My Friend Muriel:

My Friend Muriel Jane Duncan,1972 *My Friend Muriel* RH Disney Staff,Random House,Random House Staff,1972-01-12 **My Friend Muriel** Jane DUNCAN (pseud.),1959 **British Working Class women authors (born before 1962) a list** Stefan Szczelkun ,2025-06-07 A collection of Wikipedia articles edited reformatted and with additions In chronological order References and sections on non literary activity are sometimes omitted hopefully not to the point of misrepresenting the author which might include feminist or political activism To my surprise the biographical material on Wikipedia was sometimes mesmerising although it was uneven Where there were gaps I have tried to fill them from other sources Refer back to the wikipedia articles for more context and references in some cases and if you have a verified source of information please update the Wikipedia article Wikipedia is published under a creative commons licence So this compilation also carries a creative commons licence Introduction Looking through Sarah Richardson s Writing on the Line 1996 I was struck by how many of the working class women writers were from North America and how many more were poets Howard Slater had made a list of British working class male novelists and I selected British woman writers from Writing on the Line and found that most of them now have Wikipedia pages I first made a list of links Wanting to take this further I first looked to focus on novels and short story writers but this category started to break up as many writers wrote in many idioms producing fact fiction poetry plays screenwriting and journalism I decided on an arbitrary cut off point of writers born before 1962 When I first made the list I was thinking how few working class women novelists had been published in this period But then the lists of books by each author started to stack up and there s plenty to read and much that I missed even really hearing about Of course it focuses on the most successful others who produced a community published autobiography or self published novel did not get a Wikipedia page and they should really be included every life counts Others only published an autobiography perhaps in the last years of life but were extraordinary writers and people We could also discuss discuss the genre snobbery in literary circles that puts crime young peoples literature romantic and fantasy fiction and perhaps historical based narratives in a lower category than the novel **The Cartoon** ,1915

Muriel's marriage, by Esmè Stuart Amélie Claire Leroy,1887 Muriel's War Sheila Isenberg,2010-12-07 An American heiress turned resistance hero Muriel Gardiner was an electrifying woman who impressed everyone she met with her beauty intelligence and powerful personality Her adventurous life led her from Chicago s high society to a Viennese medical school from Sigmund Freud s inner circle to the Austrian underground Over the years she saved countless Jews and anti fascists providing shelter and documents ensuring their escape This remarkable woman s life as a legend of the Austrian Resistance was captured in the movie Julia with Vanessa Redgrave and remains an inspiration to all those who believe that one individual can change the world Gardiner s astonishing story is told here for the first time in all its variety and unanticipated twists and turns **A Century of Air Warfare With Nine (IX) Squadron, RAF Gordon**

Thorburn,2014-07-02 A comprehensive history of the British Royal Flying Corps and Royal Air Force s senior bomber squadron In the earliest days of World War One when IX Squadron was formed we went to the fight in little 50mph machines that were barely capable of taking pilot and observer a gun and a few small hand held bombs into the sky especially on a windy day When we took a wireless set to spot for the artillery and report on troop movements the extra load forced the defenceless pilot to leave his observer behind A century later IX B Squadron flies jets that can exceed the speed of sound place laser guided missiles within a few centimetres of the target and transmit the most complex data in real time across the globe In between the tale is of ponderous beasts of biplanes of Wellingtons and Lancasters in the bloody battles of World War Two of Canberras and Vulcans in the nuclear age of the Cold War Above all it s the story of the men and women of the RAF s senior bomber squadron across a hundred years of war and peace and their words fill this book We go from those beginnings in wood wire and fabric kites over France and a pilot armed with a service revolver to the world s first Tornado squadron in the Gulf wars over Kosovo and Afghanistan and so to the present a century on It really is one hell of a story *The Ordinary and the Almighty* Debora McKay Notari,2021-04-22 Every day is a gift We can choose to believe in God s great goodness and love towards us or become so burdened with life and its struggles that we forget how near He is We can lose heart The Ordinary and the Almighty is a daily reminder that we are precious honored and loved by God It is a refresher for the soul Come away **FantaSea** John L. Marris,2011-07-07 A mermaid and a dolphin go on an adventure where they befriend pixies and elves and fight against sharks and barracudas
