Haddox, 2011 The metaphors in Hosea are rich and varied comprising both gendered and non gendered image fields This book examines the use of metaphor in Hosea through

the lens of masculinity studies which provides a means to elucidate connections between the images and to analyze their cumulative rhetorical effect The rhetoric of both the gendered and non gendered imagery is analyzed using a model from cognitive anthropology which divides social space along three axes activity potency and goodness People use metaphors to position and to move one another within this space These axes reveal how the metaphors in Hosea rhetorically relate the audience represented by Ephraim Israel and YHWH to a particular construction of masculinity Hosea uses the imagery of Assyrian treaty curses to reinforce YHWH's masculinity and dominance while undermining the masculinity of the audience The rhetoric of the text attempts to bring the audience into an appropriately subordinate position with respect to YHWH and

to shape its members actions and attitudes accordingly **The Masculinity Conspiracy** Joseph Gelfer,2011-08-14 What if the biggest conspiracy in human history had gone completely unnoticed What if that conspiracy was responsible for some of the biggest problems the world faces today Wouldn t you want to know Wouldn t you want to do something about it Well guess what You can The Masculinity Conspiracy argues that nearly every assumption about masculinity in contemporary society is wrong The result is nothing short of exposing a worldwide conspiracy that has been preventing humanity from reaching its fullest potential Masculinity, Media, and the American Presidency Meredith Conroy,2016-04-08 This book analyzes the way media describe presidential candidates character and the degree to which this discourse maintains a preference for masculinity in our politics using content analysis of major print new media outlets Routledge International Handbook of Masculinity Studies Lucas Gottzén,Ulf Mellström,Tamara Shefer,2019-11-20 The Routledge International Handbook of Masculinity Studies provides a contemporary critical and scholarly overview of theorizing and research on masculinities as well as emerging ideas and areas of study that are likely to shape research and understanding of gender and men in the future The forty eight chapters of the handbook take an interdisciplinary approach to a range of topics on men and masculinities related to identity sex sexuality culture aesthetics technology and pressing social issues The handbook s transnational lens acknowledges both the localities and global character of masculinity A clear message in the book is the need for intersectional theorizing in dialogue with feminist queer and sexuality studies in making sense of men and masculinities Written in a clear and direct style the handbook will appeal to students teachers and researchers in the social sciences and humanities as well as professionals practitioners and activists *The ^AOxford Handbook of the Minor Prophets* Julia M. Exclusion & Embrace Miroslav Volf, 2010-03-01 Life at the end of the twentieth century presents us with a disturbing reality Otherness the simple fact of being different in some way has come to be defined as in and of itself evil Miroslav Volf contends that if the healing word of the gospel is to be heard today Christian theology must find ways of speaking that address the hatred of the other Reaching back to the New Testament metaphor of salvation as reconciliation Volf proposes the idea of embrace as a theological response to the problem of exclusion Increasingly we see that exclusion has become the primary sin skewing our perceptions of reality and causing us to react out of fear and anger to all those who are not within our ever narrowing circle In light of this Christians must learn that salvation comes not only as we are reconciled to God and not only as we learn to live with one another but as we take the dangerous and costly step of opening ourselves to the other of enfolding him or her in the same embrace with which we have been enfolded by God **Gender and Entrepreneurship**
