Shotgun For Hire The Story Of Deacon Jim Miller Killer Of Pat Garrett:

SHOTGUN FOR HIRE Glenn Shirley,1970 Cold Case: The Assassination of Pat Garrett W.C. Jameson,2020-09-01

Investigating History s Mysteries The assassination of Sheriff Pat Garrett one of the most notorious lawmen of the American West remained one of the most puzzling and perplexing unsolved mysteries for more than a century As a result of sophisticated forensic analysis of the historical crime scene as well as the discovery of new evidence the mystery has been solved Most know Pat Garrett as the self proclaimed slayer of the outlaw Billy the Kid on the night of July 14 1881 in Fort Sumner New Mexico The event propelled Garrett into regional and national headlines and generated a momentum that led the lawman to consider seeking higher political offices Garrett s plans were thwarted by his self destructiveness however In spite of his notoriety he was a bumbling lawman a debtor an alcoholic an adulterer and addicted to gambling After being removed from his position as sheriff he retired to a ranch in Uvalde Texas only to be summoned back to New Mexico to investigate the disappearance of Colonel Albert Jennings Fountain In this pursuit he failed once again Garrett s downward spiral created a sense of desperation in the lawman and his continuing difficulties caused him to lose what few friends he had and generate numerous enemies In time his enemies had had enough of him and decided he had to go *Pat Garrett* Leon Claire Metz,1983-03-01 Biography of the man who killed Billy the Kid this thorough and well written analysis deals effectively with almost every question that has been raised about the controversial life and death of Pat Garrett *Captain Jack and the Dalton Gang* John J. Kinney,2005 chronicles the tale of Captain John Kinney chief detective for the Missouri Kansas and Texas Katy Railroad and his confrontation with the Dalton gang on July 14 1892 at Adair Indian Territory Also includes material on his work as the chief detective for the Atchison Topeka and Santa Fe Railroad a Texas Ranger and a U S deputy marshal affiliated with Hanging Judge Isaac Parker s court Book description *Tragedy and Triumph on the Texas Plains: Curious Historic Chronicles from Murders to Movies* Chuck Lanehart,2021 Out on the Texas Plains wrangling with history resembles taking in the sunset a stampede of splendor and shadow all at once Roam an Ohio sized patch of prairie and take stock of the heroic tasks and moral dilemmas facing the unforgettable characters who called West Texas home Ben Hogan sinks a putt with the focus of the Clovis man who hunted mammoth in the same spot thousands of years before Lubbock s largest lawsuit runs its interminable course And a starving Roy Rogers makes a quick meal of jackrabbit on the Llano Estacado Chuck Lanehart gathers statesmen and journalists outlaws and entertainers in these profiles of the Texas Plains **The Gunfighters** Bryan Burrough,2025-06-03 One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of *The Big Rich* and *Forget the Alamo* comes an epic reconsideration of the time and place that spawned America s most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan

Burrough shows us in his dazzling and fast paced new book there s much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It s never stopped The Gunfighters brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story Captain John R. Hughes, Lone Star Ranger Chuck Parsons,2011

The first full and complete modern biography of Texas Ranger Captain Hughes who served as a Texas Ranger from 1887 until early 1915 longer than any other on the force He first came to the attention of the Rangers after trailing horse thieves and recovering his stock In his golden years he became a national celebrity receiving more awards and honors than any other Texas Ranger **Western Gunslingers in Fact and on Film** Buck Rainey,2015-11-17 Billy the Kid Wild Bill Hickok Belle Starr Wyatt Earp the Younger Gang the Dalton Doolin Gang and Bat Masterson these real life lawmen and lawbreakers have been the basis of so many Hollywood Westerns that it has become difficult to discover where the truth ends and the legend begins All actually became larger than life characters during their lifetimes as contemporary newspapers and books embellished their deeds for their own purposes But it was in Hollywood that the line between reality and myth was completely blurred Each chapter length entry here first focuses on the known facts of the people s lives and how each became truly legendary during their lifetimes The reality is then compared to how they have been portrayed in the movies

The American West on Film Johnny D. Boggs,2019-11-15 More than a history of Western movies The American West on Film intertwines film history the history of the American West and American social history into one unique volume The American West on Film chronicles 12 Hollywood motion pictures that are set in the post Civil War American West including The Ox Bow Incident Red River High Noon The Searchers The Magnificent Seven Little Big Man and Tombstone Each film

overview summarizes the movie's plot details how the film came to be made the critical and box office reactions upon its release and the history of the time period or actual event This is followed by a comparison and contrast of the filmmakers version of history with the facts as well as an analysis of the film's significance then and now Relying on contemporary accounts and historical analysis as well as perspectives from filmmakers historians and critics the author describes what it took to get each movie made and how close to the historical truth the movie actually got Readers will come away with a better understanding of how movies often reflect the time in which they were made and how Westerns can offer provocative social commentary hidden beneath old fashioned shoot em ups Encyclopedia of Western Gunfighters Bill O'Neal, 1979

Sifting factual information from among the lies legends and tall tales the lives and battles of gunfighters on both sides of the law are presented in a who's who of the violent West
