*Leading for Equity* tells the compelling story of the Montgomery County Maryland Public Schools and its transformation in less than a decade into a system committed to breaking the links between race and class and academic achievement. In chapters organized around six core themes, the authors lay out the essential elements of MCPS's success. They identify key lessons other districts can draw from MCPS's experience and offer a framework for applying them. A dramatic departure from business as usual, MCPS has won nationwide attention as a compelling model for tackling the achievement and opportunity issues that confront our nation as a whole. *ENC Focus*, 2000
