

Methodists in Dialog

Geoffrey Wainwright

Methodists In Dialogue

Dirkie Smit

Methodists In Dialogue:

Methodists in Dialogue Geoffrey Wainwright, 1995 This book illustrates the characteristic contribution of Methodism to ecumenical dialogue the combination of doctrinal responsibility spiritual engagement missionary orientation and the glorification of the Trinitarian God and ends with a plea that in the face of contemporary challenges Methodists will be Wesleyan enough to keep walking with historic Christianity The book includes dialogue between Methodism and Roman Catholicism Lutheranism the Reformed Church Orthodoxy ecumenism and several multilateral movements

Methodist-Catholic Dialogues ,2001 Articulates the vision that binds Methodists and Catholics together and the many achievements to date Published jointly by USCCB Publishing and the General Commission on Christian Unity and Interreligious Concerns *Dialogues* William J. Abraham, 2014-07-16 All sides agree that the United Methodist Church is at a crisis point Disputes that have persisted like a low grade fever across decades have intensified to a point where the entire body is now under threat and the worried glances in the direction of the medicine cabinet suggest that it may be out of Band Aids This series of dialogues seeks to capture something of the positions of those who have shaped the debates that have brought the church to the brink as well as something of their character and personality It is these broad types that ultimately will go a long way to determining how the current crisis gets resolved Recent dramatic developments in the United Methodist Church have centered on the refusal by some elders and bishops not just to disregard church law but to challenge it and nullify its effects Many are now convinced that it is time to look separation in the eye others see this as a catastrophe to be avoided at any price and yet others still are convinced that allowing for a local option will save the day Folk at all levels disagree on what the crisis is how to understand its causes and on how to solve it By deploying the genre of dialogues the author sets out to provide a realistic and nuanced account of the chief actors involved and their respective positions The interchange is frank focused and forthright The result is a refreshing airing of the issues in a rigorous and witty exchange of views It is indispensable reading for all who care about the future of The United Methodist Church **The Roman Catholic and Methodist Churches in Dialogue** Emmanuel Asante, 1998 **The Oxford Handbook of Methodist Studies** William J. Abraham, James E. Kirby, 2009-09-25 With the decision to provide of a scholarly edition of the Works of John Wesley in the 1950s Methodist Studies emerged as a fresh academic venture Building on the foundation laid by Frank Baker Albert Outler and other pioneers of the discipline this handbook provides an overview of the best current scholarship in the field The forty two included essays are representative of the voices of a new generation of international scholars summarising and expanding on topical research and considering where their work may lead Methodist Studies in the future Thematically ordered the handbook provides new insights into the founders history structures and theology of Methodism and into ongoing developments in the practice and experience of the contemporary movement Key themes explored include worship forms mission ecumenism and engagement with contemporary ethical and political debate *The Oxford Handbook of*

Ecumenical Studies Geoffrey Wainwright, Paul McPartlan, 2021 Provides a rich source of information and reflection on many aspects of ecumenism from 50 expert contributors of many nationalities and traditions Offers a global perspective showing how ecumenism is a feature of the Church in all parts of the world with different geographical areas specifically considered in chapters focusing on Europe the Middle East Africa Asia and more Offers an invaluable guide to one of the most important Christian activities of today work for unity and reconciliation within the Church itself and as a witness in the world at large

Book jacket **The Oxford Methodists** Luke Tyerman, 1873 *Koinonia and the Quest for an Ecumenical Ecclesiology* Lorelei F. Fuchs, 2008 The word koinonia has gained prominence in recent ecumenical discussions In this original and substantial work Lorelei Fuchs proposes the theological idea of koinonia commonly translated as communion or fellowship as the key to moving fractured churches toward a future unity Fuchs challenges churches to move beyond mere dialogue and to apply ecumenical insights at the local level She begins by relating the exegetical meaning of koinonia to its ecumenical meaning tracing the place of koinonia both within the churches and between the churches She then examines the concept of koinonia in the extensive and fruitful dialogues that have taken place between Lutherans Anglicans and Roman Catholics finally articulating a symbolic competence for communality that provides a rich and workable way forward for church unity at all levels Encompassing the latest in ecumenical thought *Koinonia and the Quest for an Ecumenical Ecclesiology* provides a broad thoughtful framework for realizing Christ's prayer that all may be one so that the world may believe **My Ecumenical Journey** Bishop Michael Putney, 2014-03-20 This book is a collection of essays by the Australian Roman Catholic Bishop Michael Putney on the topic of ecumenism The essays date from 1991 through to 2009 and are taken from papers and articles that he has written The book's introduction outlines Bishop Michael's involvement in ecumenical affairs from his early seminary days his participation in local ecumenical dialogue and initiatives right through to as a Bishop in his international involvement with bodies such as the World Council of Churches and later as a bishop with bodies such as the World Council of Churches and in as a member of the Vatican's Pontifical Council for Promoting Christian Unity The book has chapters on relations with the Anglican Communion the Lutheran Church and the Methodist Churches as well as the Jewish faith It also examines some key themes and issues in ecumenism the papacy baptism and justification The book includes a Foreword written by theological friend and colleague from the International Methodist Roman Catholic dialogue the Revd Geoffrey Wainwright of Duke University USA *Reformed and Methodists in Dialogue*, 1988 **Nonconformist Theology in the Twentieth Century** Alan P.F. Sell, 2012-09-17 This book is the first comprehensive study of the systematic doctrinal and constructive theology produced within the major Nonconformist traditions during the twentieth century By the end of the nineteenth century modern biblical critical methods were fairly widely adopted evolutionary thought was in the air and doctrinal modifications especially concerning the fatherhood of God were underway Sell charts the influence on Nonconformist thinking in the twentieth century of the New Theology associated with R.J. Campbell the First World War the

reception of Karl Barth the theological excitement of the 1960s and growing religious pluralism The second lecture concerns the major Christian doctrines of God Christ the Holy Spirit and the Trinity Whereas in the early decades of the century there was considerable emphasis upon the atonement during the concluding two decades the Trinity received more attention than had formerly been the case In Lecture Three attention is directed to ecclesiological and ecumenical themes The Nonconformists are presented as Protestant and as displaying some zeal in propagating their particular understanding of the Church The doctrinal aspects of their national and international moves toward inner family unity and of their broader ecumenical relationships are considered Eschatology is treated in the concluding lecture prior to Sell s assessment of the significance of twentieth century Nonconformist theology and his observations regarding its current state its future content and its practitioners

Methodist Morals Darryl W. Stephens, 2024-01-12 Methodist Morals offers keen insight into the public church interpreting the United Methodist Social Principles as a dynamic discourse about morality and human rights in light of faith Revised every four years by the General Conference of the United Methodist Church the Social Principles exposes the moral deliberations of this distinctly American and increasingly worldwide church as it struggles to achieve community across multiple languages and cultures Perhaps no other document provides as rich a depiction of Protestants participating in the moral argument of public life This is the first full length study of Methodist social teachings in over fifty years Examining official Methodist teachings from institutional historical and cross cultural perspectives Darryl Stephens provides a rich analysis of this case study of Protestant social witness drawing on his expertise in church polity Methodist history and Christian social ethics A wide range of comparisons with documents of the United Nations with moral debate in Germany and Zimbabwe and with historical Methodist statements of social witness shows the Social Principles to be a unique form of social witness The issues of war abortion human sexuality and marriage illustrate the messiness of democratic deliberation in an ecclesial context and the evolution of a people ever concerned with the sin of worldliness even as they become more attuned to transforming social structures Stephens also contrasts this conception of the public church with the ecclesiologies of prominent Methodist ethicists Stanley Hauerwas and Paul Ramsey Intended for students of Methodism ecumenical church leaders and scholars of Christian social ethics and contemporary US mainline religion this work reveals the challenges to and possibilities for achieving moral community in an increasingly global and diverse world DARRYL W STEPHENS director of United Methodist studies at Lancaster Theological Seminary is former assistant general secretary for advocacy and sexual ethics in the UMC s General Commission on the Status and Role of Women He is the coeditor of Professional Sexual Ethics A Holistic Ministry Approach

The Ashgate Research Companion to World Methodism William Gibson, Peter Forsaith, Martin Wellings, 2016-03-23 As a religious and social phenomenon Methodism engages with a number of disciplines including history sociology gender studies and theology Methodist energy and vitality have intrigued and continue to fascinate scholars This Companion brings together a team of respected international scholars writing on key

themes in World Methodism to produce an authoritative and state of the art review of current scholarship mapping the territory for future research Leading scholars examine a range of themes including the origins and genesis of Methodism the role and significance of John Wesley Methodism s emergence within the international and transatlantic evangelical revival of the Eighteenth Century the evolution and growth of Methodism as a separate denomination in Britain its expansion and influence in the early years of the United States of America Methodists roles in a range of philanthropic and social movements including the abolition of slavery education and temperance the character of Methodism as both conservative and radical its growth in other cultures and societies the role of women as leaders in Methodism both acknowledged and resisted the worldwide spread of Methodism and its enculturation in America Asia and Africa the development of distinctive Methodist theologies in the last three centuries its role as a progenitor of the Holiness and Pentecostal movements and the engagement of Methodists with other denominations and faiths across the world This major companion presents an invaluable resource for scholars worldwide particularly those in the UK North America Asia and Latin America

The Practice of Mission in Global Methodism David W. Scott, Darryl W. Stephens, 2021-04-19 This book brings together Methodist scholars and reflective practitioners from around the world to consider how emerging practices of mission and evangelism shape contemporary theologies of mission Engaging contemporary issues including migration nationalism climate change postcolonial contexts and the growth of the Methodist church in the Global South this book examines multiple forms of mission including evangelism education health and ministries of compassion A global group of contributors discusses mission as no longer primarily a Western activity but an enterprise of the entire church throughout the world This volume will be of interest to researchers studying missiology evangelism global Christianity and Methodism and to students of Methodism and mission

The Oxford Handbook of Sacramental Theology Hans Boersma, Matthew Levering, 2015-08-06 As a multi faceted introduction to sacramental theology the purposes of this Handbook are threefold historical ecumenical and missional The forty four chapters are organized into the following parts five parts Sacramental Roots in Scripture Patristic Sacramental Theology Medieval Sacramental Theology From the Reformation through Today and Philosophical and Theological Issues in Sacramental Doctrine Contributors to this Handbook explain the diverse ways that believers have construed the sacraments both in inspired Scripture and in the history of the Church s practice In Scripture and the early Church Orthodox Protestants and Catholics all find evidence that the first Christian communities celebrated and taught about the sacraments in a manner that Orthodox Protestants and Catholics today affirm as the foundation of their own faith and practice Thus for those who want to understand what has been taught about the sacraments in Scripture and across the generations by the major thinkers of the various Christian traditions this Handbook provides an introduction As the divisions in Christian sacramental understanding and practice are certainly evident in this Handbook it is not thereby without ecumenical and missional value This book evidences that the story of the Christian sacraments is despite divisions in

interpretation and practice one of tremendous hope

Remembering Theologians - Doing Theology Dirkie

Smit,2013-10-01 Theology for me has always been about friendship whether with students postgraduate students colleagues ministers ecumenical believers from different traditions theologians from abroad or simply books and publications articles and sources This volume is a witness to some of these friends and some of these conversation partners dead and alive near and far like minded or from totally different backgrounds and persuasions I have met over several decades and with whom I have been privileged to engage doing theology Dirk J Smit

An Introduction to World Methodism Kenneth

Cracknell,Susan J. White,2005-05-05 The world Methodist community now numbers over 75 million people in more than 130 countries The story of Methodism is fascinating and multi faceted because there are so many distinct traditions within it some stemming directly from Britain and some arising in the United States In this book the authors address the issue of what holds all Methodists together and examine the strengths and diversity of an influential major form of Christian life and witness They look at the ways in which Methodism has become established throughout the world examining historical and theological developments and patterns of worship and spirituality in their various cultural contexts The book reflects both the lasting contributions of John and Charles Wesley and the on going contribution of Methodism to the ecumenical movement and inter religious relations It offers both analysis and abundant resources for further study

God's Love Through the Spirit Kenneth Loyer,2014

Although the doctrine of the Holy Spirit has often been a neglected subject in theology it remains vital for understanding both the Christian confession of God as Trinity and the nature of the Christian life In view of those two topics God s Love through the Spirit examines the relationship between love and the person and work of the Holy Spirit in Thomas Aquinas and John Wesley two very different figures whose teachings on the Spirit and the Christian life are found to be on the whole surprisingly compatible An investigation into Aquinas s amor based pneumatology including a groundbreaking analysis of his recently discovered Pentecost sermon and a fresh assessment of the doctrine of sanctification in Wesley show that in distinctive yet largely complementary ways Aquinas and Wesley provide resources that can be used to reclaim a richer pneumatology specifically in relation to the theological virtue of love

One Body in Christ Owen F.

Cummings,2015-01-14 Many feel that work for Christian unity or ecumenism is not especially urgent or important in the complexities of our contemporary world So many different issues demand the attention of committed Christians for example responding to global crises in which people are suffering developing strong moral stands on a variety of moral problems and challenges etc Such issues must remain of major importance to Christians However Christians form the one Body of Christ If that Body continues to remain divided and fragmented lacking in unity concord and harmony then Christian witness will be singularly diminished This book attempts to demonstrate the importance of Christian unity ecumenism by looking at important contributions of individual theologians and important texts events mainly of the twentieth century The use of this book may help theologians and pastors urge forward the practice of ecumenism so that in God s time divided Christians may

all be one Building Unity Joseph A. Burgess, Jeffrey Gros, 1989 The most complete compendium of ecumenical documents produced in the United States including conciliar and bilateral dialogues in which Roman Catholics have participated
