

Twas the night before Christmas,
when all through the house
Not a creature was stirring,
not even a mouse.

The stockings were hung
by the chimney with care,
in hopes that St. Nicholas
soon would be there.

His eyes—how they twinkled!
His dingles, how merry!
His cheeks were like roses,
his nose like a cherry!

But I heard him exclaim,
as he drove out of sight,
"HAPPY CHRISTMAS TO ALL,
AND TO ALL A GOOD NIGHT!"

The Night Before Christmas Joyce Sullivan,2012-07-16 Twas the Night Before Christmas and Ian Harris was returning home to a mystery His beloved aunt had disappeared and his beautiful boarder Laurel Bishop claimed no knowledge But the seductive single mother wasn't as innocent as she'd have him believe Two Christmas Eves ago her husband had been murdered and she'd been arrested for the crime The lovely lady had a lot to explain and even more to hide While Ian's body told him one thing his mind knew better Laurel was trouble But when he watched her with her little daughter or felt her melt in his arms all he wanted for Christmas was to believe in her

Sharing Christmas David Alan Hoag,2014-12-23 This is a collection of my original Christmas themed writings Christmas songs Christmas cards and Christmas themed poetry that I have created over the years I started out with simple notes that I enclosed in commercial Christmas cards to my closest friends Eventually it evolved over the years into self designed cards which became very popular The cards were printed in such a way so as to produce a Christmas card after two successive folds of the paper For the most part there was usually a picture or graphic on the front and my song or poem in the middle with a blessing

Santa Claus Gerry Bowler,2011-07-27 An entertaining often surprising look at the life of the world's most influential fictional character He is the embodiment of charity and generosity a creation of mythology a tool of clever capitalists The very idea of him is enduring and powerful Santa Claus was born in early nineteenth century America but his family tree goes back seven hundred years to Saint Nicholas patron saint of children Intervening generations were shaggy

and strange whip wielding menaces to naughty boys and girls Yet as the raucous outdoor alcohol fuelled holiday gave way to a more domestic sentimental model a new kind of gift bringer was called for a loveable elf still judgmental but far less threatening In this engaging social and cultural history Gerry Bowler examines the place of Santa Claus in history literature advertising and art He traces his metamorphosis from a beardless youth into a red suited peddler He reveals the lesser known aspects of the gift bringer s life Santa s involvement with social and political causes of all stripes he enlisted on the Union side in the American Civil War his starring role in the movies and as adman for gun makers and insurance companies And he demolishes the myths surrounding Santa Claus and Coca Cola Santa Claus A Biography will stand as the classic work on the long lived and multifarious Mr Claus
