Nigeria Dilemma Of Nationhood An African Analysis Of The Biafran Conflict:

Nigeria: dilemma of nationhood: an African analysis of the Biafran conflict Joseph Ohiomogben Okpaku, 1974

Nigeria, Dilemma of Nationhood Joseph Okpaku, 1974 **The Nigeria-Biafra War , Nigeria** , 1974 *The Asaba Massacre* S. Elizabeth Bird, Fraser M. Ottanelli, 2017-07-31 An interdisciplinary study of the Asaba massacre re-examining Nigerian history and enriching the understanding of post conflict trauma and memory construction **A History of Nigeria** Toyin Falola, Matthew M. Heaton, 2008-04-24 Nigeria is Africa's most populous country and the world's eighth largest oil producer but its success has been undermined in recent decades by ethnic and religious conflict political instability rampant official corruption and an ailing economy Toyin Falola a leading historian intimately acquainted with the region and Matthew Heaton who has worked extensively on African science and culture combine their expertise to explain the context to Nigeria's recent troubles through an exploration of its pre colonial and colonial past and its journey from independence to statehood By examining key themes such as colonialism religion slavery nationalism and the economy the authors show how Nigeria's history has been swayed by the vicissitudes of the world around it and how Nigerians have adapted to meet these challenges This book offers a unique portrayal of a resilient people living in a country with immense but unrealized potential A History of the Republic of Biafra Samuel Fury Childs Daly, 2020-08-27 The Republic of Biafra lasted for less than three years but the war over its secession would contort Nigeria for decades to come Samuel Fury Childs Daly examines the history of the Nigerian Civil War and its aftermath from an uncommon vantage point the courtroom Wartime Biafra was glutted with firearms wracked by famine and administered by a government that buckled under the weight of the conflict In these dangerous conditions many people survived by engaging in fraud extortion and armed violence When the fighting ended in 1970 these survival tactics endured even though Biafra itself disappeared from the map Based on research using an original archive of legal records and oral histories Daly catalogues how people navigated conditions of extreme hardship on the war front and shows how the conditions of the Nigerian Civil War paved the way for the country's long experience of crime that was to follow Between Ethics and Politics: Lessons from Biafra Tobe Nnamani, 2016-06-08 Although many years have elapsed since the demise of Biafra it still remains an intractable unfinished business that seriously threatens the corporate existence of Nigeria Most of the literature on Biafra tended to dwell more on the historical and political analysis of the war and how the factors that engendered it could be tackled It appears however that no ethical analysis of the issues involved in the Biafran war has been carried out in any significant academic endeavour hence the reason and need for a critical analytical survey of the ethical and political implications of the role of the world community in the unprecedented events that took place in Biafra The purpose of this book is first to understand the twist and turns of the events and issues involved in the Biafran crisis and the role the international community played in the war Second is to articulate the complex nature of humanitarian intervention and to stress the relevance of ethics its interpenetration and

tandem relationship with international relations on a broader level and in particular humanitarian intervention as a foreign policy action The main claim of our argument is that ethics is part and parcel of international relations Divorcing ethics from international relations leads to amorality that threatens the world order In other words it is argued that ethical considerations should guide international affairs and the undertaking of humanitarian intervention Behind this basic thesis the book defends the idea of a global ethic Global ethic means an ethic which acknowledges respect for human life and the interconnectedness and interdependence of all human beings It is an ethic which transcends the circumscribed confines of national boundaries and economic and geopolitical interests and opens them up to the larger urgent need well being peaceful coexistence and sustainability of the larger world community Tobe Nnamani

The Politics of Post-War Demobilisation and Reintegration in Nigeria Olukunle Ojeleye, 2016-02-24 With an increasing international interest in post civil war demobilisation and reintegration especially in Africa Ojeleye presents a well timed body of knowledge on the Nigerian civil war Moreover this book provides an in depth study of the modalities and processes of the demobilisation and reintegration exercises carried out at the end of the Nigerian civil war and assesses their implications for national politics in the West African nation The author identifies the political socio economic and cultural background to the Nigerian civil war and discusses the central theme of demobilisation disarmament and reintegration DDR in Nigeria against the backdrop of the policy of the country s post war reconstruction reconciliation and rehabilitation exercise the 3Rs Though the central theme is Nigeria it compares the demobilisation and reintegration exercise in Nigeria with other attempts in Sub Sahara Africa by highlighting the important deviations and drawing some conclusions on the Nigerian experience It also touches on issues relating to international involvement and intervention in civil wars and the roles of the African Union the Commonwealth of Nations and the United Nations

Nigeria ,1972 The Political Philosophy of Chief Obafemi Awolowo Olayiwola Abegunrin, 2015-09-10 This book examines the political and economic philosophy of Chief Jeremiah Oyeniyi Obafemi Awolowo and his concepts of democratic socialism Liberal Democratic Socialism It studies how Chief Awolowo and his political parties first the Action Group AG 1951 1966 and later the Unity Party of Nigeria UPN 1978 1983 acted in various Nigerian political settings Chief Awolowo was a principled man who by a Spartan self discipline and understanding of himself his accomplishments failures and successes was a fearless leader He has set an example of leadership for a new generation of Nigerian politicians He was not only a brilliant politician but a highly cerebral thinker statesman dedicated manager brilliant political economist a Social Democrat and a committed federalist From all accounts Chief Awolowo knew the worst and the best laughter and sorrow vilification and veneration tribulations and triumphs poverty and prosperity failures and successes in life

Visions of African Unity Matteo Grilli, Frank Gerits, 2021-02-09 This collection of essays analyzes different iterations of African unity exploring the political and cultural visions that informed projects aimed at African unification It explores the cultural economic and non state aspects of the Organisation of African Unity OAU as the principal institution

dedicated to the cooperation of African states from its establishment in 1963 to its transformation into the African Union AU in 2000 as well as how ideas of African unity shaped the Cold War and African liberation struggles Bringing together contributors from a diverse range of disciplinary backgrounds across Africa Europe and the US this book investigates the ideological origins and historiography of Pan African and unification projects and considers how African intellectuals leaders and populations engaged with these ideas *Surviving Biafra* S. Elizabeth Bird, Rosina Umelo, 2018 A remarkable ordinary person's story that captures the day to day reality of life during the bloody conflict that divided Nigeria in the late 1960s ,

Historical Dictionary of Nigeria Toyin Falola, Ann Genova, 2009-07-01 Since independence in 1960 Nigeria has undergone tremendous change shaped by political instability rapid population growth and economic turbulence The Historical Dictionary of Nigeria introduces Nigeria's rich and complex history Readers will find a wealth of information on important contemporary issues like AIDS human rights petroleum and faith based conflict *Violence in Nigeria* Toyin Falola, 1998 *Violence in Nigeria* is the most comprehensive study of religious violence and aggression in Nigeria notably its causes consequences and the options for conflict resolution After an analysis of the links between religion and politics the book elaborates on all the major cases of violence in the 1980s and 90s including the Maitatsine Kano Bauchi Kaduna and Katsina riots Zones of religious tensions are identified as well as general characteristics of violence in Nigeria and issues in inter and intra religious relations religious organizations and the states and the main actors in the conflicts are explored in great detail A product of extensive primary research *Violence in Nigeria* makes a contribution to contemporary social and political history that no previous study has attempted and it is written to appeal to specialists and non specialists alike *American Policy and African Famine* Joseph E. Thompson, 1990-04-17 In the summer of 1968 as killing and starvation escalated in Biafra in a war that used famine as a weapon the West African conflict attracted media attention and U S officials felt strong domestic pressure to expand American involvement in Nigeria's civil war The official U S policy of neutrality eventually encompassed an activist policy of humanitarian assistance for Biafra Joseph E Thompson's comprehensive study describes the events and decisions that led to increased American involvement in the Nigeria Biafra War of 1966 1970 a complex period during which the U S was attempting to extricate itself from involvement in Vietnam Professor Thompson provides a thorough examination of both the domestic and international pressures that resulted in dichotomous U S policies and analyzes the reasons for their longevity The volume's contribution to an understanding of U S policy formation is important because the U S is the major respondent to international famine one of the most serious contemporary problems of the developing world An introductory essay surveys the Nigerian political system and military coups of 1966 and details initial U S responses to these violent changes An Epilogue scrutinizes the increased U S public and private relief for Biafra and compares it to the present African famine situation The first three chapters consider the contrasting perceptions of Nigeria transmitted to Washington detail both internal and external disruptions caused by Nigerian military activity and review attempts to resolve the fratricidal

conflict Evolving U S policy the role of church relief groups on governmental technological and logistical obstacles and bureaucratic roadblocks inherent in the structures of both government and humanitarian groups are explored in the next three chapters Chapter 7 zeroes in on U S diplomatic efforts to skirt humanitarian issues and Chapter 8 assesses U S difficulties in following a course of political non involvement in Nigeria while supplying humanitarian relief to Biafra Fifteen valuable tables and figures and 5 maps complete this distinguished contribution to African Studies literature Princeton Alumni Weekly ,1972

The Treatment of Combatants and Insurgents Under the Law of Armed Conflict Emily Crawford,2010-01-14 This book looks at why international law continues to make the legal distinction between persons who participate in an international or an internal armed conflict and drawing on considerable legal precedent legal theory and the situation in Guantanamo Bay it argues that it is time for the law of armed conflict to be applied more uniformly **Western Education and Political Domination in Africa** Magnus O. Bassey,1999-10-30 The contribution of Western education to the creation of an African educated elite is well documented What is not equally well documented is the fact that African educated elites have used their education and the schools to perpetuate their dominance by denying the poor the knowledge necessary to protect their political and economic rights and to advance in society On the other hand educated elites in Africa make opportunities available to their own members through selective ordering legitimization of certain language forms and learning processes in schools and legitimization of elite codes and experiences to the exclusion of the histories experiences and worldviews of the poor This book highlights the processes by which the poor in Africa have been disenfranchised and marginalized through schools ascriptive mechanisms and explains why African economic development is very slow
