The Journal of the European Society for Textual Scholarship. Wim Van Mierlo, Alexandre Fachard, 2013 This volume is the 10th issue of *Variants* In keeping with the mission of the European Society for Textual Scholarship the articles are richly interdisciplinary and transnational They bring to bear a wide range of topics and disciplines on the field of textual scholarship historical linguistics digital scholarly editing classical philology Dutch English Finnish and Swedish Literature publishing traditions in Japan book history cultural history and folklore The questions that are explored what texts are worth editing what is the nature of the relationship between text work document and book what is a critical digital edition all return to fundamental issues that have been at the heart of the editorial discipline for decades With refreshing insight they assess the increasingly hybrid nature of the theoretical considerations and practical methodologies employed by textual scholars while reasserting the relevance and need for producing scholarly editions whether in print or digital and continuing advanced research in bibliographical codes textual transmissions genetic dossiers the fluidity of texts and other such Subjects that connect textual scholarship with broader investigations into our nations literary culture and written heritage

Theses on the Metaphors of Digital-Textual History Martin Paul Eve, 2024-07-16 Digital spaces are saturated with metaphor we have pages sites mice and windows Yet in the world of digital textuality these metaphors no longer function as we might expect Martin Paul Eve calls attention to the digital textual metaphors that condition our experience of digital space and traces their history as they interact with physical cultures Eve posits that digital textual metaphors move through three life phases Initially they are descriptive Then they encounter a moment of fracture or rupture Finally they go on to have a prescriptive life of their own that conditions future possibilities for our text environments even when the metaphors have become untethered from their original intent Why is whitespace white Was the digital page always a foregone conclusion Over a series of theses Eve addresses these and other questions in order to understand the moments

when digital textual metaphors break and to show us how it is that our textual softwares become locked into paradigms that no longer make sense Contributing to book history literary studies new media studies and material textual studies Theses on the Metaphors of Digital Textual History provides generative insights into the metaphors that define our digital worlds

The Work of Revision Hannah Sullivan,2013-01-01 Revision might seem to be an intrinsic part of good writing But Hannah Sullivan argues that we inherit our faith in the virtues of redrafting from early twentieth century modernism Closely examining changes made in manuscripts typescripts and proofs by T S Eliot Ezra Pound Ernest Hemingway James Joyce Virginia Woolf and others she shows how modernist approaches to rewriting shaped literary style and how the impulse to touch up alter and correct can sometimes go too far In the nineteenth century revision was thought to mar a composition s originality a prejudice cultivated especially by the Romantics who believed writing should be spontaneous and organic and that rewriting indicated a failure of inspiration Rejecting such views avant garde writers of the twentieth century devoted themselves to laborious acts of rewriting both before and after publishing their work The great pains undertaken in revision became a badge of honor for writers anxious to justify the value and difficulty of their work In turn many of the distinctive effects of modernist style ellipsis fragmentation parataxis were produced by zealous experimental acts of excision and addition The early twentieth century also saw the advent of the typewriter It proved the ideal tool for extensive multi stage revisions superior even to the word processor in fostering self scrutiny and rereading across multiple drafts Tracing how master stylists from Henry James to Allen Ginsberg have approached their craft The Work of Revision reveals how techniques developed in the service of avant garde experiment have become compositional orthodoxy

Joyce's Creative Process and the Construction of Characters in Ulysses Luca Crispi,2015 This book is both a study of how James Joyce created two of the most iconic characters in literature Leopold Bloom and Marion Tweedy Bloom as well as a history of the genesis of Ulysses From a genetic critical perspective it explores the conception and evolution of the Blooms as fictional characters in the work

s wide range of surviving notes and manuscripts At the same time it also chronicles the production of *Ulysses* from 1917 to its first edition in 1922 and beyond Based on decades of research it is an original engagement with the textual archive of *Ulysses* including the exciting recently discovered manuscripts now in the National Library of Ireland Luca Crispi excavates the raw material and examines the creative processes Joyce deployed in the construction of the Blooms and so the writing of *Ulysses* Framed by a contextual introduction and four bibliographical appendices the seven main chapters are a critical investigation of the fictional events and memories that constitute the lives of the Blooms Thereby it is also a commentary on Joyce s conception of *Ulysses* more generally Crispi analyzes how the stories in the published book achieved their final form and discloses previously unexamined versions of them for everyone who enjoys reading *Ulysses* This book demonstrates the various ways in which specialist textual work on the genesis of *Ulysses* directly intersects with other critical and interpretive readings Joyce s Creative Process is a behind the scenes guide to the creation of one of the most important books ever written

John Clare Simon Kövesi,2017-08-02 This book investigates what it is that makes John Clare s poetic vision so unique and asks how we use Clare for contemporary ends It explores much of the criticism that has appeared in response to his life and work and asks hard questions about the modes and motivations of critics and editors Clare is increasingly regarded as having been an environmentalist long before the word appeared this book investigates whether this green rush to place him as a radical proto ecologist does any disservice to his complex positions in relation to social class work agriculture poverty and women This book attempts to unlock Clare s own theorisations and practices of what we might now call an ecological consciousness and works out how his ecocentric mode might relate to that of other Romantic poets Finally this book asks how we might treat Clare as our contemporary while still being attentive to the peculiarities of his unique historical circumstances

Microhistories of Composition Bruce Mccomiskey,2016-04-01 Writing studies has been dominated throughout its history by grand narratives of the discipline but in this volume Bruce McComiskey begins to explore microhistory as a way to understand enrich and complicate how the field relates to its past Microhistory investigates

the dialectical interaction of social history and cultural history enabling historians to examine uncommon sites objects and agents of historical significance overlooked by social history and restricted to local effects by cultural history This approach to historical scholarship is ideally suited for exploring the complexities of a discipline like composition Through an introduction and eleven chapters McComiskey and his contributors including major figures in the historical research of writing studies such as Louise Wetherbee Phelps Kelly Ritter and Neal Lerner develop focused narratives of particular significant moments or themes in disciplinary history They introduce microhistorical methodologies and illustrate their application and value for composition historians contributing to the complexity and adding momentum to the emerging trend within writing studies toward a richer reading of the field's past and future Scholars and historians of both composition and rhetoric will appreciate the fresh perspectives on institutional and disciplinary histories and larger issues of rhetorical agency and engagement enacted in writing classrooms that are found in *Microhistories of Composition* Other contributors include Cheryl E Ball Suzanne Bordelon Jacob Craig Matt Davis Douglas Eyman Brian Gogan David Gold Christine Martorana Bruce McComiskey Josh Mehler Annie S Mendenhall Kendra Mitchell Antony N Ricks David Stock Kathleen Blake Yancey Bret Zawilski and James T Zebroski

Digital Scholarly Editions Beyond Text Tessa Gengnagel, 2024-02-07 Scholarly editions contextualize our cultural heritage Traditionally methodologies from the field of scholarly editing are applied to works of literature e g in order to trace their genesis or present their varied history of transmission What do we make of the variance in other types of cultural heritage How can we describe record and reproduce it systematically From medieval to modern times from image to audiovisual media the book traces discourses across different disciplines in order to develop a conceptual model for scholarly editions on a broader scale By doing so it also delves into the theory and philosophy of the digital humanities as such

The Death of the Book John Lurz, 2016-07-01 An examination of the ways major novels by Marcel Proust James Joyce and Virginia Woolf draw attention to their embodiment in the object of the book *The Death of the Book* considers how bookish format plays a role in some of the twentieth century's most famous literary experiments Tracking the passing of time in which reading unfolds these novels position the book's so called death in terms that refer as much to a simple description of its future vis vis other media forms as to the sense of finitude these books share with and transmit to their readers As he interrogates the affective physical and temporal valences of literature's own traditional format and mode of access John Lurz shows how these novels stage intersections with the phenomenal world of their readers and develop a conception of literary experience not accounted for by either rigorously historicist or traditionally formalist accounts of the modernist period Bringing together issues of media and mediation book history and modernist aesthetics *The Death of the Book* offers a new and deeper understanding of the way we read now

The Late Cantos of Ezra Pound Michael Kindellan, 2017-10-19 Drawing extensively on archival research *The Late Cantos of Ezra Pound* critically explores the textual history of Pound's late verse namely *Section Rock Drill* 1955 and *Thrones* 1959 Examining unpublished letters draft

manuscripts and other prepublication material this book addresses the composition revision and dissemination of these difficult texts in order to shed new light on their significance to Pound's wider project his methods and techniques and the structures of authority literary and political that govern the meaning of his poetry Illustrated by reproductions of archival documents The Late Cantos of Ezra Pound is an innovative new study of one of the most important poets of the 20th century
