Shklar Legalism:

Legalism Judith N. Shklar, 1986 Incisively and stylishly written this book constitutes an open challenge to reconsider the fundamental question of the relationship of law to society *Judging State-Sponsored Violence, Imagining Political Change* Bronwyn Leebaw, 2011-04-18 How should state sponsored atrocities be judged and remembered This controversial question animates contemporary debates on transitional justice and reconciliation This book reconsiders the legacies of two institutions that transformed the theory and practice of transitional justice Whereas the Nuremberg Trials exemplified the promise of legalism and international criminal justice South Africa's Truth and Reconciliation Commission promoted restorative justice and truth commissions Leebaw argues that the two frameworks share a common problem both rely on criminal justice strategies to investigate experiences of individual victims and perpetrators which undermines their critical role as responses to systematic atrocities Drawing on the work of influential transitional justice institutions and thinkers such as Judith Shklar Hannah Arendt Jos Zalaquett and Desmond Tutu Leebaw offers a new approach to thinking about the critical role of transitional justice one that emphasizes the importance of political judgment and investigations that examine complicity in and resistance to systematic atrocities *The Rule of Law Under Fire?* Raymond Wacks, 2021-10-21 Does the rise of populism authoritarianism and nationalism threaten the welfare of the rule of law Is this fundamental democratic ideal under siege In this timely and important book Raymond Wacks examines the philosophical roots of the rule of law and its modern often contentious interpretation He then investigates 16 potential ideological economic legal and institutional dangers to the rule of law They range from the exercise of judicial and administrative discretion and parliamentary sovereignty to the growth of globalisation the war on terror and the disquieting power of Big Tech He also considers the enactment and enforcement in several countries of Draconian measures to curtail the spread of COVID 19 which has generated fears that these emergency powers may outlive the pandemic and become a permanent feature of the legal landscape thereby impairing the rule of law Wacks identifies which issues among this extensive array pose genuine risks to the rule of law and suggests how they might be confronted to ensure its defence and preservation **The Cambridge Companion to the Rule of Law** Jens Meierhenrich, Martin Loughlin, 2021-08-12 The Cambridge Companion to the Rule of Law introduces students scholars and practitioners to the theory and history of the rule of law one of the most frequently invoked and least understood ideas of legal and political thought and policy practice It offers a comprehensive re assessment by leading scholars of one of the world's most cherished traditions This high profile collection provides the first global and interdisciplinary account of the histories moralities pathologies and trajectories of the rule of law Unique in conception and critical in its approach it evaluates breaks down and subverts conventional wisdom about the rule of law for the twenty first century A Rule of Law for Our New Age of Anxiety Stephen J Toope, 2023-06-01 Taking Auden's Age of Anxiety as a leitmotiv and drawing on literature from law philosophy political theory international relations and sociology Toope argues

with passion that a renewed faith in the rule of law can address troubling developments in our own anxious times populist nationalism globalisation and disruptive technologies with their dominating platforms We can address anxiety by bolstering social resilience drawing upon a plural intellectual heritage That heritage reveals a unique type of authority in society epistemic practical authority built up continuously through social discourse and action shifting focus from the state of being to the dynamic of becoming What is law s role in this world The modest yet powerful version of the rule of law advocated here is one that draws on a wellspring of practical wisdom prudence gleaned from pragmatic experience It chastens power while not disconnecting law from other sources of social action and human agency

Spectacles and Specters Başak Ertür, 2022-11-15 WINNER SLSA SOCIO LEGAL THEORY AND HISTORY PRIZE SHORTLISTED THE HART SLSA BOOK PRIZE *Spectacles and Specters* draws on theories of performativity to conceptualize the entanglements of law and political violence offering a radical departure from accounts that consider political trials as instrumental in exercising or containing political violence Legal scholar Başak Ertür argues instead that making sense of the often incalculable interpenetrations of law politics and violence in trials requires shifting the focus away from law s instrumentality to its performativity Ertür develops a theory of political trials by reconstructing and building on a legacy of critical thought on Nuremberg in close engagement with theories of performativity She then offers original case studies that introduce a new perspective by looking beyond the Holocaust trials to the Armenian genocide and its fragmentary legal aftermaths These cases include the 1921 trial of Soghomon Tehlirian the 2007 21 Hrant Dink Murder Trial and the 2015 case before the European Court of Human Rights concerning the denial of the Armenian genocide Enabling us to capture the various modalities in which the political emerges in through and in relation to legal forms on the stage of the trial this focus on law s performativity also allows us to account for how sovereign schemes can misfire and how trials can come to have unintended political lives and afterlives Further it reveals how law is entangled with and perpetuates certain histories of violence rather than simply ever mastering these histories or providing closure

Anti-Impunity and the Human Rights Agenda Karen Engle, Zinaida Miller, D. M. Davis, 2016-12-15 This volume presents and critiques the distorted effects of the international human rights movement s focus on the fight against impunity

Exile, Statelessness, and Migration Seyla Benhabib, 2018-09-11 An examination of the intertwined lives and writings of a group of prominent twentieth century Jewish thinkers who experienced exile and migration *Exile Statelessness and Migration* explores the intertwined lives careers and writings of a group of prominent Jewish intellectuals during the mid twentieth century in particular Theodor Adorno Hannah Arendt Walter Benjamin Isaiah Berlin Albert Hirschman and Judith Shklar as well as Hans Kelsen Emmanuel Levinas Gershom Scholem and Leo Strauss Informed by their Jewish identity and experiences of being outsiders these thinkers produced one of the most brilliant and effervescent intellectual movements of modernity Political philosopher Seyla Benhabib s starting point is that these thinkers faced migration statelessness and exile because of their Jewish origins even if they did not take positions on specifically

Jewish issues personally The sense of belonging and not belonging of being eternally half other led them to confront essential questions What does it mean for the individual to be an equal citizen and to wish to retain one's ethnic cultural and religious differences or perhaps even to rid oneself of these differences altogether in modernity Benhabib isolates four themes in their works dilemmas of belonging and difference exile political voice and loyalty legality and legitimacy and pluralism and the problem of judgment Surveying the work of influential intellectuals Exile Statelessness and Migration recovers the valuable plurality of their Jewish voices and develops their universal insights in the face of the crises of this new century Political Trials in Theory and History Jens Meierhenrich, Devin O. Pendas, 2017-02-27 From the trial of Socrates to the post 9 11 military commissions trials have always been useful instruments of politics Yet there is still much that we do not understand about them Why do governments use trials to pursue political objectives and when What differentiates political trials from ordinary ones Contrary to conventional wisdom not all political trials are show trials or contrive to set up scapegoats This volume offers a novel account of political trials that is empirically rigorous and theoretically sophisticated linking state of the art research on telling cases to a broad argument about political trials as a socio legal phenomenon All the contributors analyse the logic of the political in the courtroom From archival research to participant observation and from linguistic anthropology to game theory the volume offers a genuinely interdisciplinary set of approaches that substantially advance existing knowledge about what political trials are how they work and why they matter Liberalism Against Itself Samuel Moyn, 2023-01-01 The Cold War roots of liberalism's present crisis A daring new book Becca Rothfeld Washington Post A fascinating and combative intellectual history Gideon Rachman Financial Times By the middle of the twentieth century many liberals looked glumly at the world modernity had brought about with its devastating wars rising totalitarianism and permanent nuclear terror They concluded that far from offering a solution to these problems the ideals of the Enlightenment including emancipation and equality had instead created them The historian of political thought Samuel Moyn argues that the liberal intellectuals of the Cold War era among them Isaiah Berlin Gertrude Himmelfarb Karl Popper Judith Shklar and Lionel Trilling transformed liberalism but left a disastrous legacy for our time In his iconoclastic style Moyn outlines how Cold War liberals redefined the ideals of their movement and renounced the moral core of the Enlightenment for a more dangerous philosophy preserving individual liberty at all costs In denouncing this stance as well as the recent nostalgia for Cold War liberalism as a means to counter illiberal values Moyn presents a timely call for a new emancipatory and egalitarian liberal philosophy a path to undoing the damage of the Cold War and to ensuring the survival of liberalism *American Foreign Policy Ideology and the International Rule of Law* Malcolm Jorgensen, 2020-01-02 Demonstrates American legal policymakers hold competing conceptions of the international rule of law structured by foreign policy ideologies **Arendt on Freedom, Liberation, and Revolution** Kei Hiruta, 2019-03-06 This edited volume focuses on what Hannah Arendt famously called the *raison d'être* of politics freedom The unique collection of essays clarifies her flagship idea of political

freedom in relation to other key Arendtian themes such as liberation revolution civil disobedience and the right to have rights In addressing these contributors to this volume juxtapose Arendt with a number of thinkers from Isaiah Berlin John Rawls and Philip Pettit to Karl Marx Frantz Fanon and Geoffroy de Lagasnerie They also consider the continuing relevance of Arendt's work to some of the most dramatic events in recent years including the current global refugee crisis the Arab uprisings of the 2010s and the ongoing crisis of liberal democracy in the West and beyond Contributors include Keith Breen Joan Cocks Tal Correm Christian J Emden Patrick Hayden Kei Hiruta Anthony F Lang Jr Shmuel Lederman Miriam Leonard Natasha Saunders William Smith and Shiyu Zhang

Negative Emotions and Transitional Justice

Mihai, 2016-03-22 Vehement resentment and indignation are pervasive in societies emerging from dictatorship or civil conflict How can institutions channel these emotions without undermining the prospects for democracy Emphasizing the need to recognize and constructively engage negative public emotions Mihaela Mihai contributes theoretically and practically to the growing field of transitional justice Drawing on an extensive philosophical literature and case studies of democratic transitions in South Africa South America and Eastern Europe her book rescues negative emotions from their bad reputation and highlights the obstacles and the opportunities such emotions create for democracy By valorizing negative emotions either through the judicial review of transitional justice bills or the criminal trials of victimizers institutions realize the value of respect and concern for all while contributing to a culture that is hospitable to democracy

Sing the Rage Sonali Chakravarti, 2022-12-22 What is the relationship between anger and justice especially when so much of our moral education has taught us to value the impartial spectator the cold distance of reason In *Sing the Rage* Sonali Chakravarti wrestles with this question through a careful look at the emotionally charged South African Truth and Reconciliation Commission which from 1996 to 1998 saw day after day individuals taking the stand to speak to cry scream and wail about the atrocities of apartheid Uncomfortable and surprising these public emotional displays she argues proved to be of immense value vital to the success of transitional justice and future political possibilities Chakravarti takes up the issue from Adam Smith and Hannah Arendt who famously understood both the dangers of anger in politics and the costs of its exclusion Building on their perspectives she argues that the expression and reception of anger reveal truths otherwise unavailable to us about the emerging political order the obstacles to full civic participation and indeed the limits the frontiers of political life altogether Most important anger and the development of skills needed to truly listen to it foster trust among citizens and recognition of shared dignity and worth An urgent work of political philosophy in an era of continued revolution *Sing the Rage* offers a clear understanding of one of our most volatile and important political responses

Green Transitional Justice Rachel Killeen, Lauren Dempster, 2025-06-30 This book rethinks the boundaries of transitional justice urging scholars and practitioners to confront the often overlooked nexus between mass violence and ecological harm Through an in depth analysis of the field's limitations such as its anthropocentric legalism neocolonial practices and alignment with neoliberalism

the book critiques the historical marginalisation of Nature in transitional justice discourse and practice. It argues that ignoring environmental harm not only undermines the possibility of holistic justice but also perpetuates structural violence and inequality. In response, the book sketches a greener transitional justice integrating principles from environmental justice, Indigenous knowledge systems and ecocentric perspectives. It explores the possibilities of recognising Nature as a victim of mass violence, adapting existing mechanisms to incorporate environmental harm and fostering transformative approaches premised on the interdependence of human and ecological well-being. This book is written for students, researchers and practitioners of transitional justice and fields related to conflict transformation, peacebuilding, environmental protection and development.

Critical Legal Studies Andrew Altman, 2021-06-08. Scholars in the Critical Legal Studies movement have challenged some of the most cherished ideals of modern Western legal and political thought. CLS thinkers claim that the rule of law is a myth and that its defense by liberal thinkers is riddled with inconsistencies. This first book-length liberal reply to CLS systematically examines the philosophical underpinnings of the CLS movement and exposes the deficiencies in the major lines of CLS argument against liberalism.

Complementarity, Catalysts, Compliance Christian M. De Vos, 2020-04-23. Critically explores the International Criminal Court's evolution and the domestic effects of its interventions in three African countries.

Humanity across International Law and Biolaw Britta van Beers, Luigi Corrias, Wouter G. Werner, 2014-02-13. The concepts of humanity, human dignity and mankind have emerged in different contexts across international law and biolaw. This raises many different questions: What are the aims for which humanity is mobilised? How do these aims affect the ensuing interpretations of this concept? What are the negative counterparts of humanity, mankind and human dignity? And what happens if a concept developed in one particular context is taken up in another? By bringing together research from international law, biolaw and legal theory, this volume answers such questions by analysing how the concepts overlap and contradict each other across the disciplines. The result is not an examination of what humanity is but rather what it does and what it brings about in a variety of contexts.

Responsibility on Trial Liana Georgieva Minkova, 2023-02-16. Establishing individual criminal responsibility for mass atrocities is the foundational principle of international criminal justice, but this process is highly complex and is accompanied by political and legal dilemmas about its operation. The book examines the drafting, interpretation and application of the rules for assessing individual criminal responsibility as those rules emerge from the intense contestations among judges, lawyers and academics within the legal field. Focusing on the International Criminal Court (ICC), the book provides a rich analysis of the international debates around questions of criminal responsibility by interrogating formal legal documents and legal scholarship alongside more candid accounts, interviews, memoirs, minutes. These debates are of key importance for international criminal law and global justice because how criminal responsibility laws are construed in practice determines which conduct merits punishment and ultimately demarcates the boundaries of what are considered the gravest acts that shock humanity.

Law and the Exception Gian-Giacomo Fusco, Przemysław

Tacik,2025-09-26 This book proposes a paradigm shift in the way that the state of exception as it is usually named in legal and political theory is to be understood Building on the assumption that the exception is a heuristic idea that is still a relevant category for a critical deconstruction of law this book argues that it needs to be rethought outside the boundaries of its traditional understanding To this end the book offers two strategies First it develops the ideas of exceptionality and exceptionalisation in order to grasp how measures norms and mechanisms that clearly have an exceptional character are no longer confined within the boundaries of classic institutions such as the state of exception martial law the state of emergency and so on As demonstrated recently during the COVID 19 pandemic legal systems may dissimulate the exceptional as the normal avoiding the use of formal states of exception and adopting measures that are of exceptional nature This book maintains that it is necessary to think of exceptionality outside of its usual legal footholds Emergency laws are considered here as part of a more general sphere of exceptionality that must be understood as the product of a process of the accumulation of symbols practices notions and images that are only partially expressed through law despite having long populated the legal imagination Second the book offers an analysis of the inner exceptional life of liberal constitutionalism the subterranean authoritarian drives dissimulated by the rule of law This book will interest scholars and researchers in legal and political theory as well as continental philosophy

Eventually, you will utterly discover a new experience and feat by spending more cash. nevertheless when? attain you assume that you require to get those every needs following having significantly cash? Why dont you try to acquire something basic in the beginning? Shklar Legalism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shklar Legalism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shklar Legalism has opened up a world of possibilities. Downloading Shklar Legalism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shklar Legalism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shklar Legalism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shklar Legalism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shklar Legalism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shklar Legalism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers,

free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shklar Legalism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shklar Legalism is one of the best book in our library for free trial. We provide copy of Shklar Legalism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shklar Legalism. Where to download Shklar Legalism online for free? Are you looking for Shklar Legalism PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Shklar Legalism. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Shklar Legalism are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Shklar Legalism. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition

book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Shklar Legalism To get started finding Shklar Legalism, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Shklar Legalism So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Shklar Legalism. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Shklar Legalism, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Shklar Legalism is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Shklar Legalism is universally compatible with any devices to read.
