divine enlightenment and inspiration through her extraordinary connection with her guru and renewed confidence in the pleasure and joy that life can bring Now one of the preeminent female spiritual teachers in the world Sadhvi recounts her journey with wit honesty and clarity and along the way offers teachings to help us all step onto our own path of awakening and discover the truth of who we really are embodiments of the Divine Sadhvi models for us at the deepest level that in the true teaching of the spiritual traditions healing and grace are always possible Prince Ea in the foreword to Hollywood to the Himalayas Vivid and poetic her journey is a river of love compelling in its authenticity and unflinching honesty a must for anyone who is interested in exploring different paths to fulfilment and to the Creator Jane Goodall Sadhvi Bhagawati Saraswati is a great teacher of spirituality and consciousness Her inspiring wisdom illuminates the path to healing happiness and inner peace Deepak Chopra For so many of us the road to the Divine sometimes begins with deep trauma And then Grace is bestowed upon us and we blossom in the holiness of love Hollywood to the Himalayas is filled with wisdom and truth about the powerful revelations that unfold on the path to a deeper relationship to the divine This is a beautiful book Rev Iyanla Vanzant executive producer Iyanla Fix My Life *A Journey Toward The Light* Andrew Miros?aw Bukraba,2014-05 These stories are dedicated to You Dear Reader You who are an individualized projection of the Oneness You who are predestined by making before incarnating on Earth the conscious choice to have an opportunity to read them If this statement is at present for You too enigmatic I guarantee that later its meaning will become clearly understandable I d like also to add here that these stories are also maybe even especially dedicated to those who will not have a chance to read them because they live in a suppression of freedom and often are not even aware that they are having Free will projections of the Oneness Met on my Path Light Bearers have assured me that those last mentioned will not be ignored but accessed and spiritually elevated in a more subtle way than rest of humanity I wish You all to attune to Sat Chit Ananda Truth of Existence Consciousness and Bliss and realize for now and ever that Tat Twam Asi Thou Art That *A Hermit in the Himalayas* Paul Brunton,2016-12-15 The introductory account of Mr Brunton s pony back journey up the mountainside has real charm One of his most interesting chapters gives a practical minded consideration to the probable future of Tibet New York Times Paul Brunton was one of a very small number of his generation to travel in India and Tibet so extensively at a time when very few were doing so with such insight and discernment His journalistic skills produced magnificent descriptions of the snowy peaks and high desert landscapes of the Himalayan region but it was the lessons he learned from the holy men he met on his journey that transformed him into one of the great interpreters of the East In this magnificent spirituality classic he explains that we all need oases of calm in a world of storm no matter what era we are living in and that to retreat from our everyday lives for a while is not weakness but strength By taking the trouble to discover the deep silence within us we will find the benefits of being linked to an infinite power an infinite wisdom an infinite goodness *A Hermit In The Himalayas* is a fascinating blend of travel writing and profound spiritual experience As we accompany the author on his journey through the

vast Himalayas ranges towards Mount Kailas in Tibet he also shows us an even more remarkable and timeless inner path which will help us cope with the ups and downs of our contemporary world *Becoming a Mountain* Stephen Alter, 2015-03-10 Hailed as a wondrous book by Gretel Ehrlich and winner of the Kekoo Naoroji Book Award for Himalayan Literature a journey of healing that becomes a pilgrimage for the soul Stephen Alter was raised by American missionary parents in the hill station of Mussoorie in the foothills of the Himalayas where he and his wife Ameeta now live Their idyllic existence was brutally interrupted when four armed intruders invaded their house and viciously attacked them leaving them for dead The violent assault and the trauma of almost dying left him questioning assumptions he had lived by since childhood For the first time he encountered the face of evil and the terror of the unknown He felt like a foreigner in the land of his birth This book is his account of a series of treks he took in the high Himalayas following his convalescence to Bandar Punch the monkey s tail Nanda Devi the second highest mountain in India and Mt Kailash in Tibet He set himself this goal to prove that he had healed mentally as well as physically and to re knit his connection to his homeland Undertaken out of sorrow the treks become a moving soul journey a way to rediscover mountains in his inner landscape Weaving together observations of the natural world Himalayan history folklore and mythology as well as encounters with other pilgrims along the way Stephen Alter has given us a moving meditation on the solace of high places and on the hidden meanings and enduring mystery of mountains
