The Sociological Perspective Michael Leming, Raymond De Vries, Brendan Furnish, 2009-10-10 Sociology and Christianity Attempting to bring sociology and Christianity together is like trying to mix oil and water Christians seem to have as little regard for sociology as sociologists generally have for Christianity However in the middle of this conflict there is a group bold enough to call themselves Christian sociologists they are not willing to be stereotyped but are seriously committed to both realms This collection of essays covers topics that are typically addressed in introductory sociology courses Written from a Christian point of view these essays are also geared for a wide range of readers from undergraduates to professional sociologists who bring faith commitments to the sociological task The editors goal is to provide an understanding of societal forces that is

Anderson,2013-10-04 What is the relationship between the gospel and the church s responsibility toward the poor Can social action be evangelism Wasted Evangelism is an exploration in the Gospel of Mark on the subject of evangelism and social action A proclamation centered definition of evangelism based on the etymology of the word evangelize and a few isolated proof texts is devoid of much of the biblical content that Mark offers to us through his Gospel detaching the concept of evangelism from the narrative meaning that Mark gives to the gospel of Jesus Christ In Wasted Evangelism Chip Anderson develops an exegetically based narrative understanding of biblical evangelism which according to Mark s Gospel includes God s care for the economically vulnerable and his concern for the issues of poverty The studies gathered in this volume propose that social action should not be considered a separate distinct responsibility for the church but is rather a vital component of evangelism A close examination of Mark s Gospel and the biblical texts associated with idolatry poverty and justice provides an opportunity for church leadership to rethink the evangelistic activities of their churches and to reconsider what it means to engage their surrounding communities as agents of God s kingdom **The Social Context of Pastoral Care** George M.
