Justice Have Been Served Janice Terrell Coleman, 2018-02-01 I have been living in silence with pain for 14 years Never could understand why I was treated so unfair and unjust in the court of law after the murder of my son My experience in the court system have left me staggering I have lost my faith in the justice system I am just a nobody trying to tell somebody about the way I was treated in the court of law by high powerful people who you would look up to for Justice To Be Served I think my story will make a great spiritual movie I think my story will inspire and give so much of inspiration to someone in need for someone to hear their silent cry in their voice I think my story will make a great true crime movie along with how to get away with murder why the truth did not set me free Episodes of a soap opera I am a fan of the Young and Restless Black on black crimes and murders A six month job a six month resident and a short term relationship that ended in a DNA testing landed me in a court room a court room where I felt discrimination I was misled deceived and the presence of court house scam was there Creditably and morale values meant nothing in that court of law I was in So here I am speaking out and pray that I touch someone to help me bring my story back into the light with life once again A dream I can feel about to come to reality Oh yes my Jesus is getting me ready to say Justice Have Been Served
