Plutarch's Prism Rebecca Kingston, 2022-09-29 Throughout the early modern period political theorists in France and England drew on the works of Plutarch to offer advice to kings and princes Elizabeth I herself translated Plutarch in her later years while Jacques Amyot's famous translations of Plutarch's The Parallel Lives led to the wide distribution of his work and served as a key resource for Shakespeare in the writing of his Roman plays through Sir Thomas North's English translations Rebecca Kingston's new study explores how Plutarch was translated into French and English during the Renaissance and how his works were invoked in political argument from the early modern period into the 18th century contributing to a tradition she calls public humanism This book then traces the shifting uses of Plutarch in the Enlightenment leading to the decline of this tradition of public humanism Throughout the importance of Plutarch's work is highlighted as a key cultural reference and for its insight into important aspects of public service

[The Prism and the Rainbow](#) Joel W. Martin, 2010-06-01 God or Darwin It is one of the most contentious conflicts of our time It is also completely unnecessary according to Joel W Martin an evolutionary biologist and ordained elder in the Presbyterian Church USA In this slim but powerful book Martin argues that it is not contradictory to be a practicing faithful Christian who accepts the science of evolution Martin finds that much of the controversy in the United States over evolution is manufactured and predicated on a complete and sometimes willful misapprehension of basic science Science and religion he says serve different purposes and each seeks to answer questions that the other need never address He believes that many of the polarizing debates about evolution distract from the deeper lessons of Christianity and that literal fundamentalist readings of the Bible require the faithful to reject not just evolution but many of science's greatest discoveries Just as the scientific explanation of rainbows is not meant to refute the biblical rainbow story of God's promise evolutionary theory is not a ploy to disavow the divine Indeed

Martin shows that the majority of Christians worldwide accept the theory of evolution He urges his fellow Christians to refuse to participate in the intellectually stifling debate over evolution and creationism intelligent design *Understanding*

Schopenhauer through the Prism of Indian Culture Arati Barua, Michael Gerhard, Matthias Koßler, 2012-12-06 Arthur Schopenhauer was the first Western thinker who incorporated thoughts of the Upanishads in his own philosophy His appreciation for Indian philosophy and culture is quite well known Presently serious research work is going on in different disciplines in different academic institutions and universities in the West to examine the influence of Indian philosophy and culture in the philosophical thinking of Germany particularly in relation to Arthur Schopenhauer and vice versa This book provides a common platform for interaction to the scholars from East and West to express their views on the link between Eastern and Western philosophy It significantly contributes to a better understanding not only of the connection between Schopenhauer and Indian philosophical systems but also of the increasing interest in this relation The book includes papers of eminent scholars The papers shed new light on the relationship between Schopenhauer s philosophy and the different aspects of Indian philosophy and culture and thus offer a rich source of research material Optical Prism Katie

Trotter, 2022-09-26 *Optical Prism* is a collection of colourful poetry that dives into many struggles and experiences young women might have to face in this modern age The light and dark issues of today s society toxic relationships and masculinity depression and suicide diversity and sexuality trauma and abuse sexual assault and parent child relationships and smaller personal issues like romantic love and heartbreak are emanated through these poems **With Mind and Heart** Howard Singer, 1961 *Sally and the Prism of Analesia* Heather C. Smith, 2023-06-14 The prism world of Analesia is in danger Dangolo the Ice Lord has frozen many of the plants and creatures living there and plans to freeze the whole world But an unlikely hero is summoned from our world to save Analesia and its inhabitants Preteen Sally has just discovered an odd Celtic charm in a thrift store with her nana but is unprepared for what the charm expects of her She is thrust into Analesia and told she is the next Light Princess a hero destined to save Analesia Sally is doubtful that she an ordinary girl can save an entire world but knows she must try anyway As she befriends the local creatures and journeys across the land the world around her begins to change Watercolors turn to vibrant jewel hues frozen animals begin to awaken and hope returns to Analesia once more Will Sally s light and warmth be enough to save Analesia or will the prism world be frozen forever **The Prism** , 1907

PRISM Tommy Clancy, The fifth book in the series PRISM the Past the Present the Future picks up where IMPRISONED the Secrets She Keeps left off as Maxi Tommy are in the heat of a battle She finally receives the long awaited letter that explains Tommy s perspective on their relationship now and forever With emotional rollercoasters comes the inevitable lustful passion that ensues as two lovers reconnect The dynamic of the triangular relationship is becoming more and more abstruse and obtuse It is clear that Tommy will not accept another man in the way of his destiny Maxi is bound by the shackles of her family her village and her fears She is struggling to find her way out Simultaneously she is losing Tommy s

faith in her There are events that shape us or break us With the upcoming family holidays will they finally get their chance to meet in Munich Will Tommy s nightmares stand in the way of Maxi s dream Will Maxi finally get what she has always wanted The Silent Seduction Series is based on a False Reality a Real Fantasy and a True Story Character names and certain identifiers have been changed to protect the Innocent the Young and those unaware of how History is writing itself Every day There are those of us that are Observers and those that are Oblivious to what is Happening right in front of them Prism George C. Chesbro,2017-11-14 The author of the Mongo Mysteries reveals the interior life of a troubled writer in this deeply personal autobiographical novel At the age of fifty eight author Garth Fugue is adrift For the last forty years he has poured his soul into twenty three novels and countless short stories all filled with murder and mayhem By delving into the troubled minds of his characters he has kept his own demons at bay Now Garth is at a crossroads Despite his floundering literary career he is attempting to write his magnum opus while simultaneously teaching at a children s psychiatric hospital As he decides what to write about Garth must ultimately wrestle with his own beliefs about humanity morality and the meaning of it all In this insightful novel George C Chesbro exposes a fictional writer s tortured mind and in doing so divulges the struggles of the real complicated man best known for penning quirky mysteries and pulpy thrillers It is an intimate invitation not to be missed *CODENAME PRISM : SECRET OF THE PYRAMIDS* Anthony Orwell-Huxley, **Prism Poetry** Timothy M. Bowers,2011-05-06 Poetry is everywhere we are exposed to it everyday and it comes in so many forms it is sometimes difficult to define A definition I have come to know poetry by is the creative pursuit to express our opinions on life whether they be positive negative or simply observational Some say you can know the heart and mind of a person by reading and analyzing their poetry so consider this an open invitation to see into my mind Hopefully you will be inspired and moved by these works I have put together and in turn choose to inspire someone else *Breaking Bias* Anu Gupta,2024-09-17 For readers of Caste Sapiens and The Dawn of Everything a page turning deep dive into how bias is learned plus a strikingly original and highly effective set of tools to unlearn it Imagine a world without bias A world where all human beings can truly be just as they are and unleash their full potential Take a moment to imagine how you feel in such a world not what you think about it or whether you believe it s possible but how you feel This is the proposition that opens *Breaking Bias* It s your invitation to embark on a journey that will radically change your experience and show you how you in turn can help reshape our world Drawing on two decades of original research and experience training thousands of students Anu Gupta a lawyer scientist and educator whose work focuses on diversity equity inclusion and belonging has written a comprehensive and compellingly readable guide for anyone who wants to understand and unlearn conscious and unconscious biases Whether you re a teacher or student engineer or creative parent or grandparent this book will train you to become more aware of and transform bias in your daily life and within you especially beliefs and perceptions you may hold about yourself and others Blending ancient Buddhist wisdom with modern scientific evidence Anu takes us on a deep time journey to explore human

identities and identity based biases and to recognize that breaking bias is the key to unlocking multiple crises in our world from racism sexism classism and other isms to burnout loneliness and climate change Then he offers his signature PRISM toolkit a science backed somatically informed set of contemplative tools to help us dismantle learned bias within ourselves and in the world around us moment by moment with probing questions and writing prompts throughout the book that invite us to put these tools to use right from the start Breaking Bias is one of the few books that go beyond examining the history of bias to offer actual training in how to reduce bias and it s the only one written by an author with Anu s unique intersectional identities a gay brown immigrant with Buddhist Christian and Hindu roots who is also an American lawyer and scholar of bias with lived experiences that span the globe This is a book with the potential to transform the way we think and the way we live

How and How Not to Be Happy J. Budziszewski,2022-03-01 It s Time to Start Asking the Right Questions About Happiness The West is facing a happiness crisis Today less than a quarter of American adults rate themselves as very happy a record low False views of happiness abound and the explosion in happiness studies has done little to dispel them Why is true happiness so elusive and why is it so hard to define In How and How Not to Be Happy internationally renowned philosopher and happiness theorist J Budziszewski draws on decades of study to dispel the myths and wishful thinking that blind people from uncovering lasting fulfillment Could happiness lie in health wealth responsibility or pleasure Should we settle for imperfect happiness What would it even mean to attain perfect fulfillment Budziszewski separates the wheat from the chaff exploring how to attain happiness and just as importantly how not to

The Prism of Truth Anthony O'Hear,2024-04-16 An ultimate God being transcendent is beyond description in literal terms our knowledge of the divine nature must be indirect A prime means of such an indirect approach to the divine is through the religious mythologies that have captivated humankind throughout recorded time and even earlier After considering the limitations of scientific thinking in dealing with questions of ultimate meaning and value Anthony O Hear argues that we should be open to taking religious mythologies seriously We could and probably should see each of these mythologies as partial revelations each capturing some aspect of the divine They aim at truth and should be valued as such for their own particular insights and traditions of practice but no single myth can capture the whole truth Each is necessarily filtered through fallible human imagery and thought So while respecting and prioritizing our own favored myth we should also be open to illumination from myths originating in different times and cultures for their own unique vision and approach

Prism Jeffrey B. Thompson,2010-07-14 Following the destruction of their planet two powerful forces arrive on Earth Romman awakens in a hospital bed haunted by the ghosts of his dead family He remembers his grandfathers command to hold his shield and keep his oath and that doing so would mean he would never be alone Comfort turns to terror though as Romman realizes his shield has disappeared lost as he fled his dying world Its loss will be humanitys undoing as Krinos another one of Rommans race has also arrived on Earth Once friend to Romman he searches for the missing shield as well But the psychological ordeal of

fleeing his destroyed planet has darkened the mind of Krinos as he forgoes peace and instead strives to rule Earth with the power of evil At the center of this struggle is the Prism Building the earthly gateway to Asgaard home of the Norse gods Under the watchful eye of the gods a battle will be waged between Romman and Krinos The peaceful Romman will learn that where humans appear to be unwanted interference they are in fact masters of their domain and helpful souls willing to fight for their world

Reading Jean-Jacques Rousseau through the Prism of Chess Florian Vauleon, 2019-11-25 Over a period of forty years Rousseau combined his devotion to writing with his enthusiasm for chess and these two passions necessarily intertwined Rousseau was able to transfer his power of concentration and the strict dialectics of his literary writings to his chess strategy If Rousseau's analytical skills influenced his attitude toward the game then the game of chess inspired his logic and affected his discourse Interpreted as a form of rationality as a conceptual paradigm the rules and strategies of chess accurately describe Rousseau's ideas for social management political power and organization Reading Jean Jacques Rousseau through the Prism of Chess shows that Rousseau's political theory though allegedly inspired by Nature found a perfect model in a game created by mankind chess thus became a reference for his philosophical discourse and practice as well as a method to systematize Nature and organize society
