Reinventing Paul:

Reinventing Paul John G. Gager, 2002-05-16 Throughout the Christian era Paul has stood at the center of controversy accused of being the father of Christian anti Semitism But have we misunderstood the man and his teachings for nearly 2 000 years In this highly accessible book John Gager challenges this entrenched view of Paul arguing persuasively that Paul s words have been taken out of their original context distorted and generally misconstrued Gager takes us in search of the real Paul using Paul s own writings Through an exhaustive analysis of Paul s letters to the Galatians and the Romans he provides illuminating answers to the key questions Did Paul repudiate the Law of Moses Did he believe that Jews had been rejected by God and replaced as His chosen people by Gentiles Did he consider circumcision to be necessary for salvation And did he expect Jews to find salvation through Jesus To all these questions John Gager answers no First he puts Paul s proselytizing in context Paul was an apostle to the Gentiles not the Jews His most vehement arguments were directed not against Judaism but against competing apostles in the Jesus movement who demanded that Gentiles be circumcised and conform to Jewish law in order to be saved Moreover Paul relied on rhetorical devices that were familiar to his intended audience but opaque to later readers of the letters As a result his message has been misunderstood by all succeeding generations Reinventing Paul brilliantly sets forth a controversial interpretation of Paul's teaching This thought provoking portrait is essential reading for theologians and lay people historians and philosophers Christians and Jews Paul's Corporate Christophany Rob A. Fringer, 2019-02-28 Paul s Christophany i e his Damascus Road Experience has been the subject of much scholarly analysis However treatments of this phenomenon while widely varied have tended to extract the various references from their literary contexts in order to reconstruct the event to discover the foundations and content of Paul's Christology or to analyze Paul's experience of conversion and or call The current study focused on the undisputed Pauline epistles evaluates how and why Paul employed the various Christophanic references in their particular literary and sociohistorical contexts Through this assessment the importance of Paul's Christophanic references as part of his larger arguments is established It is shown how Paul uniquely shapes the various Christophanic references to fit the needs of his argument and through it the needs of each community Furthermore this study demonstrates that Paul s Christophanic references do not primarily establish his apostolic status or assert his apostolic authority Through this study the corporate nature of Paul's Christophanic references becomes increasingly evident and multiple general conclusions are drawn which provide a possible glimpse into Paul's understanding **Reading Paul's Letter to the Romans** Jerry L. Sumney, 2012-11-13 In this volume of his Christophanic experience leading scholars in the study of Romans invite students and nonspecialists to engage this text and thus come to a more complete understanding of both the letter and Paul's theology The contributors include interpreters with different understandings of Romans so that readers see a range of interpretations of central issues in the study of the text Each essay includes a short review of different positions on a topic and an argument for the author's position set out in clear

Iewish people Rereading Galatians from the Perspective of Paul's Gospel Yung Suk Kim, 2019-10-29 Galatians has often been read from a rhetorical perspective with an emphasis on justification by faith Paul's autobiographical experience proofs of the gospel and exhortations to the Galatians However it can be read as a letter of which the main theme is the gospel an umbrella term that covers many other topics including faith righteousness freedom and new creation Paul writes Galatians not to argue for an individual justification by faith understood from a forensic salvation perspective but to make explicit his gospel that all can become children of God through faith In Paul's logic what comes first is God's promise faith is a response to it through Christ and the law can be fulfilled through faith The gospel that Paul proclaimed to the Galatians is based on God who called them in the grace of Christ 1 6 Kim challenges the traditional reading of Galatians exploring different dimensions of the gospel 1 God as the origin and root of the gospel 2 Christ as the exemplifier of God s gospel through faithfulness 3 the followers of Jesus as the children of God who participate in Christ's faithfulness and continue to proclaim the good news of God through Jesus Paul's Three Paths to Salvation Gabriele Boccaccini,2020-09-29 We no longer need to separate Paul from Judaism in order to claim his Christianness writes Gabriele Boccaccini nor do we need to separate him from the early Jesus movement in order to state his Jewishness With this guiding principle Boccaccini unpacks the implications of Paul's belonging simultaneously to Judaism and Christianity to arrive at the surprising and provocative conclusion that there are in fact three paths to salvation For Jews adherence to Torah For gentiles good works according to conscience and natural law For all sinners forgiveness through faith in Jesus Christ Paul s Three Paths to Salvation is an attempt to reconcile the many facets of Paul's complex identity while reclaiming him from accusations of intolerance Boccaccini s work in reestablishing Paul as a messenger of God s mercy to sinners is an important contribution to the ongoing conversation about Paul's place in the contemporary pluralistic world Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain Paul's Definitions of the Gospel in Romans 1 Robert Matthew Calhoun, 2011 Revision of the author's thesis doctoral University of Chicago Navigating Paul Jouette M. Bassler, 2007-01-01 Jouette Bassler one of the foremost experts on Pauline theology offers her wisdom and insight into the core of Paul's thought in this brief and accessible book She focuses on major themes in Paul such as grace law faith righteousness Israel resurrection and what it means to be in Christ Through each of these themes she explores the wealth of Paul s various writings lifting up the most important and basic of Paul s ideas and explaining them within the context of the ancient Greco Roman world God in Paul's Letters Timothy Milinovich, Normand Bonneau, Robert F. J., 2023-06-29 In Pauline studies where Christological questions have often carried the day Paul's understanding of God is emerging to play an equally important role What did it mean to the apostle that God is sovereign Lord of history and creation This volume explores the various ways that the theme of God is foundational to Paul's seven undisputed letters with attention to the diverse perspectives of each letter In addition the volume offers essays on overarching topics such as epistemology and the new creation that Paul describes in his writing The authors engage as well challenging questions including Paul s views on evangelizing all people Jew and Gentile alike Readers will come away with a deeper appreciation for both the theology and the Christology of Paul whose understanding of God provides the key to the salvific plan realized in Christ Perspective on Paul James D.G. Dunn, 2008 The New Perspective on Paul By author James D.G. Dunn published on January 2008 by James D G Dunn 2008 Paul's Designations of God in Romans Wing Yi Au, 2023-08-03 Wing Yi Au investigates Paul s ways of characterizing God in Romans and finds that Paul s divine designations in the letter trace God s essential salvific activites Meanwhile special emphasis is put on the inclusion of Gentiles in God's plan of salvation Righteousness in Wisdom of Solomon and Paul's Letter to the Romans Jonathan A. Linebaugh, 2013-09-12 In God Grace and Righteousness in Wisdom of Solomon and Paul's Letter to the Romans Jonathan A Linebaugh places the Wisdom of Solomon and the Letter to the Romans in conversation Both texts discuss the relationship of Jew and Gentile the meaning of God's grace and righteousness and offer readings of Israel's scripture These shared themes provide talking points initiating a dialogue on anthropology soteriology and hermeneutics By listening in on this conversation Linebaugh demonstrates that while these texts have much in common the theologies they articulate are ultimately incommensurable because they think from different events Wisdom from the pre creational order crafted by Sophia and exemplified in the Exodus Paul from the incongruous gift of Christ which justifies the ungodly **Paul's Gentile-Jews** J. Garroway, 2012-11-09 Drawing upon the concepts of cultural and linguistic hybridity developed by Homi Bhabha Salman Rushdie Mikhail Bakhtin and others Garroway suggests that the first generation of Gentile converts were uncertain whether they had become Jews or remained Gentiles in the wake of their baptism into Christ Paul's Declaration of Freedom from a Freed Slave's Perspective Robin G. Thompson, 2023-03-27 This project attempts to listen to voices that have seldom been heard While others have explored Paul's theology of Christian freedom they have not considered how Paul's declaration of freedom would have been received by those who most desired and valued freedom the slaves and freedpersons in the Galatian churches In this study Robin Thompson explores both Greek and Roman manumission considers how the ancient Mediterranean world conceived of freedom and then examines the freedom declared in Galatians from a freed slaves s perspective She proposes that these freedpersons would likely have perceived this freedom to be not only spiritual freedom but at least in the Christian communities individual freedom as well Paul's Interlocutor in Romans 2 Runar Thorsteinsson, 2015-12-22 Thorsteinsson s study of Romans poses a thoroughly argued challenge to Pauline scholarship His argument has the potential of invalidating

the reading of Romans 2 hat has contributed to a perception of Paul as utterly negative towards his fellow Jews and first century Judaism Among matters of scholarly dispute is the function and identity of Paul s interlocutor s in chapter 2 of Romans Scholars agree universally that the individual addressed in 2 17 29 is a Jew but with respect to the identity of the interlocutor of 2 1 5 there is no consensus The majority of scholars hold that the interlocutor is a Jew throughout the chapter A weighty minority argues that the individual addressed in 2 1 5 is a Gentile and that there is a shift of interlocutor in 2 17 In his investigation into the pros and cons of these positions Thorsteinsson endeavors to challenge both majority and minority Basic to his approach is to allow the larger context and framework of the letter to be of help in assessing the function and identity of Paul's partner's in dialogue Thus the epistolary structure and setting of Romans the relationship between Paul and his audience the identity of the audience and the dialogical style of the letter are used to ascertain the function and identity of Paul's interlocutor's in Romans 2 By engaging an imaginary interlocutor Paul utilizes a well established epistolary technique in Greco Roman antiquity Thorsteinsson concludes that Paul wrote Romans to a particular group of people in a specific contemporaneous situation The letter s message arose out of Paul s missionary obligation to proclaim God s good news to Gentiles in Rome The minority view that Paul's interlocutor in 2 1 5 is a Gentile is combined with the majority opinion that there is but one interlocutor throughout the chapter In sum the common opinion that Romans 2 contains Paul s piercing critique of his fellow Jew should be rejected The individual censured in the chapter is not a Jew but a Gentile who The New Testament and Rabbinic Literature Reimund Bieringer, 2010 This book brings together the claims to be a Jew contributions of the foremost specialists on the relationship of the New Testament and Rabbinic Literature They present the history of scholarship and deal with the main methodological issues and analyze both legal and literary problems
