

# The mathematical theory of relativity

The background of the slide is a dark blue space filled with small white stars. On the left side, there is a large, semi-transparent blue sphere. A bright yellow beam of light originates from the left and extends horizontally across the middle of the slide. Below this beam, a blue grid of lines represents the curvature of spacetime, with the grid lines bending downwards in the center. A yellow diagonal beam of light also originates from the bottom left corner and extends upwards towards the center.
