Relationships And How To Survive Them:

Relationships and How to Survive Them Liz Greene, 2023-09-12 Relationships are and always have been the greatest of human mysteries and the chief source of both our joy and our suffering Astrology offers many profound insights which can help us understand why we become involved with particular individuals and why we sometimes enact compulsive patterns which work against our conscious wishes and expectations The two seminars in this reprint of the CPA Press original although different in focus both explore the enigma of relationships from an astrological perspective The first seminar explores relationship through the composite chart examining the ways in which this third entity carries within it a particular pattern of development independent of the two individuals involved No existing work on composite charts examines the subject in such psychological depth The second seminar discusses the archetypal dilemma of the eternal triangle why we become involved in triangular relationships and what factors in the horoscope might suggest a predisposition to this kind of relationship dynamic Triangles have been the subject of great literature and art throughout history and while no relationship experience causes us such conflict and suffering no human experience is so common and familiar to us all Divine

Intimate Relationships Mavis Klein,2013-09-27 If human life as the author argues is a constant and desperate bid to compensate for our mortality then the desire to love and to be loved is our greatest imagined panacea against the fact of our death In modern Western society our problems have changed now with our stomachs full our need to feel we are struggling to survive has become increasingly focussed on a growing dissatisfaction and insecurity in our personal relationships Drawing on her 35 years experience as an individual and group psychotherapist Mavis Klein here elaborates her original theory of five basic personality types ten compound types and fifteen ways in which the basic types interact with each other in our relationships to others She clearly elucidates the behaviours that disguise our often self induced pains and how these pains can be transmuted into our greatest talents and joy This book addresses the reality of the world we are so often unwilling to accept the irrational and violent world of shame doubt guilt fear love and hate

Winning With Honour: In Relationships, Family, Organisations, Leadership, And Life Siong Guan Lim,Joanne H Lim,2016-04-25 Following the success of their first book *The Leader The Teacher You* which won the Singapore Literature Book Prize in the Non Fiction Category in 2014 Siong Guan and Joanne H Lim have collaborated again to produce their new book *Winning with Honour In Relationships Family Organisations Leadership and Life* The book draws upon wisdom from history geography culture religion the wisdom of the ancients as well as writings and examples from all over the world The book posits that there is a universality in the message of Honour that can prove valuable to all who would care to reflect on how to sustain success in one s life family community organisation and or nation The purpose of this book is to invite you to think about what winning in life actually means and seeks to raise consciousness about the virtue of Honour in our lives particularly in the two dimensions of Honouring Our Word and Honouring Each Other Segmented into 10 parts and drawing from a collection of wisdom literature the book posits that Honour does not just explain Singapore s journey from Third World Economy to First World Economy in a generation but is an essential virtue that

undergirds purposefulness in life happiness in family stability in society advantage in business success in leadership and security in the nation Written in a unique format that is accessible to people from all walks of life the book seeks to showcase what is possible if imagination and human enterprise are coupled with honour

Transforming Conflict through Communication in Personal, Family, and Working Relationships Peter M. Kellett, Thomas G. Matyók, 2016-11-15 A transformational approach to conflict argues that conflicts must be viewed as embedded within broader relational patterns and social and discursive structures Central to this book is the idea that the origins of transformation can be momentary situational and small scale or large scale and systemic The momentary involves shifts and meaningful changes in communication and related patterns that are created in communication between people Momentary transformative changes can radiate out into more systemic levels and systemic transformative changes can radiate inward to more personal levels This book engages this transformative framework by bringing together current scholarship that epitomizes and highlights the contribution of communication scholarship and communication centered approaches to conflict transformation in personal family and working relationships and organizational contexts The resulting volume presents an engaging mix of scholarly chapters think pieces and personal experiences from the field of practice and everyday life The book embraces a wide variety of theoretical and methodological approaches including narrative critical intersectional rhetorical and quantitative It makes a valuable additive contribution to the ongoing dialogue across and between disciplines on how to transform conflicts creatively sustainably and ethically
