Handbook of Economic Growth Philippe Aghion, Steven Durlauf, 2013-12-20 Volumes 2A and 2B of The Handbook of Economic Growth summarize recent advances in theoretical and empirical work while offering new perspectives on a range of growth mechanisms from the roles played by institutions and organizations to the ways factors beyond capital accumulation and technological change can affect growth Written by research leaders the chapters summarize and evaluate recent advances while explaining where further research might be profitable With analyses that are provocative and controversial because they are so directly relevant to public policy and private decision making these two volumes uphold the standard for excellence in applied economics set by Volumes 1A and 1B 2005 Offers definitive theoretical and empirical scholarship about growth economics Empowers readers to evaluate the work of other economists and to plan their own research projects Demonstrates the value of empirical testing with its implicit conclusion that our understanding of economic growth will help everyone make better decisions

Law's Dominion Jay R. Berkovitz, 2019-11-26 In Law s Dominion Jay Berkovitz offers a novel approach to the history of early modern Jewry Set in the city of Metz on the Moselle river this study of a vibrant prerevolutionary community draws on a wide spectrum of legal sources that tell a story about community religion

and family that has not been told before Focusing on the community's leadership, public institutions and judiciary, this study challenges the assumption that Jewish life was in a steady state of decline before the French Revolution. To the contrary, the evidence reveals a robust community that integrated religious values and civic consciousness interacted with French society and showed remarkable signs of collaboration between Jewish law and the French judicial system. In *Law's Dominion*, Jay Berkovitz has gathered and meticulously mined a dazzling array of rich and complex rabbinic texts and records from Western Europe during the early modern period, including the pinkas of the rabbinic court of Metz that he previously rescued from oblivion. What emerges is a remarkably fresh depiction and incisive comparative treatment of central aspects of Jewish law, religion, and family, which will have far-reaching ramifications for all future studies in these disciplines. Ephraim Kanarfogel, E. Billi Ivry University Professor of Jewish History, Literature, and Law at Yeshiva University

The Oxford Handbook of the Jewish Diaspora Hasia R. Diner, 2021-11-05 The Oxford Handbook of the Jewish Diaspora is a comprehensive collection of scholarship that reflects the multifaceted nature of diaspora studies. Persecuted and exiled throughout their history, Jews have also continuously migrated to places offering better opportunities, yet the Jewish people have been defined by their permanent lack of belonging. This Oxford Handbook explores the complicated nature of diasporic Jewish life as something both destructive and creative. The contributors explore subjects as diverse as biblical and medieval representations of diaspora, the various diaspora communities that emerged across the globe, the contradictory relationship the diaspora bears to Israel, and how the diaspora is celebrated and debated within modern Jewish thought.

On the Word of a Jew Nina Caputo, Mitchell B. Hart, 2019-01-14 Fourteen essays examining the dynamics of trust and mistrust in Jewish history from biblical times to today. What if anything does religion have to do with how reliable we perceive one another to be? When and how did religious difference matter in the past when it came to trusting the word of another? In today's world, we take for granted that being Jewish should not matter when it comes to acting or engaging in the public realm, but this was not always the case. The essays in this volume look at how and when Jews were recognized as reliable and trustworthy in the areas of jurisprudence, medicine, politics, academia, culture, business, and finance. As they explore issues of trust and mistrust, the authors reveal how caricatures of Jews move through religious, political, and legal systems. While the volume is framed as an exploration of Jewish and Christian relations, it grapples with perceptions of Jews and Jewishness from the biblical period to today, from the Middle East to North America, and in Ashkenazi and Sephardi traditions. Taken together, these essays reflect on the mechanics of trust and sometimes mistrust in everyday interactions involving Jews. Highly readable and compelling, this volume marks a broadly significant contribution to Jewish studies through the underexplored dynamic of trust. Rebekah Klein Pejov, author of *Mapping Jewish Loyalties in Interwar Slovakia*. An exemplary compendium on how to engage with a major concept, trust, while providing a load of gripping new information, new theorization of otherwise well-covered material, and meticulous attention to textual and sociological sources. Gil Anidjar, author of *Blood: A Critique of Christianity* **New**

Perspectives on Jewish-Christian Relations Elisheva Carlebach, Jacob J. Schacter, 2011-11-25 The delicate balance between toleration and repulsion of the Jews a tiny minority living within the Christian world stands at the center of studies of religion and society The development of this difficult relationship on many levels theological institutional and individual is a matter of continuing relevance in religious history from ancient to contemporary contexts This volume written by the leading scholars of Jewish Christian engagement seeks to revisit the question in light of new sources and re readings of older sources The old view of two implacable enemies battling for their version of truth of Jews living as insular pariahs within a hostile world the tale of persecution by the mighty of the weak has given way to a much more nuanced understanding of areas of congruence of cultural economic and social interchange The volume examines changes in the Christian posture toward the Jews occurring in a time and place of tremendous cultural and religious creativity in Western European society It seeks to understand how Jews integrated elements of Christian culture into their own The volume spans some of the key turning points in the Jewish Christian relationship and re examines critical texts religious disputations and cultural interactions

Religious Identity in an Early Reformation Community Michele Zelinsky Hanson, 2009 Debate over the usefulness of the confessionalization thesis as a way of understanding the Reformation's impact on later Sixteenth Century Europe has distracted attention from the experiences of people in the early years of reform Based on interrogations recorded in Augshurg Germany in the first half of the sixteenth century the compelling portraits of individual believers presented in this book provide a rare insight into the lives of ordinary people during one of the most controversial periods in religious history Speaking about their faith and encounters with others in their own words they rephrase the debate in terms of contemporary experiences The resulting study challenges previous assumptions about the importance of belief in constructing religious identities and reveals the potential for accommodation amidst conflict

Body, Self and Melancholy Siglinde Clementi, 2023-09-01 This book addresses early modern concepts of the body and the self focussing on three self narratives authored by the nobleman Osvaldo Ercole Trapp 1634 1710 a body description from head to foot autobiographical writings and a brief chronicle of the House of Trapp Caldonazzo Approaching the complex theme of the question of the early modern self and the historical body this book intertwines consistent contextualisation and historicisation of self interpretation and biography This is done in three steps first the content and function of these self narratives are analysed with reference to current research on early modern self narratives In a second step the life and family history of Osvaldo Ercole Trapp are examined from a microhistorical perspective and placed within the context of the early modern history of Tyrol's nobility A third step then goes into detail on individual contexts and discourses that refine one's comprehension of these self narratives noble masculinity family house and line theories of procreation and education body experience and body images It combines textual analysis historical anthropology with a strong gender historical perspective microhistory and the history of the body as a history of experience and discourse With this approach the study makes an

Germany, 2006-02-01 This book represents a multi disciplinary approach to the problem of the Jews and the German Reformation The contributions come from both senior and emerging scholars from North America Israel and Europe to ensure a breadth in perspective The essays in this volume are arranged under four broad headings 1 The Road to the Reformation late medieval theology and the humanists and the Jews 2 The Reformers and the Jews essays on Luther Melanchthon Bucer Zwingli Calvin Osiander the Catholic Reformers and the Radical Reformers 3 Representations of Jews and Judaism the portrayal of Judaism as a religion images of the Jews in the visual arts and in sixteenth century German literature and 4 Jewish Responses to the Reformation Contributors include Dean Phillip Bell Jay Berkovitz Robert Bireley Stephen G Burnett Elisheva Carlebach Achim Detmers Yaacov Deutsch Maria Diemling Michael Driedger R Gerald Hobbs Joy Kammerling Thomas Kaufmann Hans Martin Kirn Christopher Ocker Erika Rummel Petra Sch ner Timothy J Wengert and Edith Wenzel **Domestic Devotions in the Early Modern World**, 2018-12-10 This volume sets out to explore the world of domestic devotions and is premised on the assumption that the home was a central space of religious practice and experience throughout the early modern world The contributions to this book which deal with themes dating from the

fifteenth to the eighteenth century tell of the intimate relationship between humans and the sacred within the walls of the home The volume demonstrates that the home cannot be studied in isolation the sixteen essays that encompass religious history the histories of art and architecture material culture literary history and social and cultural history instead point individually and collectively to the porosity of the home and its connectedness with other institutions and broader communities Contributors Dotan Arad Kathleen Ashley Martin Christ Hildegard Diemberger Marco Faini Suzanna Ivani Debra Kaplan Marion H Katz Soyeon Kim Hester Lees Jeffries Borja Franco Llopis Alessia Meneghin Francisco J Moreno D az del Campo Cristina Osswald Kathleen M Ryor Igor Sosa Mayor Hanneke van Asperen Torsten Wollina and Jungyoon Yang

Administrating Kinship: Marriage Impediments and Dispensation Policies in the 18th and 19th Centuries

Margareth Lanzinger,2023-05-08 From the late eighteenth century more and more men and women wished to marry their cousins or in laws This aim was primarily linked to changes in marriage concepts which were increasingly based on familiarity Wealthy as well as economically precarious households counted on related marriage partners Such unions however faced centuries old marriage impediments Bridal couples had to apply for a papal dispensation This meant a hurdled lengthy and also expensive procedure This book shows that applicants in four dioceses Brixen Chur Salzburg and Trent took very different paths through the thicket of bureaucracy to achieve their goal How did they argue their marriage projects How did they succeed and why did so many fail Tenacity often proved decisive in the end
