## **Magic Dimensions Personal Transformations Through Magic Miracles And Quantum Mechanics:**

*Magic Dimensions* Sharon A. Gill, Dave R. Oester, 2002-03-29 This book is about personal transformation caused by undesirable changes in our health employment finances relationships or other personal areas We will show how personal transformations can occur through magic miracles and quantum mechanics Magic is real if you believe in it and through magic miracles are caused to happen and through miracles we can understand the workings of quantum mechanics Follow us as we journey through the magic found in the Native American pathway that is called the Red Road Explore the magic of pagan witchcraft and how it connects to early Christianity The Dead Sea Scrolls reveals the ancient Language of Prayer and how it is interwoven into magical rituals and parallel dimensions

*How to Photograph the Paranormal* Leonore Sweet, 2004-12-08 A Must Have Guide for Investigating the Paranormal Have inexplicable spheres and fogs ever ruined any of your photographs If you discarded them thinking dirt on the lens or camera glitches were to blame you may want to retrieve them and reconsider These spheres and fogs may be paranormal light forms Light forms are mentioned in literature on angels aliens UFOs ghosts crop circles near death experiences inter dimensional beings magick and thought forms Hypnotized subjects describe the lights as the forms we become between lives on Earth This entertaining book examines the many theories about what these energies may be and presents evidence throughout history that confirms their existence Starting out as a novice photographer the author captured the apparent spirit of her sister's dog That began her great adventure into researching orbs vortexes and ectoplasms that are appearing in pictures worldwide In this book you will learn as she did how when and where to photograph and interact with these intelligent life forms How to Photograph the Paranormal has something for everyone from the simply curious to ghost hunters and paranormal researchers The book features dozens of original paranormal photographs many in full color Mysterious lights evidently have been with us all along but they are now making extra efforts to reveal themselves to humanity This book is an eye opening glimpse into their world

Metaphysics of Watson Unitary Caring Science Jean Watson, 2024-04-05 Delivers a transcendent worldview uniting science metaphysics and a cosmology of Love in the service of healing humanity This innovative publication addresses metaphysics as a core consideration and foundation for the evolution of nursing in the context of Watson's Unitary Care Science It affirms and invites a maturing of the nursing profession and its developing consciousness of human universe as the substance of Unitary Caring Science along with its basis in the evolving cosmology of love Within this conceptual framework the book examines metaphysics and the non physical invisible spirit realm of human experiences health and healing creating a new space to explore the relationship between science and spirit phenomena generally eschewed in Western thought Addressing such topics as the meaning of metaphysics and why now is an ideal moment to pursue a unity of nursing and metaphysics the book describes the personal metaphysical and mystical experiences of the author and other contributors as a catalyst for readers to awaken and examine their own such experiences Using an evolved Unitary Caring Science worldview

of what is considered real and true within this paradigm and beyond Western science the text honors the self in relation to diverse unique experiences of patients from all backgrounds and belief systems It explores personal experiences that cannot be explained using the dominant worldview and seeks to integrate science and metaphysics as a core branch of philosophy A metaphysical understanding of nursing s unitary relational worldview of oneness as foundation for mature discipline and practice provides nurses with a philosophical theoretical and scientific foundation for the evolution of humankind The text also explores the cosmology of Love as the foundational energy of life and the basis of a new call to the nursing profession to awaken their ancient and future role as metaphysicians of caring health and healing Key Features Provides metaphysical evidence and a deep philosophical understanding of the role of metaphysics and the cosmology of Love within Watson s Unitary Caring Science Disseminates these teachings through the writings of prominent nurse scholars philosophers theologians scientists and historians Includes personal moments messages and quotes to create evocative imaginative meanings and inspiration to metaphysical phenomena Demonstrates how the concept of soul and spirit can be metaphysically reconciled as a real and true phenomena of concern within nursing Explores Unitary Caring Science in depth in relation to mature nursing phenomena and a worldview encompassing healing and health Alternative Medicine and Miracles

Reginald O. Crosley,2004 From the twentieth century to the present the scientific medical establishment is taking consideration of alternative healing practices Having witnessed positive results medical researchers are facing urgent inquiries According to author Reginald O Crosley M D the exotic scientific principles revealed in quantum mechanics relativity theories strings theory and chaos theory directly correspond to alternative medicines and miraculous healings
