Sigfluence Long Term Positive Influence:

Sigfluence Dr. John F. Loase, 2023-11-10 Sigfluence is a word invented by Dr John F Loase It means significant long term positive influence After 20 plus years of research Loase had a big breakthrough He found that sigfluence was the best predictor of a satisfying life Sigfluence is to the human spirit what exercise is to the human body This book features sigfluence role models like Mother Teresa Victor Frankl and Jimmy Carter as well as practical advice to enhance your sigfluence legacy

Theory and Measurement of Sigfluence John Frederick Loase, 2002 THE THRONE OF ENGLAND IS AT STAKE Anne of Stamford has long been the keeper of her mistress's secrets but when Lady Joan marries the king's son court life becomes ever more perilous Sir Nicholas Lovayne has arrived to uncover the truth about Lady Joan's past and Anne must do something anything to throw him off Longing to escape the intrigues at court Nicholas hasn't counted on the way Anne distracts him her refusal to accept pity for her clubfoot touches something deep inside him Will he be able to follow his duty when every fiber of his being tells him to protect Anne Royal Weddings A hint of scandal this way comes

Our Neglect, Denial and Fear John F. Loase, 2001-06-19 This is Dr Loase's fifth book on sigfluence He created the new word sigfluene which means significant long term positive influence seventeen years ago Since then Dr Loase has delivered workshops and lectures on sigfluence at national and international conferences across North America including seminars at Harvard U of California Berkeley Mensa and Clark University This book explores our long term influence from many perspectives including psychology education language and work The book focuses on sigfluence as the key to finding meaning of life

The Positive Influence Generation John F. Loase, 2007-05-10 Every person has the enormous potential to positively influence others but there is no word in the English language that describes this Many who fear their lasting influences and deny that a positive influence is important pay psychologically for this neglect The 18-25 year olds today could change this They report significantly higher potential and need for lasting positive influence than previous generations This finding the result of an extensive survey completed by 542 college students surprisingly suggests that we may see a paradigm shift in the twenty first century However this generation admits that they need education and guidance from the elders to fulfill their influence potential This interdisciplinary work explores sigfluence Loase's new word for significant long term positive influence from the perspectives of psychology statistics mathematical modeling qualitative research and personal histories The evidence accumulated over two decades of research supports Dr Loase's theory that sigfluence is an imperative yet widely neglected personal need and a key to finding meaning in life

Sigfluence John Frederick Loase, 1994 Proposes that sigfluence positive significant long term interpersonal influence is a fundamental motivation of person similar to Viktor Frankl's will to meaning Introduces anecdotal and biographical accounts of sigfluence notably the influence that shaped the lives of Lee Iococca John Kennedy and Mother Teresa Explores sigfluence in relation to psychology language and the world of work and highlights ways in which the reader can apply sigfluence in daily life Annotation copyright by Book

News Inc Portland OR **Obama's Great Lie** John Loase, 2011-12-22 President Obama inspired this book when in his recent speech at the University of Texas Austin he urged the United States to retake the 1 position in college graduation rates by 2020 President Obama must be aware that our current economic and jobs crisis will likely plunge us even deeper into an educational quagmire by 2020 Few challenged President Obama's absurd goal Dr Loase invented the word sigfluence in 1984 to define significant long term positive influence In Dr Loase's 8th book *The Sigfluence Generation* John reveals the enormous Potential and Need of our 18-25 year olds to affect sigfluence However they need mentorship from Baby Boomers to realize their potential Our Millennials need honesty not lies to positively transform America The United States is mired in educational denial and neglect For each of our nine educational lies this work exposes the lie and details the remedy Our crumbling educational infrastructure reflects our society at risk In order to transform American education we must overcome our denial and transform ourselves Our 18-25 year olds are ready Are we *Nurturing Future Generations* Rosemary A. Thompson, Ed.D., 2012-11-12 The statistics are pretty grim young people face an ever increasing tide of poverty alcohol and drug abuse violence suicide and family dysfunction Society's response has been slow Too many young people do not receive consistent positive and realistic validation of themselves from those adults on whom they depend *Nurturing Future Generations* goes beyond the stilted rhetoric on the problems of youth and the dilemma for society by outlining specific treatment intervention and prevention strategies that address the full spectrum of dysfunctional behavior It introduces structured intervention strategies for school and community collaboration with an emphasis on remediation and treatment Educators and helping professionals will find counseling strategies and psychoeducational techniques that focus on primary prevention These primary prevention strategies are supported by an understanding of critical social emotional and cognitive skills The new edition provides an increased focus on the positive aspects of youth development with less emphasis placed on the dysfunctional side of youth behavior The book addresses emerging research on resiliency and includes increased coverage of best practices for use with troubled youth A new chapter on LGBT youth issues has been added and the existing chapters have been substantially revised and updated The author has reorganized sections within each chapter adding to the readability and flow of the book making it more useful as both a professional reference and supplemental text

Sigfluence III John F. Loase, 1996-04-02 Modeled after Peck's *The Road Less Traveled* *Sigfluence III* is a four part book about positive influence Its name is based on a word coined by the author and it means long term positive influence The author argues that language society politics education psychology and human beings lack sigfluence Loase argues that it is time to get back this sigfluence His study focuses on key influences that shape people's lives It offers suggestions on how to unlock hidden potential *Sigfluence III* with its readability and conversational tone is intended for general readers interested in learning psychology for its enjoyment and value No preliminary knowledge of psychology is required Contents Preface PART I Introduction to Sigfluence PART II Ten Years of Study The Early Results PART III Applications to Society PART IV The

Personal Application Appendix A **Resources in education** ,1986-04 **The Art of Living** Gerhard P. Knapp,1989 The Art of Living is the first large scale analysis in English of Erich Fromm s life and his entire printed works This study addresses both the specialist in a variety of disciplines psychology social sciences philosophy and a large lay readership It is written in an appealing style and clearly delineates Fromm s career as a psychoanalyst and a writer pinpointing the strengths and weaknesses in the work of one of this century s most influential thinkers Fromm s unflagging insistence on a more humane world emerges here in full relevance for today s reader
