Race and Masculinity in Contemporary American Prison Novels Auli Ek, 2020-10-28 This book offers an interdisciplinary analysis of how contemporary American prison narratives reflect and produce ideologies of masculinity in the United States and in so doing compellingly engages popular culture in order to demonstrate the profound ways in which implicit understandings of prison life shape all Americans and their reactions to people both incarcerated and not **Narrating the Prison: Role and Representation in Charles Dickens' Novels, Twentieth-Century Fiction, and Film** Jan Alber, 2007

The Palgrave Handbook of Incarceration in Popular Culture Marcus Harmes, Meredith Harmes, Barbara Harmes, 2020-02-03 The Handbook of Incarceration in Popular Culture will be an essential reference point providing international coverage and thematic richness The chapters examine the real and imagined spaces of the prison and perhaps more importantly dwell in the uncertain space between them The modern fixation with seeing inside prison from the outside has prompted a proliferation of media visions of incarceration from high minded and worthy to voyeuristic and unrealistic In this handbook the editors bring together a huge breadth of disparate issues including women in prison the view from inside prisons as a source of entertainment the real worlds of prison and issues of race and gender The handbook will inform students and lecturers of media film popular culture gender and cultural studies as well as scholars of criminology and justice **Captured by the Media** Paul Mason, 2006 These articles examine how media presents prisons and punishment and how this presentation is related to public attitudes and government penal policy **Criminal Intimacy** Regina Kunzel, 2022-03-22 Sex is usually assumed to be a closely guarded secret of prison life But it has long been the subject of intense scrutiny by both prison administrators and reformers as well as a source of fascination and anxiety for the American public Historically sex behind bars has evoked radically different responses from professionals and the public alike In *Criminal Intimacy* Regina Kunzel tracks these varying interpretations and reveals their foundational influence on modern thinking about sexuality and identity Historians have held the fusion of sexual desire and identity to be the defining marker of sexual modernity but sex behind bars often involving otherwise heterosexual prisoners calls those assumptions into question By exploring the sexual lives of prisoners and the sexual culture of prisons over the past two centuries along with the impact of a range of issues including race class and gender sexual violence prisoners rights activism and the HIV epidemic Kunzel discovers a world whose surprising plurality and mutability reveals the fissures and fault lines beneath modern sexuality itself Drawing on a wide range of sources including physicians psychiatrists sociologists correctional administrators journalists and prisoners themselves as well as depictions of prison life in popular culture Kunzel argues for the importance of the prison to the history of sexuality and for the centrality of ideas about sex and sexuality to the modern prison In the process she deepens and complicates our understanding of sexuality in America Women, Film, and Law Suzanne

Bouclin,2021-03-15 Entertainment and profit constitute the driving force behind popular representations of women in correctional facilities But the creative influence of film and television also generates legal meaning The women in prison WIP genre can leave viewers feeling both empathetic toward the women portrayed in these representations and troubled about the crimes for which they have been convicted Focusing on five exemplary WIP films and a television series Ann Vickers Caged Caged Heat Stranger Inside Civil Brand and Orange Is the New Black Women Film and Law asks how fictional representations explore shape and refine beliefs about women who are incarcerated From melodrama to exploitation and from theatre screenings to on demand film television programs and music videos these texts bring into view the legal economic and political structures that criminalize women differently from men and that target those women who are already marginalized Women Film and Law convincingly argues that popular depictions of women s imprisonment can illuminate the multiple forms of social exclusion and oppression experienced by criminalized women **Film Genre Reader IV** Barry

American Prison Film Since 1930 David Gonthier,2006 This book studies a number of well known prison films from an analytical and historical perspective Throughout the years prison movies have appeared to be neglected within the canon of genres like westerns screwball comedies horror films and the like they have been recognized merely an adjunct subgenre to the more prominent genres like gangster films The prison movie is indeed its own separate genre and the book proves this by utilizing existing genre criticism especially from leading scholars like Thomas Schatz Although there have been a number of cross genre films *Blade Runner* is a fusion of science fiction film noir and action adventure *Star Wars* is a science fiction western action film etc the prison movie is perhaps the only pure bred genre that yields so many other genres within its original framework gangster prison films The *Big House* film noir prison films *Brute Force* western prison films *There Was a Crooked Man* sports prison films *The Longest Yard* science fiction prison films *Escape from New York* the POW film *Stalag 17* even musicals *Chicago* In addition to surveying the genre from 1930 2000 the book deconstructs twelve films in great detail through full annotated summaries based on the codes and conventions of the proposed genre films like *Stalag 17* *Cool Hand Luke* *Midnight Express* *Escape from Alcatraz* and *The Shawshank Redemption* are among the films considered **Small**

Masculinity without men In *Female Masculinity* Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years Providing the first full length study on this subject Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth century pre lesbian practices to contemporary drag king performances Through detailed textual readings as well as empirical research Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced

understanding of gender categories that would incorporate rather than pathologize them She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity She considers the enigma of the stone butch and the politics surrounding butch femme roles within lesbian communities She also explores issues of transsexuality among transgender dykes lesbians who pass as men and female to male transsexuals who may find the label of lesbian a temporary refuge Halberstam also tackles such topics as women and boxing butches in Hollywood and independent cinema and the phenomenon of male impersonators *Female Masculinity* signals a new understanding of masculine behaviors and identities and a new direction in interdisciplinary queer scholarship Illustrated with nearly forty photographs including portraits film stills and drag king performance shots this book provides an extensive record of the wide range of female masculinities And as Halberstam clearly demonstrates female masculinity is not some bad imitation of virility but a lively and dramatic staging of hybrid and minority genders
