind walker to wife to warrior Through it all her companions have been more alien than anything she could have imagined while on Earth This is a story about the relationship between a truly alien man an Earth woman a sentient spaceship and the love they have for one another The people they meet along the way only add more substance to her journal entries *Companion* Ginger R. Brown, 2016-02-12 The Captain is a descendant of an advanced species that has left this galaxy Before leaving his father gave him advanced technology extreme abilities and a sentient ship for his home The Captain had not met a species with more advanced technology until his encounter with the Zolins When the equally advanced Zolins become a threat to his system the Captain can no longer avoid the war and joins with the Collection The Collection is a military organization and has over a hundred member species They are at war with the Zolins because the Zolins are now expanding their territory and invading occupied systems The Collection sends the Captain to the Earth system to surveil Zolin ships that have taken an interest in the system While there he walks many human minds and becomes intrigued with a human female He transports to her room and tells her he is offering her the opportunity to be his companion If she agrees she will have a life longer than other humans and a life of adventure He says he is also recruiting her to work with the Collection in defeating the Zolins He will teach her the Zolin language so she understands what she
