Regionalism And Regional Devolution In Comparative Perspective:

Regionalism and Regional Devolution in Comparative Perspective. Mark Rousseau, Raphael Zariski, 1987 In political science and sociology great controversies exist concerning the desirable balance between national and local power the relevant factors in sub national decision making and the social consequences of centralization and decentralization Regionalism and Regional Devolution in Comparative Perspective explores these controversies and the elements which give rise to them Students of comparative politics political sociology Western European history international affairs or comparative social institutions can turn to this book for a balanced assessment of the alternative structures of decentralized political power which are emerging in various Western democracies **Handbook of Comparative and Development**

Public Administration Ali Farazmand, 2019-02-21 With contributions from nearly 80 international experts this comprehensive resource covers diverse issues aspects and features of public administration and policy around the world It focuses on bureaucracy and bureaucratic politics in developing and industrialized countries and emphasizing administrative performance and policy implementation as well as political system maintenance and regime enhancement The book covers the history of public administration and bureaucracy in Persia Greece Rome and Byzantium and among the Aztecs Incas and Mayas public administration in small island states Eastern Europe and ethics and other contemporary issues in public administration

The Decline of Regionalism in Putin's Russia J. Paul Goode, 2011-05-11 This book reassesses Putin's attempt to reverse the decentralization of power that characterised centre regional relations in the 1990s focusing on regional responses to Putin's federal reforms It explains the decline of regionalism after 2000 in terms of the dynamics of regional boundaries understood as the juridical boundaries which demarcate a region's territorial extent and its resources institutional boundaries that sustain regional differences and cultural boundaries that define the ethnic or technocratic principles on which a region could claim legitimate existence The book questions the conventional wisdom regarding the success of Putin's regime It shows how regional governors responded not by attempting to deflect the reforms with outright resistance but by mimicking Putin's centralisation of power at the regional level In turn this facilitated the homogenisation of regional political regimes and regional mergers The book demonstrates how the reordering of regions advanced sporadically how pockets of resistance persist and how the potential for the revival of regionalism continues **Social Service Reform**

in the Postcommunist State Janelle A. Kerlin, 2005-06-28 The fall of Communist regimes in Eastern Europe raised the complex question of how social services were to be distributed and administered in countries with legacies of highly centralized state In Poland a series of reforms attempted to modify and decentralize social service programs Yet with Poland's second round of decentralization long held and clearly specified reform goals were undermined from the very outset In this insightful detailed and carefully argued study Janelle A Kerlin demonstrates how and why reforms intended to improve services and increase citizen participation in social service programming largely failed to meet expected goals The politics of

reform development including political deals exclusionary tactics and hidden maneuvering by Polish policymakers prevented any significant upgrade of services or real change in decision making structures Conflicting ideologies and pressures on policy actors stemming from historical institutional political and international sources often resulted in compromises that led to unfavorable public service outcomes In this book Kerlin uses focused interviews with leading reform actors and a nationwide representative survey of two hundred public social service institutions to develop a model that connects the politics of the decentralization process with social service outcomes Not only students of the former Soviet bloc but also those interested in the links between politics and policy outcomes more broadly will find in this volume an informative and instructive case study that has far reaching implications

The Political Economy of Regionalism Michael Keating, John Loughlin, 2013-07-04 Examining the effects of economic and political restructuring on regions in Europe and North America the main themes here are international economic restructuring political realignments questions of territorial identity and policy choices and policy conflicts in regional development

Devolution and Governance Alistair Cole, Ian Stafford, 2014-11-27 This book examines the development of Welsh devolution in the context of great economic and political uncertainty Drawing on research carried out over more than a decade it explores whether Welsh devolution has developed the capacity to resist internal and external pressures and to continue to pursue a distinctive political and policy agenda

The Political Economy of Uneven Development Shaoguang Wang, Angang Hu, 1999 Exploring one of the most dynamic and contested regions of the world this series includes works on political economic cultural and social changes in modern and contemporary Asia and the Pacific

Regionalism after Regionalisation Frans Schrijver, 2025-10-01 Throughout Europe regionalist movements claim more autonomy for their region pointing at cultural and historical distinctiveness and the demands of their populations In some places violence is used to put pressure on the state and in many states in Europe and elsewhere the issue of regional minorities figures prominently on political agendas Over the last few decades many states have introduced regional governments and parliaments often as an answer to regionalist demands with a view of making regionalist movements redundant and satisfying most of their supporters Others have warned that this was a step towards fragmentation and even the break up of nation states Regionalism after Regionalisation presents a response to this debate Concentrating on three countries Spain France and the United Kingdom and three regional case studies of Galicia Brittany and Wales this book offers an analysis of the development of political regionalism after regionalisation It examines the ways in which regionalisation influences the institutionalisation of a region and the establishment of regional identities It explains how the introduction of regional governments and elections alters the conditions in which claims for a regionalist project are put forward and in which ways it effects public demands for regional autonomy This study analyses whether regionalisation is accepted as a sufficient answer to those demanding political and cultural autonomy and how political actors from regionalist and mainstream political parties deal with new regional political institutions as opportunities to mobilise

support *Decentralization In Mexico* Victoria Rodriguez,2018-05-04 This book assesses the impact of decentralization on Mexico's intergovernmental relations and examines the constraints upon the devolution of political power from the center to the lower levels of government. It also discusses the distribution of power and authority to governments of opposition parties within the context of a more open political space. Victoria Rodriguez uncovers a new paradox in the Mexican political system: retaining power by giving it away. She argues that since the de la Madrid presidency 1982-1988 the Mexican government has embarked upon a major effort of political and administrative decentralization as a means to increase its hold on power. That effort continued under Salinas but paradoxically led to further centralization. However, since Zedillo assumed the presidency it has become increasingly clear that the survival of the ruling party and indeed the viability of his own government require a genuine de facto reduction of centralism.

IBSS: Political Science: 1987 British Library of Political and Economic Science,1991 IBSS is the essential tool for librarians, university departments, research institutions and any public or private institutions whose work requires access to up-to-date and comprehensive knowledge of the social sciences. *Centre and Provinces: China 1978-93* Linda Chelan Li,1998-05-14 *Centre and Provinces: China 1978-93* goes beyond the dominant state capacity paradigm to argue for an interactive model to explain the political relations between the central and provincial governments in contemporary China. The uni-dimensional centrist perspective of the state capacity paradigm has failed to adequately explain the coexistence of central and provincial power and to anticipate circumstances of change. In this book a hybrid rational choice cum institutional approach highlights the mutual power of both the Centre and the provinces: each party the Centre or the provinces imposes structural constraints upon the other. Power is not a zero-sum game. The cases of Shanghai and Guangdong, important resourceful provinces under very different central policy contexts, contrast possible interactions between central policy and provincial choice. Conflicts amidst a context of mutual dependence necessitate compromise on both sides and qualitative changes to centre-province relations as a result may well have long-term implications for wider political processes.

From Submission To Rebellion Vladimir Shlapentokh,2018-02-20 This book addresses the relationship between the center and its provinces, an important issue in any society, using Russia as a case study. It analyses the historical stages of Russia's past with special focus on the post-Communist era.

Toward an Anthropology of Government W. Schumann,2009-09-14 The National Assembly for Wales was established in 1999, granting the people of Wales a parliament for the first time in nearly six centuries. The Assembly was intended to create a parliamentary culture of open, inclusive and modern democracy that stood apart from the Houses of Parliament in London. Based on anthropological fieldwork, this informative book analyzes how power in Wales is legitimated and justified. William Schumann's intriguing argument makes the case that contradictory political practices exist which affirm elected officials as public representatives while also reproducing the subordinate status of Wales within the institutional hierarchies of the United Kingdom and European Union.

The Dynamics of Federalism in National and Supranational Political

Systems Michael A. Pagano, 2007-01-17 This collection of essays is designed to help scholars and practitioners understand the fluid and dynamic nature of federalism with particular emphasis on the federal system in the United States The book is written to aid our understanding of the contemporary question which federalism

Protest in the Provinces Allison D. Evans, 2025-06-03 In the immediate aftermath of the Soviet Union's collapse Russia entered shock therapy a series of neoliberal and seemingly democratizing reforms that sought to quickly undo the decades old communist planned economy fused Party State autocratic political system and highly centralized government Russians were indeed shocked by the resulting runaway inflation political chaos declining living standards rising unemployment and persistent wage arrears Protest in the Provinces examines the popular reactions to this dire economic decline which varied in scale intensity and aims across similar industrial company towns during the 1990s Analyzing local media archival documents and interviews Allison D Evans provides a detailed and comparative history of protests in three such cities Cherepovets dominated by the steel industry Komsomolsk na Amure by defense and Surgut by oil and gas In doing so she illuminates a range of strategies local elites used to control and respond to protesters which were influenced by the primary industry's level of dependence on the central state and the extent of elite unity Unique in its close range analysis of participation and protest in provincial cities this book reshapes understandings of Russia's transition to capitalism and provides insights into the activism that continues in provincial Russia today

Regionalism After Regionalisation Frans Schrijver, 2006 Concentrating on three countries Spain France and the United Kingdom and three regional case studies of Galicia Brittany and Wales this book offers an analysis of the development of political regionalism after regionalisation

People, Places and Policy Martin Jones, Scott Orford, Victoria Macfarlane, 2015-08-27 The Open Access version of this book available at www.tandfebooks.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 3.0 license Set within the context of UK devolution and constitutional change People Places and Policy offers important and interesting insights into place making and locality making in contemporary Wales Combining policy research with policy maker and stakeholder interviews at various spatial scales local regional national it examines the historical processes and working practices that have produced the complex political geography of Wales This book looks at the economic social and political geographies of Wales which in the context of devolution and public service governance are hotly debated It offers a novel new localities theoretical framework for capturing the dynamics of locality making to go beyond the obsession with boundaries and coterminous geographies expressed by policy makers and politicians Three localities Heads of the Valleys north of Cardiff central and west coast regions Ceredigion Pembrokeshire and the former district of Montgomeryshire in Powys and the A55 corridor from Wrexham to Holyhead are discussed in detail to illustrate this and also reveal the geographical tensions of devolution in contemporary Wales This book is an original statement on the making of contemporary Wales from the Wales Institute of Social and Economic Research Data and Methods WISERD researchers It deploys a novel new localities theoretical

framework and innovative mapping techniques to represent spatial patterns in data This allows the timely uncovering of both unbounded and fuzzy relational policy geographies and the more bounded administrative concerns which come together to produce and reproduce over time Wales regional geography

The Blackwell Dictionary of Modern Social Thought William Outhwaite, 2008-04-15 Modern social thought ranges widely from the social sciences to philosophy political theories and doctrines cultural ideas and movements and the influence of the natural sciences Provides an authoritative overview of the main themes of social thought Long essays and entries give full coverage to each topic Covers major currents of thought philosophical and cultural trends and the individual social sciences from anthropology to welfare economics New edition updates about 200 entries and includes new entries suggestions for further reading and a bibliography of all sources cited within the text

The New Labour Constitution Michael Gordon, Adam Tucker, 2022-02-10 The New Labour government first elected in 1997 had a defining influence on the development of the modern UK constitution This book combines legal and political perspectives to provide a unique assessment of the way in which this major programme of constitutional reform has changed the nature of the UK constitution The chapters written by leading experts in UK public law and politics analyse the impact and legacy of the New Labour reform programme some 20 years on from the 1997 general election and reveal the ways in which the UK constitution is now to a significant extent the New Labour constitution The book takes a broad approach to exploring the legacy of the New Labour years for the UK constitution The contributors evaluate a range of specific substantive reforms including on human rights devolution freedom of information and the judicial system changes to the process and method of constitutional reform under New Labour the impact on key institutions such as the judiciary and Parliament and a number of wider constitutional themes including national security administrative justice and the relationship between the Labour Party and constitutionalism The book also reflects on the future challenges for the constitution constructed by New Labour and the prospects for further constitutional reform In bringing together this range of perspectives to reflect on the implications of the New Labour era of reform this book offers a critical examination of a foundational period in the development of the contemporary UK constitution

Italy Mark Donovan, 1998 The main purpose of this book is to make readily available leading articles on Italian politics published over the last 25 years The book was compiled during an unusually turbulent period even by Italian standards after having had three general elections in four years 1992 1996 and an entirely new configuration of political parties vying to manage Italy This has led to a bout of heightened interest in Italian politics particularly as this crisis encapsulates many of the challenges confronting the advanced capitalist democracies more generally such as the weakening of established dominant parties Volumes I and II both presented here aim to explore the evolution of Italian politics from the post war period to the current crisis giving an historical perspective

Whispering the Techniques of Language: An Psychological Journey through **Regionalism And Regional Devolution In Comparative Perspective**

In a digitally-driven world where displays reign supreme and immediate interaction drowns out the subtleties of language, the profound techniques and emotional nuances concealed within phrases usually get unheard. Yet, located within the pages of **Regionalism And Regional Devolution In Comparative Perspective** a fascinating literary value blinking with raw thoughts, lies a fantastic journey waiting to be undertaken. Composed by a skilled wordsmith, that charming opus encourages visitors on an introspective trip, gently unraveling the veiled truths and profound affect resonating within the fabric of every word. Within the psychological depths with this moving evaluation, we shall embark upon a honest exploration of the book is key themes, dissect their interesting publishing fashion, and succumb to the powerful resonance it evokes strong within the recesses of readers hearts.

Regionalism And Regional Devolution In Comparative Perspective Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Regionalism And Regional Devolution In Comparative Perspective free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Regionalism And Regional Devolution In Comparative Perspective free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and

allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Regionalism And Regional Devolution In Comparative Perspective free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Regionalism And Regional Devolution In Comparative Perspective. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Regionalism And Regional Devolution In Comparative Perspective any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Regionalism And Regional Devolution In Comparative Perspective Books

1. Where can I buy Regionalism And Regional Devolution In Comparative Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Regionalism And Regional Devolution In Comparative Perspective book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
