Prisoners Of War In American Conflicts A History:

Useful Captives Daniel Krebs, Lorien Foote, 2021-02-15 *Useful Captives* The Role of POWs in American Military Conflicts is a wide ranging investigation of the integral role prisoners of war POWs have played in the economic cultural political and military aspects of American warfare In *Useful Captives* volume editors Daniel Krebs and Lorien Foote and their contributors explore the wide range of roles that captives play in times of conflict hostages used to negotiate vital points of contention between combatants consumers laborers propaganda tools objects of indoctrination proof of military success symbols political instruments exemplars of manhood ideals loyal and disloyal soldiers and agents of change in society The book s eleven chapters cover conflicts involving Americans ranging from colonial warfare on the Creek Georgia border in the late eighteenth century the American Revolution the Civil War the Great War World War II to twenty first century U S drone warfare This long historical horizon enables the reader to go beyond the prison camp experience of POWs to better understand the many ways they influence the nature and course of military conflict *Useful Captives* shows the vital role that prisoners of war play in American warfare and reveals the cultural contexts of warfare the shaping and altering of military policies the process of state building the impacts upon the economy and environment of the conflict zone their special place in propaganda and political symbolism and the importance of public history in shaping national memory *Prisoners of War in American Conflicts* Harry P. Riconda, 2003 Those interested in the human side of war will find this an interesting and informative read as it discusses details of wars only to the extent necessary to cover prisoners of war Jacket *Prisoners of War in Contemporary Conflict* Michael N. Schmitt, Christopher J. Koschnitzky, 2023 This volume examines the rules governing the designation and treatment of POWs in contemporary conflict Each chapter examines specific topics around POWs that the contributors identify as unsettled operationally problematic or inadequately addressed in existing literature

American Ex-prisoners of War, 1988 **American Military History** Daniel K. Blewett, 2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums *The American Conflict: A history of the Great Rebellion in the United States of America, 1860-65* Horace Greeley, 2022-03-10 Reprint of the original first published in 1866 *Prisoners of War and Local Women in Europe and the United States, 1914-1956* Matthias Reiss, Brian K. Feltman, 2022-04-19 This book brings together historians from Great Britain the United

States Germany France Canada Austria and Latvia who have worked and published on fraternisation between Prisoners of War and local women during either the First or Second World War providing the first comparative study of this multi faceted phenomenon in different belligerent countries By focusing on prisoners as wartime migrants and studying the nature and impact of their interactions with the local female population this book expands the existing framework on prisoner of war studies Its substantial scope and comparative approach make it an important point of reference in the growing research field of POW studies

The American Conflict: a History of the Great Rebellion in the United States of America, 1860-'64(-65) ... With the Drift and Progress of American Opinion Respecting Human Slavery, from 1776 to the Close of the War for the Union Horace GREELEY,1866 *Army History* ,2000 [Axis Prisoners of War in Tennessee](#)

Antonio S. Thompson,2023-03-09 During World War II Axis prisoners of war received arguably better treatment in the U S than anywhere else Bound by the Geneva Convention but also hoping for reciprocal treatment of American POWs the U S sought to humanely house and employ 425 000 Axis prisoners many in rural communities in the South This is the first book length examination of Tennessee s role in the POW program and how the influx of prisoners affected communities Towns like Tullahoma transformed into military metropolises Memphis received millions in defense spending Paris had a secret barrage balloon base The wooded Crossville camp housed German and Italian officers Prisoners worked tobacco lumber and cotton across the state Some threatened escape or worse When the program ended more than 25 000 POWs lived and worked in Tennessee *Controlling Sex in Captivity* Matthias Reiss,2018-06-14 *Controlling Sex in Captivity* is the first book to examine the nature extent and impact of the sexual activities of Axis prisoners of war in the United States during the Second World War Historians have so far interpreted the interactions between captors and captives in America as the beginning of the post war friendship between the United States Germany and Italy Matthias Reiss argues that this paradigm is too simplistic Widespread fraternisation also led to sexual relationships which created significant negative publicity and some Axis POWs got caught up in the U S Army s new campaign against homosexuals By focusing on the fight against fraternisation and same sex activities this study treads new ground It stresses that contact between captors and captives was often loaded with conflict and influenced by perceptions of gender and race It highlights the transnational impact of fraternisation and argues that the prisoners sojourn in the United States also influenced American society by fuelling a growing concern about social disintegration and sexual deviancy which eventually triggered a conservative backlash after the war

Interrogator Raymond F. Toliver,1997-12-01 The story of Hanns Scharff Nazi Germany s master interrogator who questioned American POWs with subtle startlingly effective tactics During World War II German Intelligence Officer Hanns Scharff gained the reputation as the man who could magically get all the answers he needed from a prisoner of war In most cases the POWs being interrogated never realized that their words small talk or otherwise were important pieces of the mosaic Scharff was constructing He was so effective that the USAF invited him to speak about his methods to military

audiences in the United States after World War II In the words of one former POW What did Scharff get from me Nothing yet there is no doubt he got something If you talked about the weather or anything else he no doubt got some information or confirmation from it His technique was psychic not physical Another POW commented Hanns Scharff could probably get a confession of infidelity from a Nun To this day ex POWs fret over what they said or even might have implied during their interrogations and over what use Scharff may have made of their slip ups This book delves into the question What magic formula did Scharff use to draw information out of servicemen trained to remain silent Military Captives in the United States Craig A. Munsart, 2025-06-05 Since the beginning of the Revolutionary War the United States has actively pursued military operations both domestic and foreign Prisoners of war represent a natural consequence of such actions and throughout history many of them have been incarcerated within the borders of the United States Incorporating both existing and purpose built prisoner facilities the nation has held over one million prisoners many transported here from across the globe Detention facilities existed in almost every state from large population centers to remote rural areas Many such facilities have been preserved while others have been destroyed by the country s expanding population Exhaustively researched and thoroughly illustrated this book seeks to fill a void examining the history of domestically imprisoned POWs from the Revolutionary War through World War II In addition to foreign nationals from Asia Europe and Latin America even American citizens associated with foreign combatants have had their rights abrogated as they too were imprisoned without legal recourse This book presents a history that has long been ignored and one which has a legacy in many Americans own backyard *A History of the Laws of War: Volume 1* Alexander Gillespie, 2011-09-06 This unique new work of reference traces the origins of the modern laws of warfare from the earliest times to the present day Relying on written records from as far back as 2400 BCE and using sources ranging from the Bible to Security Council Resolutions the author pieces together the history of a subject which is almost as old as civilisation itself The author shows that as long as humanity has been waging wars it has also been trying to find ways of legitimising different forms of combatants and regulating the treatment of captives This first book on warfare deals with the broad question of whether the patterns of dealing with combatants and captives have changed over the last 5 000 years and if so how In terms of context the first part of the book is about combatants and those who can lawfully take part in combat In many regards this part of the first volume is a series of less than ideal pathways This is because in an ideal world there would be no combatants because there would be no fighting Yet as a species we do not live in such a place or even anywhere near it either historically or in contemporary times This being so a second best alternative has been to attempt to control the size of military forces and therefore the bloodshed This is also not the case by which humanity has worked over the previous centuries Rather the clear assumption for thousands of years has been that authorities are allowed to build the size of their armed forces as large as they wish The restraints that have been applied are in terms of the quality and methods by which combatants are taken The considerations pertain to questions

of biology such as age and sex geographical considerations such as nationality and the multiple nuances of informal or formal combatants These questions have also overlapped with ones of compulsion and whether citizens within a country can be compelled to fight without their consent Accordingly for the previous 3 000 years the question has not been whether there should be a limit on the number of soldiers but rather who is or is not a lawful combatant It has rarely been a question of numbers It has been and remains one of type The second part of this book is about people typically combatants captured in battle It is about what happens to their status as prisoners about the possibilities of torture assistance if they are wounded and what happens to their remains should they be killed and their bodies fall into enemy hands The theme that ties all of these considerations together is that all of the acts befall those who are to one degree or another captives of their enemies As such they are no longer masters of their own fate As a work of reference this first volume as part of a set of three is unrivalled and will be of immense benefit to scholars and practitioners researching and advising on the laws of warfare It also tells a story which throws fascinating new light on the history of international law and on the history of warfare itself

ABA Journal ,1958-03 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association [Axis Prisoners of War in Kentucky](#) Antonio S. Thompson,2024-01-01 During World War II Kentuckians rushed from farms to factories and battlefields leaving agriculture throughout the state particularly the lucrative tobacco industry without sufficient labor An influx of Axis prisoners of war made up the shortfall Nearly 10 000 German and Italian POWs were housed in camps at Campbell Breckinridge Knox and other locations across the state Under the Geneva Convention they worked for their captors and helped save Kentucky s crops while enjoying relative comfort as prisoners playing sports performing musicals and taking college classes Yet friction between Nazi and anti Nazi inmates threatened the success of the program This book chronicles the POW program in Kentucky and the vital contributions the Bluegrass State made to Allied victory **American Military History** Donald F. Fies,2007-06 This booklet displays the casualties and financial costs for military engagements fought by The USA including the numbers of American military personnel killed in action other war related deaths wounded in action prisoners of war and missing in action There are schedules showing the territorial build up of the USA and the financial cost of those several land masses schedules showing deaths wounded and monetary costs for every war a schedule for each war listing the deaths among the civilian and military populations by nation for both world wars Annual battle deaths are shown for each of the past 231 years compared to the populations Financial costs are shown for each war in at time dollars and in current dollars and direct dollar costs are shown for each of the past 231 years compared to total federal government spending Battle deaths are displayed by presidential terms Government spending and the direct war costs are also shown for each of the forty three presidential terms in at time dollars and in current dollars The federal government income spending and surpluses or deficits are shown for each of the past 231 years and spending surpluses or deficits are listed for all of the forty three presidential

terms in office Defense Department spending is analyzed in detail for the past six years starting with Year 2001

History of Peace David Hoicka, 1920 History of Peace demonstrates from 4500 years of history and case studies of more than 100 treaties resolving armed conflicts that even when peace seems impossible peace may still be possible Even when the going seems hopeless and the night is dark hope is not yet lost History shows that again and again peace can break out from the darkest of nights From ancient Mesopotamia to modern day peace processes this groundbreaking book explores humanity's enduring quest for peace History of Peace offers profound insights into how mediators from world leaders to grassroots peacemakers have helped resolve armed conflicts save lives rebuild communities and foster economic growth through the power of dialogue and negotiation over the thousands of years from the beginnings of recorded time Read about The Treaty of Mesilim c 2550 BCE Mesilim king of the Sumerian city state of Kish mediated a land and water boundary dispute between the nearby south Babylonian cities of Lagash and Umma The Treaty of Kadesh 1259 BCE between Egypt and the Hittites negotiated by intermediaries established one of the earliest known mutual defense pacts The Peace of Westphalia 1648 facilitated by papal mediation revolutionized international relations by introducing the concept of state sovereignty The Congress of Vienna 1815 reshaped Europe after the Napoleonic Wars with Talleyrand's skilled mediation creating a balance of power that lasted nearly a century The Treaty of Versailles 1919 ended World War I but sowed seeds for future conflict highlighting the importance of inclusive mediation processes The Camp David Accords 1978 demonstrated the power of personal diplomacy and third party mediation by the US in resolving seemingly intractable disputes between Egypt and Israel The Good Friday Agreement 1998 brought an end to decades of conflict in Northern Ireland through innovative power sharing arrangements facilitated by multi party mediation The Aceh Peace Agreement 2005 in Indonesia mediated by former Finnish President Martti Ahtisaari ended a 30 year conflict and saved countless lives The Comprehensive Peace Agreement 2005 in Sudan mediated by the Intergovernmental Authority on Development IGAD ended Africa's longest running civil war The Colombian Peace Agreement 2016 facilitated by Norwegian and Cuban mediation ended over 50 years of conflict between the government and FARC rebels Through vivid storytelling and expert analysis History of Peace brings to life the dramatic moments when bitter enemies found common ground From Napoleon and Tsar Alexander's fateful meeting on a raft in the Neman River to modern day peace negotiations we will trace an arc of human progress in the vital art of conflict resolution A prime example is the Treaty of Portsmouth of 1905 which ended the Russo Japanese War U S President Theodore Roosevelt's mediation between Russia and Japan not only brought an end to a costly conflict but also elevated the United States role in international diplomacy As Japanese diplomat Jutar Komura noted President Roosevelt's impartial and energetic efforts have made possible what seemed impossible This treaty demonstrates how skilled mediation can bridge even the widest divides between adversaries But this book is more than just a chronicle of famous treaties It's a deep exploration of how mediation and diplomacy have evolved over millennia to become sophisticated tools for conflict resolution

Readers will learn The essential ingredients for successful peace negotiations How mediators bridge seemingly unbridgeable divides The role of economic incentives in cementing peace How to structure agreements for long term stability Common pitfalls in peace processes and how to avoid them History of Peace also highlights the crucial role played by grassroots peacemakers and civil society in nurturing reconciliation from the ground up Through inspiring stories of ordinary people working for change it shows how everyone can contribute to building a more peaceful world With ongoing conflicts from Ukraine to Yemen threatening global stability the lessons in this book have never been more relevant Whether you re a student of history a policymaker a mediator or simply someone who cares about creating a better future History of Peace offers invaluable insights into humanity s noblest endeavor Key features Comprehensive overview of peace treaties and conflict resolution from ancient times to the present In depth case studies of pivotal agreements that shaped world history Analysis of evolving mediation techniques and diplomatic strategies Exploration of the economic benefits of peace and post conflict reconstruction Inspiring stories of grassroots peacebuilders making a difference Lessons for addressing contemporary conflicts and global challenges This book is priced at an affordable price point to enable widest availability If this collection of inspiring stories how to make Swords into Plowshares saves even one life or brings happiness to a single person it will fill me also with hope and happiness knowing I ve made a difference as the author David Hoicka *Reader's Guide to Military History* Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations *America's Captives* Paul J. Springer,2010-03-17 Notwithstanding the long shadows cast by Abu Ghraib and Guantnamo the United States has been generally humane in the treatment of prisoners of war reflecting a desire to both respect international law and provide the kind of treatment we would want for our own troops if captured In this first comprehensive study of the subject in more than half a century Paul Springer presents an in depth look at American POW policy and practice from the Revolutionary War to the current wars in Iraq and Afghanistan Springer contends that our nation s creation and application of POW policy has been repeatedly improvised and haphazard due in part to our military s understandable focus on defeating its enemies on the field of battle rather than on making arrangements for their detention That focus however has set the conditions for the military s chronic failure to record and learn from both successful and unsuccessful POW practices in previous wars He also observes that American POW policy since World War II has largely sought to outsource POW operations to allied forces in order to retain American personnel for frontline service outsourcing that has led to recent scandals Focusing on each major war in turn Springer examines the lessons learned and

forgotten by American military and political leaders regarding our nation's experience in dealing with foreign POWs. He highlights the indignities of the Civil War, the efforts of the United States and its World War I allies to devise an effective POW policy, the unequal treatment of Japanese prisoners compared with that of German and Italian prisoners during World War II, and the impact of the Geneva Convention on the handling of Korean and Vietnamese captives. In bringing his coverage up to the so-called War on Terror, he also marks the nation's clear departure from previous practice. American treatment of POWs, once deemed exemplary by the Red Cross after Operation Desert Storm, has become controversial throughout the world. *America's Captives* provides a long-needed overarching framework for this important subject and makes a strong case that we should stop ignoring the lessons of the past and make the disposition of prisoners one of the standard components of our military education and training.

This is likewise one of the factors by obtaining the soft documents of this **Prisoners Of War In American Conflicts A History** by online. You might not require more times to spend to go to the book launch as well as search for them. In some cases, you likewise get not discover the message Prisoners Of War In American Conflicts A History that you are looking for. It will agreed squander the time.

However below, afterward you visit this web page, it will be hence categorically easy to get as skillfully as download guide Prisoners Of War In American Conflicts A History

It will not put up with many times as we run by before. You can realize it though conduct yourself something else at home and even in your workplace. as a result easy! So, are you question? Just exercise just what we meet the expense of below as capably as evaluation **Prisoners Of War In American Conflicts A History** what you as soon as to read!

Prisoners Of War In American Conflicts A History Introduction

In today's digital age, the availability of Prisoners Of War In American Conflicts A History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Prisoners Of War In American Conflicts A History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Prisoners Of War In American Conflicts A History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Prisoners Of War In American Conflicts A History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Prisoners Of War In American Conflicts A History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Prisoners Of War In American Conflicts A History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project

Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Prisoners Of War In American Conflicts A History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Prisoners Of War In American Conflicts A History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Prisoners Of War In American Conflicts A History books and manuals for download and embark on your journey of knowledge?

FAQs About Prisoners Of War In American Conflicts A History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Prisoners Of War In American Conflicts A History is one of the best book in our library for free trial. We provide copy of Prisoners Of War In American

Conflicts A History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Prisoners Of War In American Conflicts A History. Where to download Prisoners Of War In American Conflicts A History online for free? Are you looking for Prisoners Of War In American Conflicts A History PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Prisoners Of War In American Conflicts A History. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Prisoners Of War In American Conflicts A History are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Prisoners Of War In American Conflicts A History. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Prisoners Of War In American Conflicts A History To get started finding Prisoners Of War In American Conflicts A History, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Prisoners Of War In American Conflicts A History So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Prisoners Of War In American Conflicts A History. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Prisoners Of War In American Conflicts A History, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Prisoners Of War In American Conflicts A History is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Prisoners Of War In American Conflicts A History is universally compatible with any devices to read.
