Recognizing Child Abuse A Guide For The Concerned:

Recognizing Child Abuse, 199? Recognizing Child Abuse Douglas J. Besharov, 1990 Provides information necessary to identify report and investigate child abuse Child Abuse, Domestic Violence, and Animal Abuse Frank R. Ascione, Phil Arkow, 1999 Evidence is mounting that animal abuse frequently embedded in families scarred by domestic violence and child abuse and neglect often predicts the potential for other violent acts As early intervention is critical in the prevention and reduction of aggression this book encourages researchers and professionals to recognize animal abuse as a significant problem and a human public health issue that should be included as a curriculum topic in training The book is an interdisciplinary source book of original essays that examines the relations between animal maltreatment and human interpersonal violence expands the scope of research in this growing area and provides practical assessment and documentation strategies to help professionals confronting violence do their jobs better by attending to these connections As an outgrowth of the Latham Foundation's 1995 training manual *Breaking the Cycles of Violence* this book is a historic step in helping professionals from these disciplines as well as the general public recognize the cyclical and insidious nature of family violence and provides training in recognizing peripheral forms of family violence outside a family's immediate purview It encourages cross disciplinary prevention and intervention strategies with an ultimate goal of reducing the levels of violence which is such a great societal and cultural concern today This book brings together for the first time all of the leaders in this emerging field They examine contemporary research and programmatic issues encourage cross disciplinary interactions and describe innovative programs in the field today Also included are vivid first person accounts from survivors whose experiences included animal maltreatment among other forms of family violence *Child Abuse Domestic Violence and Animal Abuse* provides professional communities of psychologists and child welfare specialists with a deeper higher and more encompassing awareness and understanding of the crucial linking of caring for animals and children in human experience The combination of careful research documentation and compelling narrative accounts are blended into a rich resource to help professionals concerned citizens and parents understand how the ethics of caring are not bounded by species

Handbook of Child Abuse Research and Treatment John R. Lutzker, 2013-03-09 The causes of child abuse and neglect have been major topics of study since the 1960s but treatment strategies research and legal issues have only received concentrated attention since the 80s The leading figures in these efforts have contributed to this handbook a state of the art compilation of their findings that also includes writings on associated cultural issues youth violence sexual abuse and child development Both a text and a reference the volume is uniquely founded on empirical research Resources for Early Childhood Hannah Nuba, Michael Searson, Deborah Lovitky Sheiman, 2024-02-02 Published under the auspices of the New York Public Library this expanded reorganized and updated edition of *Resources for Early Childhood An Annotated Guide for Educators Librarians Health Care Professionals and Parents* 1985 includes new essays by the most important

Understanding Child Maltreatment Maria Scannapieco,Kelli Connell-Carrick,2005-02-10 Child maltreatment professionals from all disciplines struggle to find better ways of understanding and treating the families and children affected by maltreatment Since the mid 1960s the battered child syndrome and recent high profile abuse cases a plethora of research and literature on child maltreatment has emerged yet this is the first volume to offer a comprehensive integrated analysis for understanding assessing and treating child maltreatment within the ecological framework in a developmental context This framework systematically organizes and integrates the complex empirical literature in child maltreatment and development including the often overlooked period of adolescence Viewing child maltreatment from an ecological perspective this volume identifies the risk and protective factors correlated with abuse and neglect The authors present a comprehensive assessment framework addressing the multiple developmental and environmental factors unique to each case This framework fully considers risk and protective factors and their relationship to individuals families and environmental elements presenting a much needed perspective for today s child protective services workers Understanding Child Maltreatment is the first of its kind While most books broadly address the developmental consequences of maltreatment this volume goes further by proposing assessment and intervention strategies based on a deep understanding of each stage of a child s development Interventions center on the caregiver and the family with particular attention to parenting skills and the challenges the child may experience within his or her developmental stage Each chapter emphasizes empirically based interventions and includes a case illustration that guides readers in applying these concepts to their own practice Providing a comprehensive nuanced perspective on maltreatment this book will be invaluable to students researchers and professionals

Combating Child Abuse Neil Gilbert,1997-04-03 The problem of child abuse has become increasingly evident in North America and Western Europe Many countries are now struggling with issues involving the definition of child maltreatment reporting requirements processes for responding to reports substantiation rates and services to abused children and their families This book illustrates alternative approaches to dealing

with these problems by examining and comparing the designs of child abuse systems in nine countries the US English Canada Netherlands Denmark Finland Germany Belgium and Sweden Clearinghouse Review, 1990

The Compassionate Temperament Natan Sznaider, 2001 This text argues that it is the nature of modernity to foster compassion It offers a historical view to disprove the idea that modernity erodes moral sentiment and breaks down older social bonds The book looks at the way in which modern society is building new and different social bonds Canadian Family Policies

Maureen Baker, 1995-01-01 With poverty unemployment and one parent families on the rise in most Western democracies government assistance presents an increasingly urgent and complex problem This is the first study to explore Canada s family policies in an international context Maureen Baker looks at the successes and failures of social programs in other countries in search of solutions that might work in Canada Baker has chosen seven industrialized countries for her comparative study Australia France Germany The Netherlands Sweden the United Kingdom and the United States These countries experience social and economic strains similar to those felt in Canada and though they share certain policy solutions major differences in policy remain Baker considers which of the policies in these countries are most effective in reducing poverty enhancing family life and improving the status of women then applies her findings to the Canadian situation Bringing together research and statistics from the fields of demography political science economics sociology women s studies and social policy this rich multidisciplinary study provides a unique resource for anyone interested in Canadian family policy
