Making Peace

It's time to take a stand for peace and justice

Check out our new book *How to Make Peace* by John M. Howard

Making Peace The Reconstruction Of Gender In Interwar Britain

Julie V. Gottlieb, Richard Towe

Making Peace The Reconstruction Of Gender In Interwar Britain:

Making Peace Susan Kingsley Kent, 2019-01-15 *Making Peace* provides a fresh context for understanding gender relations in interwar Britain seeing in the emergence of a powerful ideology of motherhood and a reemphasis on separate spheres for men and women a corollary to the political and economic restructuring designed to reestablish social order after World War I The war had often been explained and justified to the British public by means of images that portrayed women as hostile or frightening or as victims of sexual assault as in the Belgian atrocity stories These sexualized interpretations of war then shaped postwar understandings of gender as psychiatrists psychologists and sexologists drew on metaphors of war to talk about relationships between men and women likening any conflict between the sexes to the terrible chaos of the war years Drawing on materials from posters to popular songs from government reports to journalistic accounts from memoirs and novels to diaries and letters *Making Peace* is a penetrating analysis of how gendered and sexualized depictions of wartime experiences compelled many Britons to seek in traditional gender arrangements the key to postwar order and security In the interwar period many feminists compromised their earlier positions in an effort to contribute to postwar recovery and justified their demands for birth control and family endowment for example in conservative terms that ultimately hampered their movement Susan Kingsley Kent is Associate Professor of History at the University of Colorado at Boulder She is also the author of *Sex and Suffrage in Britain 1860-1914* Princeton Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Gender and Power in Britain, 1640-1990 Susan Kingsley Kent, 1999 This is a history of Britain from the early modern period to the present focusing on gender in society Several areas are explored and a chronological framework is used to make this an exciting journey through the last few centuries *Gendering Peace in Europe c. 1880-2000* Julie V. Gottlieb, Gaynor Johnson, 2022-04-27 This book examines the connection between notions of gender diplomacy society and peacemaking in the period c 1880 to the mid to late twentieth century The chapters in this volume place gender history at the interface with international history and international relations They explore a wide variety of themes and issues within the British and European context especially notions of gender identity the politics and culture of women's suffrage in the early part of the twentieth century and the role gender played in the formulation and execution of British foreign policy The book also breaks new ground by attempting to gender diplomacy Further it revisits the popular view that women were connected with the peace movements that grew up after the First World War because the notion of peace was associated with stereotypical female traits such as the rejection of violence and the nurturing rather than

destruction of humankind The chapters in this book were originally published as a special issue of the journal *Diplomacy and Statecraft* *The Oxford Handbook of Gender, War, and the Western World since 1600* Karen Hagemann, Stefan Dudink, Sonya O. Rose, 2020-10-30 To date war history has focused predominantly on the efforts of and impact of war on male participants However this limited focus disregards the complexity of gendered experiences with war and the military The Oxford Handbook of Gender War and the Western World since 1600 investigates how conceptions of gender have contributed to the shaping of military culture examining the varied ideals and practices that have socially differentiated men and women s wartime experiences Covering the major periods in warfare since the seventeenth century The Handbook explores cultural representations of war and the interconnectedness of the military with civil society and its transformations *The Aftermath of Suffrage* Julie V. Gottlieb, Richard Toye, 2013-05-28 This collection explores the aftermath of the Representation of the People Act which gave some British women the vote Experts examine the paths taken by both former suffragists as well as their anti suffragist adversaries the practices of suffrage commemoration and the changing priorities and formations of British feminism in this era Gender Politics and Mass Dictatorship J. Lim, K. Petrone, 2010-12-14 Unique in comparative scope this volume brings together global scholarship on gender Thirteen international experts explore the gendered mobilization of men and women in twentieth century European and Asian mass dictatorships and colonial empires examining both mobilization from above and self empowerment from below *Gender and the Historian* Johanna Alberti, 2014-07-10 Why are most famous historians men How have women changed the writing of history over the last decades What lives and stories have been hidden from history Until recently history was predominantly the domain of men That men were the authors of our past meant that in many cases only half of the story was told In the second half of the twentieth century however the picture changed Women and indeed some men as well started to address gender history Women had been investigated historically before but never with such intensity nor such breadth The impetus for this writing was both political and academic as feminists were determined to explore lives which until then had been disregarded *Gender and the Historian* charts the entry and development of this new history showing how such considerations furthered postmodernism and ultimately reinvigorated the very core of History *Labour's First Century* Duncan Tanner, Pat Thane, Nick Tiratsoo, 2000-09-11 The Labour Party s centenary is an appropriate moment to evaluate its performance across the twentieth century and to reflect on why a party which has so many achievements to its credit nonetheless spent so much of the period in opposition Duncan Tanner Pat Thane and Nick Tiratsoo have assembled a team of acknowledged experts who cover a wide range of key issues from economic policy to gender The editors also provide a lucid accessible introduction *Labour s First Century* covers the most important areas of party policy and practice always placing these in a broader context Taken together these essays challenge those who minimize the party s contribution whilst they also explain why mistakes and weaknesses have occurred Everyone interested in British political history whether supporters or opponents of the Labour

Party will need to read *Labour's First Century* War and Sex John V. H. Dippel, 2011-09-27 Dippel reviews social circumstances leading up to conflicts from the American Civil War through the Vietnam War and the current clash with Islamic fundamentalists and explores how tensions over gender roles affect men's willingness to go to war **The Oxford History of the First World War** Hew Strachan, 2023 A team of some of the world's most distinguished First World War historians chart the causes, course and profound political and human consequences of a conflict that changed the world

Weimar through the Lens of Gender Julia Roos, 2017-09-28 This book will make a valuable contribution to the field of German history as well as the histories of gender and sexuality. The argument that Weimar feminism did bring about tangible gains for women needs to be made and Roos has done so convincingly. Julia Sneeringer, Queens College. Until 1927 Germany had a system of state-regulated prostitution under which only those prostitutes who submitted to regular health checks and numerous other restrictions on their personal freedom were tolerated by the police. Male clients of prostitutes were not subject to any controls. The decriminalization of prostitution in 1927 resulted from important postwar gains in women's rights, yet this change, while welcomed by feminists, Social Democrats and liberals, also mobilized powerful conservative resistance. In the early 1930s the right-wing backlash against liberal gender reforms like the 1927 prostitution law played a fateful role in the downfall of the Weimar Republic and the rise of Nazism. *Weimar through the Lens of Gender* combines the political history of early twentieth-century Germany with analytical perspectives derived from the fields of gender studies and the history of sexuality. The book's argument will be of interest to a broad readership: specialists in the fields of gender studies and the history of sexuality as well as historians and general readers interested in Weimar and Nazi Germany. Julia Roos is Assistant Professor of History at Indiana University, Bloomington. Jacket art: Hamburg, vermutlich St. Pauli, 1920er/30er Jahre, photographer unknown, s.w. Fotografie. Courtesy of the Museum für Hamburgische Geschichte. Fatherlands Abigail Green, 2001-09-06 An exploration of the nature of identity in nineteenth-century Germany **Maneuvers** Cynthia Enloe, 2000-02-01 *Maneuvers* takes readers on a global tour of the sprawling process called militarization. With her incisive verve and moxie, eminent feminist Cynthia Enloe shows that the people who become militarized are not just the obvious ones: executives and factory floor workers who make fighter planes, land mines and intercontinental missiles. They are also the employees of food companies, toy companies, clothing companies, film studios, stock brokerages and advertising agencies. Militarization is never gender-neutral, Enloe claims. It is a personal and political transformation that relies on ideas about femininity and masculinity. Films that equate action with war, condoms that are designed with a camouflage pattern, fashions that celebrate brass buttons and epaulettes, tomato soup that contains pasta shaped like Star Wars weapons—all of these contribute to militaristic values that mold our culture in both war and peace. Presenting new and groundbreaking material that builds on Enloe's acclaimed work in *Does Khaki Become You?* and *Bananas, Beaches and Bases*, *Maneuvers* takes an international look at the politics of masculinity, nationalism and globalization. Enloe ranges widely from Japan to Korea, Serbia

Kosovo Rwanda Britain Israel the United States and many points in between She covers a broad variety of subjects gays in the military the history of camp followers the politics of women who have sexually serviced male soldiers married life in the military military nurses and the recruitment of women into the military One chapter titled When Soldiers Rape explores the many facets of the issue in countries such as Chile the Philippines Okinawa Rwanda and the United States Enloe outlines the dilemmas feminists around the globe face in trying to craft theories and strategies that support militarized women locally and internationally without unwittingly being militarized themselves She explores the complicated militarized experiences of women as prostitutes as rape victims as mothers as wives as nurses and as feminist activists and she uncovers the maneuvers that military officials and their civilian supporters have made in order to ensure that each of these groups of women feel special and separate

Gender History in Practice Kathleen Canning, 2006 The eight essays collected in this volume examine the practice of gender history and its impact on our understanding of European history Each essay takes up a major methodological or theoretical issue in feminist history and illustrates the necessity of critiquing and redefining the concepts of body citizenship class and experience through historical case studies Kathleen Canning opens the book with a new overview of the state of the art in European gender history She considers how gender history has revised the master narratives in some fields within modern European history such as the French Revolution but has had a lesser impact in others Weimar and Nazi Germany *Gender History in Practice* includes two essays now regarded as classics *Feminist History after the Linguistic Turn* and *The Body as Method* as well as new chapters on experience citizenship and subjectivity Other essays in the book draw on Canning's work at the intersection of labor history the history of the welfare state and the history of the body showing how the gendered social body was shaped in Imperial Germany The book concludes with a pair of essays on the concepts of class and citizenship in German history offering critical perspectives on feminist understandings of citizenship Featuring an extensive thematic bibliography of influential works in gender history and theory that will prove invaluable to students and scholars *Gender History in Practice* offers new insights into the history of Germany and Central Europe as well as a timely assessment of gender history's accomplishments and challenges

Palatable Poison Laura L. Doan, Jay Prosser, 2001 The *Well of Loneliness* was released in Britain in 1928 and was immediately controversial This text gathers together classic essays on the book to provide an understanding of how views have changed

British Culture and the First World War George Robb, 2017-09-16 The First World War has left its imprint on British society and the popular imagination to an extent almost unparalleled in modern history Its legacy of mass death mechanized slaughter propaganda and disillusionment swept away long standing romanticized images of warfare and continues to haunt the modern consciousness Focusing on the lives of ordinary Britons George Robb's engaging new study seeks to comprehend what it meant for an entire society to undergo the tremendous shocks and demands of total war how it attempted to make sense of the conflict explain it to others and deal with the war's legacies *British Culture and the First World War* examines

the war's impact on ideologies of race class and gender the government's efforts to manage news and to promote patriotism the role of the arts and sciences and the commemoration of the war in the decades since Synthesizes much of the best and most recent scholarship on the social and cultural history of the war Reclaims a great deal of neglected or forgotten popular cultural sources such as films cartoons juvenile literature and pulp fiction Compact but comprehensive this accessible and refreshing text is essential reading for anyone interested in British society and culture during the turbulent years of the First World War

Modernizing Tradition Adam C. Stanley, 2008-12-15 In the turbulent decades after World War I both France and Germany sought to return to an idealized prewar past Many people believed they could recapture a sense of order and stability by reinstituting traditional gender roles which the war had thrown off balance While French and German women necessarily filled men's roles in factories and other jobs during the war those who continued to lead active working lives after World War I risked being called modern women Far from a compliment this derogatory label encompassed everything society found threatening about women's new place in public life smoking working women who preferred independence and sexual freedom to a traditional role in the home Society felt threatened by the image of the modern woman yet also realized that conceptions of femininity needed to accommodate the cultural changes brought about by the Great War In *Modernizing Tradition* Adam C Stanley explores how interwar French and German popular culture used commercial images to redefine femininity in a way that granted women some access to modern life without encouraging the assertion of female independence Examining advertisements articles and cartoons as well as department store publicity materials from the popular press of each nation Stanley reveals how the media attempted to convince women that with the help of newly available consumer goods such as washing machines refrigerators and vacuum cleaners being a mother or a housewife could be empowering even liberating A life devoted to the home these images promised need not be an unmitigated return to old fashioned tradition but could offer a rewarding lifestyle based on the wonders and benefits of modern technology Stanley shows that the media carefully limited women's association with modernity to those activities that reinforced women's traditional roles or highlighted their continued dependence on masculine guidance expertise and authority In this cross national study Stanley brings into sharp relief issues of gender and consumerism and reveals that despite the larger political differences between France and Germany gender ideals in the two countries remained virtually identical between the world wars That these concepts of gender stayed static over the course of two decades years when nearly every other aspect of society and culture seemed to be in constant flux attests to their extraordinary power as a force in French and German society

Britishness Since 1870 Paul Ward, 2004-04-15 Examines the definition and redefinition of Britishness since the 1870s and looks at how Britishness has adapted to changing circumstances over time

Crime and the First World War in Scotland DR CAMERON. MCKAY, 2025-01-07 Previously unavailable archival sources reveal the socially disruptive impact of the First World War in Scotland While a great deal has been written on Scotland and the First World War the question of how

it affected criminality has been underexplored Although mass enlistment reduced offending drastically servicemen based in Scotland continued to commit offences whilst some crimes such as bigamy actually rose during the war After demobilisation which saw crime rise again fears over brutalisation created a belief that Scotland was a more violent place than before the war By analysing criminal statistics from 1909 to 1926 drawn from previously unavailable archival sources prison registers anonymous interviews newspapers and legal proceedings this book argues that the First World War had a socially disruptive impact on Scotland evident in abnormal crime patterns during and after the war Covering categories of offence from murder and culpable homicide to lesser felonies such as theft and fraud it discusses how contemporary notions around class gender and respectability shaped the perception of crimes committed by ex servicemen It also looks at whether the war had a disruptive influence on law and order by desensitising society and through psychological damage to a generation of men examining such commonalities as alcoholism family breakdown health problems and unemployment and the prevalence of domestic violence and spousal homicide

Gender and History Susan Kingsley Kent, 2011-10-18 What is gender and who has it History theory and gender are inextricably linked but how exactly do they fit together How do historians use theories about gender to write history In this jargon free introduction Susan Kingsley Kent presents a student friendly guide to the origins conceptual framework subjectmatter and methods of gender history Assuming no prior knowledge Gender and History Sets out clear definitions of theory history and gender Explains that gender is not solely applicable to women but to men as well Tackles the hotly debated topic of power and gender relations Explores gender history from a variety of angles including anthropology psychology and philosophy Spans a broad chronological period from the times of Aristotle to the present day Includes a helpful glossary that explains key terms and concepts at a glance Lively and approachable this is an essential text for anyone who wishes to learn how to use theories of gender in their historical studies

Making Peace The Reconstruction Of Gender In Interwar Britain Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Making Peace The Reconstruction Of Gender In Interwar Britain free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Making Peace The Reconstruction Of Gender In Interwar Britain free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Making Peace The Reconstruction Of Gender In Interwar Britain free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Making Peace The Reconstruction Of Gender In Interwar Britain. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Making Peace The Reconstruction Of Gender In Interwar Britain any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Making Peace The Reconstruction Of Gender In Interwar Britain Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Peace The Reconstruction Of Gender In Interwar Britain is one of the best book in our library for free trial. We provide copy of Making Peace The Reconstruction Of Gender In Interwar Britain in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Peace The Reconstruction Of Gender In Interwar Britain. Where to download Making Peace The Reconstruction Of Gender In Interwar Britain online for free? Are you looking for Making Peace The Reconstruction Of Gender In Interwar Britain PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Making Peace The Reconstruction Of Gender In Interwar Britain. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Making Peace The Reconstruction Of Gender In Interwar Britain are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Making Peace The Reconstruction Of Gender In Interwar Britain. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Making Peace The Reconstruction Of Gender In Interwar Britain To get started finding Making Peace The Reconstruction Of Gender In Interwar Britain, you are

right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Making Peace The Reconstruction Of Gender In Interwar Britain So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Making Peace The Reconstruction Of Gender In Interwar Britain. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Making Peace The Reconstruction Of Gender In Interwar Britain, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Making Peace The Reconstruction Of Gender In Interwar Britain is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Making Peace The Reconstruction Of Gender In Interwar Britain is universally compatible with any devices to read.
