Siegfried Sassoon Jean Moorcroft Wilson, 2003 The World War I poet Siegfried Sassoon is one of the twentieth century's greatest icons and Jean Moorcroft Wilson is the leading authority on him In Siegfried Sassoon The Journey from the Trenches the second volume of her best selling authorized biography Wilson completes her definitive analysis of his life and works exploring Sassoon's experiences after the Great War For many people Sassoon exists primarily as a First World War poet and bold fighter who earned the nickname Mad Jack in the trenches and risked Court Martial possibly the firing squad with his public protest against the War Much less is known about his life after the Armistice Wilson uncovers a series of love affairs with such larger than life characters as Queen Victoria's great grandson Prince Phillip of Hesse the flamboyant Ivor Novello and the exotic and bejeweled Hon Stephen Tennant This period also sees Sassoon establishing close friendships with some of the greatest literary figures of the age Hardy Beerbohm E M Forster and T E Lawrence among them Sassoon himself said that most people thought he had died in 1919 But Wilson shows that his poetry is if anything more powerful in the second half of his life Based on a decade of meticulous research and interviews with many who knew Sassoon well much of the material is published here for the first time Siegfried Sassoon The Journey from the Trenches completes a fascinating story that is beautifully told

Siegfried Sassoon Max Egremont, 2006-12-01 The life of Siegfried Sassoon has been recorded and interpreted in literature and film for over half a century He is one of the great figures of the First World War and Memoirs of a Fox Hunting Man and Memoirs of an Infantry Officer are still widely read as are his poems which did much to shape our present ideas about the Great War Sassoon was a genuine hero a brave young officer who also became the war's most famous opponent risking imprisonment and even a death sentence by throwing his Military Cross into the Mersey He was friend to Robert Graves mentor to Wilfred Owen and much admired by Churchill But Sassoon was more than the embodiment of a romantic ideal he was in many senses the perfect product of a vanished age And many questions about his character unique experience and motivations have remained unanswered until now

R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and

consistency to the entries *Memoirs of an Infantry Officer* Siegfried Sassoon, 2013-05-28 The second volume in Siegfried Sassoon's beloved trilogy *The Complete Memoirs of George Sherston* with a new introduction by celebrated historian Paul Fussell. A highly decorated English soldier and an acclaimed poet and novelist Siegfried Sassoon won fame for his trilogy of fictionalized autobiographies that wonderfully capture the vanishing idylls of Edwardian England and the brutal realities of war. The second volume of Siegfried Sassoon's semiautobiographical *George Sherston* trilogy picks up shortly after *Memoirs of a Fox-hunting Man* in 1916 with the young Sherston deep in the trenches of WWI. For his decorated bravery and also his harmful recklessness he is soon sent to the Fourth Army School for officer training then dispatched to Morlancourt a raid and on through the Somme. After being wounded by a bullet through the lung he returns home to convalesce where his questioning of the war and the British Military establishment leads him to write a public anti-war letter verbatim the letter Sassoon wrote in 1917 entitled *Finished with the War: A Soldier's Declaration* which was eventually read in the British House of Commons. Through the help of close friend David Cromlech based on Sassoon's friend Robert Graves a medical board decides not to prosecute but instead deem him to be mentally ill suffering from shell shock and sends him to a hospital for treatment. Sassoon's stunning portrayal of a mind coming to terms with the brutal truths he has encountered in war as well as his unsentimental though often poetic portrayal of class-defined life in England at wartime is amongst the greatest books ever written about World War I or war itself.
