The Science of Beauty Annelie Ramsbrock, 2015-05-20. What did the cosmetic practices of middle-class women in the nineteenth century have in common with the repair of men's bodies mutilated in war? What did the New Woman of the Weimar years have to do with the field of social medicine that emerged in the same period? They were all part of a conversation about the cosmetic modification of bodies, a debate shaped by scientific knowledge and normative social models. Conceived as a cultural history, this book examines the history of artificially created beauty in Germany from the late Enlightenment to the early days of National Socialist rule.

The Art of Beauty Mary Haweis, 2014-03-29. This is a new release of the original 1878 edition. **All for Beauty** Adrienne L. McLean, 2022-07-15. This book provides an industrial history that examines how and why makeup and hairdressing evolved as crafts in the studio era. Readers will never again watch Hollywood films without thinking about the roles of makeup and hairdressing in creating not just fictional characters but stars as emblems of an idealized and undeniably mesmerizing visual perfection.

Post Tara Ward,2024-04-30 What does an art history of Instagram look like Appreciation Post reveals how Instagram shifts long established ways of interacting with images Tara Ward argues Instagram is a structure of the visual which includes not just the process of looking but what can be seen and by whom She examines features of Instagram use including the effect of scrolling through images on a phone the skill involved in taking an Instagram worthy picture and the desires created by following influencers to explain how the constraints imposed by Instagram limit the selves that can be displayed on it The proliferation of technical knowledge especially among younger women revitalizes on Instagram the myth of the masculine genius and a corresponding reinvigoration of a masculine audience for art Ward prompts scholars of art history gender studies and media studies to attend to Instagram as a site of visual expression and social consequence Through its insightful comparative analysis and acute close reading Appreciation Post argues for art history s value in understanding the contemporary world and the visual nature of identity today Istanbul Appearances

Claudia Liebelt,2023-03-17 In the twenty first century the consumption of beauty services and cosmetic surgery in Turkey has developed from an elite phenomenon to an increasingly common practice especially among younger and middle aged women Turkey now ranks among the top countries worldwide with the highest number of cosmetic procedures and with its cultural and economic capital Istanbul has become a regional center for the beauty and fashion industries Istanbul Appearances illustrates the profound effects of this growing market on urban residents body images gendered norms and practices Drawing upon extensive fieldwork carried out in beauty salons and clinics in different parts of the city Liebelt explores how standards of femininity and female desire have shifted since the consolidation of power and authoritarian rule of the conservative Islamic Justice and Development Party Arguing that the politics of beauty are intricately bound up with the politics of race class gender and sexuality Liebelt shows that female bodies have become a major site for the negotiation of citizenship It is in the

numerous beauty salons and clinics that heteronormative ideals and images of gendered bodies become real embodied in a complex array of emotional desires of who and what is considered not only beautiful but also morally proper
