Matthew And Tilly:

Matthew and Tilly Rebecca C. Jones, 1995-12-01 Set in the diverse neighborhood of a big city this poignant and universal story of friendship tells about two best pals who share everything together even making up after a quarrel Children will recognize their own relationships in the ebb and flow of Matthew and Tilly's friendship Booklist There can never be too many books about the importance of friendship and forgiveness especially when they are of this caliber Publisher's Weekly This modest story line swells with the visual excitement of Peck's paintings Their power lingers in the mind long after they have been seen School Library Journal Matthew and Tilly , **Matthew and Tilly** Developmental Studies Center Staff, 1995-12-01 Talking, Drawing, Writing Martha Horn, Mary Giacobbe, 2023-10-10 In the early grades talking and drawing can provide children with a natural pathway to writing yet these components are often overlooked In Talking Drawing Writing Lessons for Our Youngest Writers authors Martha Horn and Mary Ellen Giacobbe invite readers to join them in classrooms where they listen watch and talk with children then use what they learn to create lessons designed to meet children where they are and lead them into the world of writing The authors make a case for a broader definition of writing advocating for formal storytelling sessions in which children tell about what they know and for focused sketching sessions so that budding writers learn how to observe more carefully The book's lessons are organized by topic and include oral storytelling drawing writing words assessment introducing booklets and moving writers forward Based on the authors work in urban kindergarten and first grade classes the essence and structure of many of the lessons lend themselves to adaptation through fifth grade The lessons follow a consistent format What's going on in the classroom What do children need to learn next Materials needed to teach the lesson Language used in each lesson Reasons behind why certain books are chosen and suggestions for additional children's books The authors show the thinking behind their teaching decisions and provide a way to look at and assess children's writing giving us much more than a book of lessons they present a vision of what beginning writing can look and sound like Perhaps most powerfully they give us examples of the language they use with children that reveal a genuine respect for and trust in children as learners **Tilly's Gift** P. J. Day, 2024-11-11 The author P J Day his two brothers and two sisters grew up in the magical valley of Tesuque Tazookey located about five miles north of Santa Fe New Mexico One of the family pets was a little gray burro they had named Pedro who was less than a year old when he came to live with them While reminiscing about that marvelous childhood on Christmas Day 2001 the first book *A Burro's Tale* was conceived Some years after that the story continued in *Call of the Burro* followed by *The Burro's Colt* and now the fourth book in the series *Tilly's Gift* The setting for *Tilly's Gift* continues to be the Tesuque Valley Pedro Snowball and Jenny are the last three remaining burros from the original herd of working burros on the ranch The burros hard work and loyalty are responsible for the tremendous success of the ranch that the whole family enjoys today Tilly is Raphael and Mama's youngest grandchild and she is attempting to break free of childhood and into adolescence She has an eye for adventure and has been

granted an uncanny ability to gain an injured animal's trust so that she can protect them while she helps them heal. In Tilly's Gift you too may wonder if Tilly's healing skills have been limited to merely helping animals or when necessary has she also been blessed with a direct line of communication to Jesus Christ himself

Through the Haze Kelly Kieran Sampson, 2024-04-26 16 year old Tilly is a typical teenager She has loving parents gets good grades is on her way to the school volleyball championships and believes the worst part of her life is having to babysit her little brother now and then That was until her best friend ignores her her family seems to have forgotten she exists and an old friend who died a couple of weeks ago shows up at school and helps her realize she has been murdered And things are about to get worse Stuck on earth she discovers she is not the only victim of her killer there are four more teens She also discovers that her little brother can see and hear her The small group band together and set out to catch their killer but slowly figure out that catching a serial killer is the least of their problems Because of her her family is in danger from an entity larger than any of them could have imagined and if they cannot stop it it may take all their loved ones lives Through the Haze explores Tilly's concept of death as she journeys through the value of family and friendship sibling dynamics of love and loss and her self discovery
