## **Main Street Ussr:**

**Main Street, U.S.S.R.** Irving R. Levine, 1959      Main Street, USSR. Irving R. Levine, 1960      **Main Street** Irving R. Levine, 1959      **Area Handbook for the Soviet Union** Eugene K. Keefe, 1971 One of a series of handbooks prepared by Foreign Area Studies FAS of the American University      All this is your World Anne E. Gorsuch, 2011-08-11 In the Khrushchev era Soviet citizens were newly encouraged to imagine themselves exploring the medieval towers of Tallinn's Old Town relaxing on the Romanian Black Sea coast even climbing the Eiffel Tower By the mid 1960s hundreds of thousands of Soviet citizens each year crossed previously closed Soviet borders to travel abroad All this is your World explores the revolutionary integration of the Soviet Union into global processes of cultural exchange in which a de Stalinizing Soviet Union increasingly if anxiously participated in the transnational circulation of people ideas and items Anne E Gorsuch examines what it meant to be Soviet in a country no longer defined as Stalinist All this is your World is situated at the intersection of a number of topics of scholarly and popular interest the history of tourism and mobility the cultural history of international relations specifically the Cold War the history of the Soviet Union after Stalin It also offers a new perspective on our view of the European continent as a whole by probing the Soviet Union's relationship with both eastern and western Europe using archival materials from Russia Estonia Hungary Great Britain and the United States Beginning with a domestic tour of the Soviet Union in late Stalinism the book moves outwards in concentric circles to consider travel to the inner abroad of Estonia to the near abroad of eastern Europe and to the capitalist West finally returning home again with a discussion of Soviet films about tourism      The Olympics and the Cold War, 1948-1968 Erin Elizabeth Redihan, 2017-02-28 For Olympic athletes fans and the media alike the games bring out the best sport has to offer unity patriotism friendly competition and the potential for stunning upsets Yet wherever international competition occurs politics are never far removed Early in the Cold War when all U S Soviet interactions were treated as potential matters of life and death each side tried to manipulate the International Olympic Committee Despite the IOC's efforts to keep the games apolitical they were quickly drawn into the superpowers global struggle for supremacy with medal counts the ultimate prize Based on IOC U S government and contemporary media sources this book looks at six consecutive Olympiads to show how high the stakes became once the Soviets began competing in 1952 threatening America's athletic supremacy      **Cars for Comrades** Lewis H. Siegelbaum, 2011-08-15 The automobile and Soviet communism made an odd couple The quintessential symbol of American economic might and consumerism never achieved iconic status as an engine of Communist progress in part because it posed an awkward challenge to some basic assumptions of Soviet ideology and practice In this rich and often witty book Lewis H Siegelbaum recounts the life of the Soviet automobile and in the process gives us a fresh perspective on the history and fate of the USSR itself Based on sources ranging from official state archives to cartoons car enthusiast magazines and popular films Cars for Comrades takes us from the construction of the huge Soviet Detroit's emblems of the utopian phase of Soviet

planning to present day Togliatti where the fate of Russia's last auto plant hangs in the balance. The large role played by American businessmen and engineers in the checkered history of Soviet automobile manufacture is one of the book's surprises and the author points up the ironic parallels between the Soviet story and the decline of the American Detroit. In the interwar years automobile clubs, car magazines and the popularity of rally races were signs of a nascent Soviet car culture; its growth slowed by the policies of the Stalinist state and by Russia's intractable roadlessness. In the postwar years cars appeared with greater frequency in songs, movies, novels and in propaganda that promised to do better than car crazy America. Ultimately Siegelbaum shows the automobile epitomized and exacerbated the contradictions between what Soviet communism encouraged and what it provided. To need a car was a mark of support for industrial goals; to want a car for its own sake was something else entirely. Because Soviet cars were both hard to get and chronically unreliable and such items as gasoline and spare parts so scarce, owning and maintaining them enmeshed citizens in networks of private, semi-illegal and ideologically heterodox practices that the state was helpless to combat. Deeply researched and engagingly told, this masterful and entertaining biography of the Soviet automobile provides a new perspective on one of the twentieth century's most iconic and important technologies and a novel approach to understanding the history of the Soviet Union itself. USSR, 1963

**Encyclopedia of Twentieth Century Journalists** William H. Taft, 2015-07-16. Originally published in 1986. This book is a unique compilation of biographical sketches which covers editors, publishers, photographers, bureau chiefs, columnists, commentators, cartoonists and artists. Alphabetical entries provide overviews of the lives and personalities of a good cross-section of important people. There is also a short essay on awards and prize winners. Everything is efficiently indexed. This is a supremely useful reference tool for those in mass media and popular culture fields.

**Performing Peace and Friendship** Pia Koivunen, 2022-11-07. Performing Peace and Friendship tells the story of how the Soviet Union succeeded in utilizing the World Festival of Youth and Students in its cultural diplomacy from late Stalinism through the early Khrushchev period. Pia Koivunen discusses the evolution of the youth gathering into a Soviet cultural product starting from the first festival held in Prague in 1947 and ending with the Moscow 1957 gathering, the latter becoming one of the most frequently referred moments of Khrushchev's Thaw. By combining both institutional and grass roots perspectives, the book widens our understanding of what Soviet cultural diplomacy was in practice, re-evaluates the agency of young people and provides new insights into the Soviet role in the cultural Cold War. Koivunen argues that rather than simply being orchestrated rallies by the Kremlin bureaucrats, the World Youth Festivals also became significant spaces of transnational encounters for young people who found ways to employ the event for overcoming the various restrictions and boundaries of the Cold War world.

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1961. Includes Part 1 Number 1 2 Books and Pamphlets Including Serials and Contributions to Periodicals January-December. *Television and Political Communication in the Late Soviet Union* Kirsten Bönker, 2020-07-15. This study focuses on Soviet television audiences and

examines their watching habits and the way they made use of television programs Kirsten B nker challenges the common misconception that viewers perceived Soviet television programming and entertainment culture as dull and formulaic This study draws extensively on archival sources and oral history interviews to analyze how Soviet television involved audiences in political communication and how it addressed audiences emotional commitments to Soviet values and the Soviet way of life B nker argues that the Brezhnev era influenced political stability and brought an unprecedented rise of the living standards creating new meanings for consumerism the idea of the home and private life among Soviet citizens Exploring the concept of emotional bonding this study engages broader discussions on the durability of the Soviet Union until perestroika *USSR Information Bulletin* ,1951

### **Anti-Communism and Popular Culture in Mid-Century America** Cyndy

Hendershot,2015-10-03 Not long after the Allied victories in Europe and Japan America s attention turned from world war to cold war The perceived threat of communism had a definite and significant impact on all levels of American popular culture from government propaganda films like Red Nightmare in Time magazine to Adventures of Rocky and Bullwinkle This work examines representations of anti communist sentiment in American popular culture from the early fifties through the mid sixties The discussion covers television programs films novels journalism maps memoirs and other works that presented anti communist ideology to millions of Americans and influenced their thinking about these controversial issues It also points out the different strands of anti communist rhetoric such as liberal and countersubversive ones that dominated popular culture in different media and tells a much more complicated story about producers and consumers ideas about communism through close study of the cultural artifacts of the Cold War Instructors considering this book for use in a course may request an examination copy here *Soviet Life* ,1967

### **Writing Marketing** Stephen Brown,2005-09-15 Marketing is a very diverse discipline dealing with everything from the costs of globalization to the benefits of money back guarantees However there is one thing that all marketing academics share They are writers They publish or perish Their careers are advanced and their reputations are enhanced by the written word Despite its importance writing is rarely discussed much less written about by marketing scholars It is one of the least understood yet most significant academic competencies It is a competency in need of careful study Writing Marketing is the first such study It offers a detailed reading of five renowned marketing writers ranging from Ted Levitt to Morris Holbrook and draws lessons that can be adopted with profit by everyone else Although it is not a how to book there are no lengthy lists of dos and don ts Writing Marketing reveals that the rules of good writing are good for nothing Written by Stephen Brown whose own writing skills are much commented upon Writing Marketing is insightful illuminating and iconoclastic It is a must read for every marketing academic irrespective of their methodological inclinations or philosophical preferences *Accessions List* United States. Department of State. Library Division,1959

*Investigation of the Assassination of President John F. Kennedy* United States. Warren Commission,1964 Warren Commission hearings *The Mind of Oswald* Diane Holloway,2006-07-13 Lee Harvey Oswald the accused assassin of

President John F Kennedy has remained an enigma for several decades Fortunately Lee Harvey Oswald was one of those people who wrote a lot As a result the public can see the workings of his mind as his writings are displayed in chronological order throughout his life They are accompanied by historical events and psychological commentary The activities of Jack Ruby who killed Oswald are tracked and give insight regarding his murderous act A psychological and political analysis of Oswald is included as well as an explanation of most of Oswald s entries in his address book Problems of Communism,1959

## **Main Street Ussr Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Main Street Ussr PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial

barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Main Street Ussr PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Main Street Ussr free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Main Street Ussr Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Main Street Ussr is one of the best book in our library for free trial. We provide copy of Main Street Ussr in digital format, so the resources that you find are reliable.
