The Christ's Faith Michael Allen,2011-11-03 The Christ s Faith coheres with orthodox Christology and Reformation soteriology and needs to be affirmed to properly confirm the true humanity of the incarnate Son Without addressing the interpretation of the Pauline phrase *pistis christou* this study offers a theological rationale for an exegetical possibility and enriches a dogmatic account of the humanity of the Christ The coherence of the Christ s faith is shown in two ways First the objection of Thomas Aquinas is refuted by demonstrating that faith is fitting for the incarnate Son Second a theological ontology is offered which affirms divine perfection and transcendence in qualitative fashion undergirding a Chalcedonian and Reformed Christology Thus the humanity of the Christ may be construed as a fallen human nature assumed by the person of the Word and sanctified by the Holy Spirit The dogmatic location of The Christ s Faith is sketched by suggesting its potential function within three influential theological systems Thomas Aquinas federal theology and Karl Barth Furthermore the soteriological role of the doctrine is demonstrated by showing the theological necessity of faith for valid obedience before God

Hedges,2017-12-08 With Jesus takes us on a tour through Jesus life to show us how we can find our place in the story of Christ Christianity is not a only a faith founded on facts but also a deeply personal experience of God s transforming grace in Christ While our hope is rooted in history the events of Jesus life death resurrection and ascension the Scriptures also teach that every believer is included in these events From the manger to the cross from the empty tomb to his glorious throne Jesus acted for us And the mystery and wonder of the gospel is that we are crucified buried raised and seated with him The story of Jesus rewrites our stories

Theologies of Language in English Renaissance Literature James S. Baumlin,2012-05-30 James S Baumlin s Theologies of Language in English Renaissance Literature offers a revisionist history of discourse taking Shakespeare Donne and Milton as its touchstones Their works mark stages in *dieEntzauberung* or disenchantment as Max Weber has termed it that is in the elimination of magic from the world Shakespeare s Hamlet questions the word magic associated with medieval Catholicism Donne s love lyrics ironize the sacramental gestures of their poetic priestly speakers more radical still Milton s major poems and polemical prose empty language of sacral power repudiating human persuasion entirely over matters of saving faith Baumlin describes four archetypes of historical rhetoric sophism skepticism incarnationism and transcendence Undergirding the age s competing theologies each makes unique assumptions regarding the powers of language both

communicative and performative the nature of being including transcendent being or deity the structure of the psyche whether sin weakened or self sufficient and the capacities of human knowing whether certain knowledge is communicable or even possible Working within divergent theologies of language the poets here studied take theological controversies as explicit themes The crisis of Hamlet begins not in a king's murder simply but in his dying without benefit of the sacraments As if compensating for their loss young Hamlet ministers to Gertrude while acting as scourge to Claudius Alternating between soul cursing and soul curing Hamlet plays sorcerer and priest indiscriminately Appropriating the speech acts of Catholic sacramentalism Donne's lyrics describe a private religion of Love over which the poet lover presides as officiant Or rather some lyrics present him as Love's Priest there being as many personae as there are theologies of language Beyond Love's Priest Baumlin describes three such personae Love's Apostate Love's Atheist and Love's Reformer Focusing on Lycidas and De Doctrina Christiana Baumlin outlines Milton's plerophoristic rhetoric of certitude Such texts as these explore the problematic status of preaching Can human eloquence contribute to salvation They explore competing definitions Aristotelian vs Pauline of pistis meaning alternatively religious faith and rhetorical persuasion And they invoke conflicting typologies classical vs Hebraic of authorial ethos Baumlin's study ends with a glance at the Restoration and Royal Society's final disenchantment or secularization of discourse **The Historical Reliability of the Gospels** Craig L.

Blomberg, 2014-05-06 For over twenty years Craig Blomberg's *The Historical Reliability of the Gospels* has provided a useful antidote to many of the toxic effects of skeptical criticism of the Gospels He offers an overview of the history of Gospel criticism Thoroughly updated edition with added footnotes and two new appendixes SCM Core Text: Theological Hermeneutics

Alexander Jensen, 2007-06-28 This book introduces theological hermeneutics by giving a historical account of the development of hermeneutical thinking It defines hermeneutics as the analysis of the obstacles to understanding The history of hermeneutical thinking and responses to obstacles is told here beginning with the allegorical interpretation of myths in Hellenism through to the contemporary view of the hermeneutical problem as universal Following the opening chapters on the history of hermeneutical thought the book presents an overview of the various contemporary hermeneutical schools of thought and shows their rootedness in different parts of the hermeneutical tradition The focus is clearly on biblical interpretation however it does also take account of developments outside the field of theology as they influence the theological reflection on the hermeneutical problem The questions raised and the possible answers suggested in this volume will be of interest to students of other disciplines such as philosophy and literature *SCM Core Text: Theological Hermeneutics*

Right With God D. A. Carson, 2002-09-10 Right with God is a study of what the Bible has to say about justification along with reflections as to how this teaching ought to work out in a variety of contexts around the world In addition to the essays on particular parts of the Bible Paul Matthew Luke Acts John James the book includes an essay assessing recent thought on justification and another attempting to put together a synthesis of biblical perspectives on this important theme One chapter relates justification and personal Christian living another weighs the relationship between justification and social justice yet another evaluates the treatment of justification in Roman Catholicism and in various interfaith dialogues For some readers however the most innovative chapters will be those discussing the relevance of the Christian doctrine of justification by faith in Hindu Islamic and Buddhist contexts The contributors have been drawn from evangelical communities around the world

A Case for Mixed-audience with Reference to the Warning Passages in the Book of Hebrews C. Adrian Thomas, 2008 A Case for Mixed Audience with Reference to the Warning Passages in the Book of Hebrews discusses the nature of the warnings in Hebrews and how these warnings relate to the theological question of the eternal security of believers The main argument is that these warnings are intended to target a particular segment of the author's community about whose appropriation of and subsequent attitude toward the Christian message he was deeply concerned That is to say while the book of Hebrews is addressed as a message of encouragement to the community as a whole its warnings are aimed at a certain element in the community whose salvation is threatened by a possible dangerous course of action The book implies that while the author is persuaded that the majority in the community are genuine believers there are some about whose salvation he doubts hence the case for a mixed audience What is threatened therefore is not a salvation already possessed but the salvation of those in danger of coming up short Theologically the work falls within the sphere of the Calvinistic Arminian debate regarding the assurance of salvation and the perseverance of the saints It argues strongly for the Calvinistic position but does so within the confines of the discipline of biblical studies and lends extensive exegetical support to the Calvinistic position on the warning passages The book is highly recommended for Bible College and seminary students and professors as well as pastors and lay leaders who must give answers to their parishioners on those tough warning passages in

The Nursery of the Holy Spirit Daniel R. Hyde, 2014-07-30 Public worship is the nursery of the Holy Spirit As you enter the sanctuary you notice them at once Then as you take your seat next to a family they are right there beside you Throughout the ensuing service you see them and hear them The presence of children in public worship is not only striking but also increasingly strange in modern American church life In fact the idea of your children sitting or standing next to you during prayer singing or the pastor's sermon can be downright scary This book is based in the conviction that public worship is the nursery of the Holy Spirit and that bringing children in is both beneficial and a blessing The Nursery of the Holy Spirit offers practical advice on how to make this ideal a reality in your children's lives

Calvinism and the Arts Christopher Richard Joby, 2007 It is often thought that the French Reformer John Calvin 1509-1564 had a negative attitude towards the arts particularly visual art However in Calvinism and the Arts A Reassessment Dr Joby argues that in Calvin's writings and in the development of the Reformed tradition more generally it is possible to discern a more positive attitude than has hitherto been recognized He makes a start by examining exactly what type of visual art Calvin rejected and what type he affirmed He goes on to consider how Calvin's epistemology and eschatology can be used to argue for the placing of certain types of art notably histories and landscape paintings within Reformed churches and then devotes separate chapters to reflecting on how music architecture and church decoration within the Reformed tradition provide further arguments for the use of these works of art In the final section he looks at specific histories and landscapes from the Dutch Golden Age and considers how the form and content of both of these types of art provide us with further ontological and epistemological arguments which inevitably lead to the conclusion that their continued exclusion from Reformed churches is no longer tenable

Font of Pardon and New Life Lyle D. Bierma, 2021-06-15 Font of Pardon and New Life is a study of the historical development and impact of John Calvin's doctrine of baptism both adult or believer baptism and infant baptism Did Calvin intend to teach a kind of baptismal forgiveness and regeneration that is did he believe that the external sign of baptism actually conveys the spiritual realities it signifies If baptism does serve in some way as an instrument of divine grace for Calvin what then are the roles of the Word the Holy Spirit divine election and individual faith Are spiritual blessings conferred only in adult believer baptism or also in the baptism of infants Did Calvin's teaching on baptismal efficacy remain constant throughout his lifetime or did it undergo significant change What impact did it have on the Reformed confessional tradition that followed him Lyle D Bierma approaches these questions by examining Calvin's writings on baptism in their entirety proceeding chronologically through Calvin's life and writings including his Institutes commentaries on the Bible catechisms polemical treatises and consensus documents Bierma concludes that Calvin understood baptism as a means or instrument of both assurance and grace His view underwent some change and development over the course of his life but not to the extent that some in the past have

suggested The overall trajectory of his baptismal theology was one of increasing clarity and refinement of basic themes already present in incipient form in the Institutes of 1536 The Beatitudes through the Ages Rebekah Eklund, 2021-04-27

The Beatitudes are among the most influential teachings in human history For two millennia they have appeared in poetry and politics and in the thought of mystics and activists as Christians and others have reflected on their meaning and shaped their lives according to the Beatitudes wisdom But what does it mean to be hungry or meek or pure in heart Is poverty a material condition or a spiritual one And what does being blessed entail In this book Rebekah Eklund explores how the Beatitudes have affected readers across differing eras and contexts From Matthew and Luke in the first century to Martin Luther King Jr and Billy Graham in the twentieth Eklund considers how men and women have understood and applied the Beatitudes to their own lives through the ages Reading in the company of past readers helps us see how rich and multifaceted the Beatitudes truly are illuminating what they might mean for us today
