

SHOULD THE BABY LIVE?

The Problem of
Handicapped Infants

Helga Kuhse and
Peter Singer

Should a severely handicapped baby be allowed to die? What should the decision be based on? Who should make that decision?

Until recently such questions were rarely considered in public, but the case of Baby Doe, born in April 1982 with Down's syndrome and a blocked oesophagus in Bloomington, Indiana, stirred up a national debate in America. In Britain a year earlier Dr Leonard Arthur had stood trial for his decision to allow a baby with Down's syndrome to die. The intervention of government or of the law in these

Should The Baby Live The Problem Of Handicapped Infants

Sarah Ferber

Should The Baby Live The Problem Of Handicapped Infants:

Should the Baby Live? Helga Kuhse, Peter Singer, 1985 Without doubt the best of the recent works addressing this topic The Times Higher Education Supplement Ethical Issues in Neurology James L. Bernat, 2008 Written by an eminent authority from the American Academy of Neurology's Committee on Ethics Law and Humanities this book is an excellent text for all clinicians interested in ethical decision making The book features outstanding presentations on dying and palliative care physician assisted suicide and voluntary active euthanasia medical futility and the relationship between ethics and the law New chapters in this edition discuss how clinicians resolve ethical dilemmas in practice and explore ethical issues in neuroscience research Other highlights include updated material on palliative sedation advance directives ICU withdrawal of life sustaining therapy gene therapy the very low birth weight premature infant the developmentally disabled patient informed consent organizational ethics brain death controversies and fMRI and PET studies relating to persistent vegetative state

How Ethical Systems Change: Abortion and Neonatal Care Sheldon Ekland-Olson, Elyshia Aseltine, 2012-04-23 Roe v Wade came like a bolt from the blue but support had been building for years For many the idea that life in the womb was not fully protected under the Constitution was simply not acceptable Political campaigns were organized and protests launched including the bombing of clinics and the killing of abortion providers Questions about the protection and support of life continued after birth This book is based on a hugely popular undergraduate course taught at the University of Texas and is ideal for those interested in the social construction of social worth social problems and social movements This book is part of a larger text Who Lives Who Dies Who Decides <http://www.routledge.com/books/details/9780415892476> Why I Burned My Book and Other Essays on Disability Paul K. Longmore, 2003 Personal inclination made me a historian Personal encounter with public policy made me an activist Bioethics and Disability Alicia Ouellette, 2011-04-25 Bioethics and Disability provides tools for understanding the concerns fears and biases that have convinced some people with disabilities that the health care setting is a dangerous place and some bioethicists that disability activists have nothing to offer bioethics It wrestles with the charge that bioethics as a discipline devalues the lives of persons with disabilities arguing that reconciling the competing concerns of the disability community and the autonomy based approach of mainstream bioethics is not only possible but essential for a bioethics committed to facilitating good medical decision making and promoting respect for all persons regardless of ability Through in depth case studies involving newborns children and adults with disabilities it proposes a new model for medical decision making that is both sensitive to and sensible about the fact of disability in medical cases

Foundations of Healthcare Ethics Jānis T. Ozoliņš, Joanne Grainger, 2015-04-08 In order to provide the highest level of care to patients and clients health professionals need a sound knowledge and understanding of healthcare ethics Foundations of Healthcare Ethics Theory to Practice focuses on the philosophical concepts underpinning contemporary ethical discourse for health professionals and arms both students and professionals with the knowledge to tackle situations of

moral uncertainty in clinical practice Specially written to provide an in depth study into the theoretical foundations of healthcare ethics it covers a range of normative ethical theories from virtue ethics to utilitarianism while also investigating their application to contemporary issues in health care and society It provides opportunities for self directed learning and presents questions and case studies to facilitate engagement and discussion Foundations of Healthcare Ethics provides both students and professionals with an understanding of the philosophy governing healthcare ethics in order to help provide a better level of care to patients and clients

Intellectual Disabilities and Autism: Ethics and Practice Andria Bianchi, Janet A. Vogt, 2024-08-31 This book meaningfully reflects upon difficult timely and debated ethics questions relating to people with intellectual disabilities IDs and autistic people The book challenges now dated perceptions and introduces innovative ideas by leading scholars regarding some of the most complex controversial and relevant ethical dilemmas involving these neurodiverse populations People with IDs and or those on the autism spectrum continue to experience various forms of oppression and unjust treatment across the globe despite the UN Convention on the Rights of Persons with Disabilities CRPD The collection explores questions such as Can people with IDs make informed decisions about their medical treatment living circumstances and overall life What are the ethical implications of selective termination of pregnancy based on a gene linked to a condition conferring intellectual impairment How can we ensure that people with IDs and autistic people are meaningfully included in research Can people with IDs successfully parent How can we support the capabilities of neurodiverse populations such that they enjoy the rights afforded by the CRPD Each contributor critically examines how we can move forward to create a world that understands and respects the rights of every person with ID and or autism An indispensable read for bioethicists ethics students social justice scholars and others interested in and working with people with IDs and autistic people

Children and Health Care L.M. Kopelman, J.C. Moskop, 2007-08-26 Before a separate Department of Medical Humanities was formed the editors of this volume were faculty members of the Department of Pediatrics at our medical school Colleagues daily spoke of the moral and social problems of children s health care Our offices were near the examining rooms where children had their bone marrow procedures done Since this is a painful test we often heard them cry The hospital floor where the sickest children stayed was also nearby The physicians nurses and social workers believed that children s health care needs were not being met and that more could and should be done Fewer resources are available for a child than for an adult with a comparable illness they said These experiences prompted us to prepare this volume and to ask whether children do get their fair share of the health care dollar Since the question What kind of health care do we owe to our children is complex responses should be rooted in many disciplines These include philosophy law public policy and of course the health professions Representing all of these disciplines contributors to this volume reflect on moral and social issues in children s health care The last hundred years have brought great changes in health care for children The specialty of pediatrics developed during this period and with it a new group of advocates for children s health

care Women's suffrage gave a political boost to the recognition of children's special health needs Familial Fitness Sandra M. Sufian, 2022-01-21 The first social history of disability and difference in American adoption from the Progressive Era to the end of the twentieth century Disability and child welfare together and apart are major concerns in American society Today about 125 000 children in foster care are eligible and waiting for adoption and while many children wait more than two years to be adopted children with disabilities wait even longer In *Familial Fitness* Sandra M Sufian uncovers how disability operates as a fundamental category in the making of the American family tracing major shifts in policy practice and attitudes about the adoptability of disabled children over the course of the twentieth century Chronicling the long complex history of disability *Familial Fitness* explores how notions and practices of adoption have and haven't accommodated disability and how the language of risk enters into that complicated relationship We see how the field of adoption moved from widely excluding children with disabilities in the early twentieth century to partially including them at its close As Sufian traces this historical process she examines the forces that shaped and continue to shape access to the social institution of family and invites readers to rethink the meaning of family itself *Bioethics in Historical Perspective* Sarah Ferber, 2013-11-28 How influential has the Nazi analogy been in recent medical debates on euthanasia Is the history of eugenics being revived in modern genetic technologies And what does the tragic history of thalidomide and its recent reintroduction for new medical treatments tell us about how governments solve ethical dilemmas *Bioethics in Historical Perspective* shows how our understanding of medical history still plays a part in clinical medicine and medical research today With clear and balanced explanations of complex issues this extensively documented set of case studies in biomedical ethics explores the important role played by history in thinking about modern medical practice and policy This book provides student readers with up to date information about issues in bioethics as well as a guide to the most influential ethical standpoints New twists added to well known stories will engage those more familiar with the challenging field of contemporary bioethics

Reviewing **Should The Baby Live The Problem Of Handicapped Infants**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Should The Baby Live The Problem Of Handicapped Infants Introduction

In the digital age, access to information has become easier than ever before. The ability to download Should The Baby Live The Problem Of Handicapped Infants has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Should The Baby Live The Problem Of Handicapped Infants has opened up a world of possibilities. Downloading Should The Baby Live The Problem Of Handicapped Infants provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Should The Baby Live The Problem Of Handicapped Infants has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Should The Baby Live The Problem Of Handicapped Infants. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Should The Baby Live The Problem Of Handicapped Infants. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Should The Baby Live The Problem Of Handicapped Infants, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Should The Baby Live The Problem Of Handicapped Infants has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Should The Baby Live The Problem Of Handicapped Infants Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Should The Baby Live The Problem Of Handicapped Infants is one of the best book in our library for free trial. We provide copy of Should The Baby Live The Problem Of Handicapped Infants in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Should The Baby Live The Problem Of Handicapped Infants. Where to download Should The Baby Live The Problem Of Handicapped Infants online for free? Are you looking for Should The Baby Live The Problem Of Handicapped Infants PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Should The Baby Live The Problem Of Handicapped Infants. This method for see exactly what may be included and adopt these ideas to your book.
