**The Gospel of Matthew, vol. 1** Walter T. Wilson, 2022-11-29 What was the original purpose of the Gospel of Matthew For whom was it written In this magisterial two volume commentary Walter Wilson interprets Matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected Jewish followers of Jesus in the late first century CE Wilson's compelling thesis frames Matthew's Gospel as not only a

continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered dissident minority. Thus the text clarifies Jesus's essential Jewish character as the Son of David while also portraying him in opposition to prominent religious leaders of his day, most notably the Pharisees, and open to cordial association with non-Jews. Through meticulous engagement with the Greek text of the Gospel as well as relevant primary sources and secondary literature, Wilson offers a wealth of insight into the first book of the New Testament. After an introduction exploring the background of the text, its genre and literary features, and its theological orientation, Wilson explicates each passage of the Gospel with thorough commentary on the intended message to first-century readers about topics like morality, liturgy, mission, group discipline, and eschatology. Scholars, students, pastors, and all readers interested in what makes the Gospel of Matthew distinctive among the Synoptics will appreciate and benefit from Wilson's deep contextualization of the text, informed by his years of studying the New Testament and Christian origins.

A great choice for pastors and even better choice for the average Bible reader and student. Very affordable in a size that can go anywhere, it's available as a complete 60-volume series in Old Testament or New Testament sets or individually.

**JONAH IN THE SYNOPTIC TRADITION** Isaac Agbenohevi, 2024-02-28. This book is the fruit of a dissertation which seeks to get beyond the impasse in the modern interpretation of the Sign of Jonah Traditions by building upon the achieved results of previous studies, both diachronic and synchronic, examining some Jewish Writings from Second Temple Judaism, the historical ambience of the Synoptic tradition, engaging recently refined concepts and methods of literary narrative analyses, such as the use of synkrisis and utilizing the revised understanding of typology in examining the specific role of Jonah in Luke's Christology. Applying the redactional-critical approach, typological exegesis, and literary narrative analysis, it examines three specific questions: 1) what is the appropriate image of Jonah in Second Temple Judaism, historically; 2) what is the specific form of the Sign of Jonah, saying in the Gospel narratives, literary; and 3) how does Jonah's figure contribute to Lucan Christology, theological. The entire study concludes with some revealing elements which shed light on the questions which underpin the dissertation: 1) Jonah's figure was replete and frequently invoked in Second Temple Judaism, his fish ordeal, preaching in Nineveh, death experience, considered as signs; commonplace recourse in crisis situations; and 2) Sign of Jonah and Solomon Queen traditions, pieced together with the Beelzebul controversy, are interwoven in narration to make a syncretic, typological correlation between Jesus and Jonah, prophetic character in person and activity, and bring a clear definition to the enigmatic logion to semeion Iona. 3) Jonah's figure in the context of Luke's Christology serves as an element

of both continuity consistency with OT tradition and discontinuity redefinition Jesus is the fulfillment and plenitude of OT tradition
