My Jewish World:

My Jewish Year Abigail Pogrebin, 2017-03-14 In the tradition of *The Year of Living Biblically* by A J Jacobs and *Walking the Bible A Journey by Land Through the Five Books of Moses* by Bruce Feiler comes Abigail Pogrebin's *My Jewish Year* a lively chronicle of the author's journey into the spiritual heart of Judaism Although she grew up following some holiday rituals Pogrebin realized how little she knew about their foundational purpose and contemporary relevance she wanted to understand what had kept these holidays alive and vibrant some for thousands of years Her curiosity led her to embark on an entire year of intensive research observation and writing about the milestones on the religious calendar Whether in search of a roadmap for Jewish life or a challenging probe into the architecture of Jewish tradition readers will be captivated educated and inspired by Abigail Pogrebin's *My Jewish Year*

The Jewish World, 1897

My World as a Jew Israel Goldstein, 1984

Half/Life Laurel Snyder, 2006-03-23 Written by authors born into the so called dilemma of intermarriage the stories in *Half Life* explore the experience of being raised in a half Jewish home Though each essay is distinct and the experiences are vastly different each describes growing up without a streamlined identity unsure of community or religious direction From Jenny Traig whose experiences led her to extreme devotion in the form of religious obsessive compulsion scrupulosity to Thisbe Nissen who finally felt Jewish after discovering a rosary in her boyfriend's sock drawer these authors examine the complicated relationships they felt with the Jewish community and the world at large By turns tragic and funny religious and heartbreaking angry and surprisingly familiar *Half Life* represents the altogether diverse memories and reflections of a handful of men and women who have spent a lifetime grappling with how to define themselves or not Resulting from that struggle is a complex exploration and some truly brilliant prose

Defending Their Own in the Cold Marc Zimmerman, 2011-09-15 *Defending Their Own in the Cold* The Cultural Turns of U S Puerto Ricans explores U S Puerto Rican culture in past and recent contexts The book presents East Coast Midwest and Chicago cultural production while exploring Puerto Rican musical film artistic and literary performance Working within the theoretical frame of cultural postcolonial and diasporic studies Marc Zimmerman relates the experience of Puerto Ricans to that of Chicanos and Cuban Americans showing how even supposedly mainstream U S Puerto Ricans participate in a performative culture that embodies elements of possible cultural Ricanstruction *Defending Their Own in the Cold* examines

various dimensions of U S Puerto Rican artistic life including relations with other ethnic groups and resistance to colonialism and cultural assimilation To illustrate how Puerto Ricans have survived and created new identities and relations out of their colonized and diasporic circumstances Zimmerman looks at the cultural examples of Latino entertainment stars such as Jennifer Lopez and Benicio del Toro visual artists Juan Sánchez Ramírez and Elizam Escobar as well as Nuyorican dancer turned Midwest poet Carmen Pursifull The book includes a comprehensive chapter on the development of U S Puerto Rican literature and a pioneering essay on Chicago Puerto Rican writing A final essay considers Cuban cultural attitudes towards Puerto Ricans in a testimonial narrative by Miguel Barnet and reaches conclusions about the past and future of U S Puerto Rican culture Zimmerman offers his own semi outsider point of reference as a Jewish American Latin Americanist who grew up near New York City matured in California went on to work with and teach Latinos in the Midwest and eventually married a woman from a Puerto Rican family with island and U S roots

On Rockingham Street David R. Kuney, 2021-05-19 *On Rockingham Street* explores in memoir form how assimilation of Jewish immigrants arriving from Eastern Europe was shaped and affected by the culture of Southern suburbia in the 1950s and 1960s It probes the key questions of Jewish survival including whether American Judaism has left many Jews unable to answer the question Why are we Jewish and whether the education of Jewish youth by the modern American synagogue is adequate to maintain Judaism as a distinctive and meaningful voice

The Book and the Sword David Weiss Halivni, 2008-05-15 A slim largely cerebral yet sometimes deeply engaging autobiography by a Holocaust survivor who has become one of the greatest talmudic scholars of the postwar era succinct intellectually illuminating and sometimes surprisingly poignant Kirkus Reviews The words of the Talmud were the universe for David Weiss Halivni during his childhood in Sighet in the Carpathian Mountains He began his studies before he was five and he became famous for his erudition even before his ordination at the age of fifteen in 1943 But when the Nazis crushed the Jewish community of the Carpathians in 1944 he closed his Talmud Halivni taught in the concentration camps and risked his life to save a scrap of paper from a sacred book But adherence to the fundamentalist worldview that insists on reconciling every apparent contradiction in the text had become impossible for him When he arrived in New York after the war he began struggling toward the window of secular learning From that synthesis emerged his original approach to critical study of the Talmudic text not only in its modern printed form but as it was in its original form the Oral Torah from the mouths of countless sages Painful beautiful and passionate this memoir asks What can the Holocaust mean for persons who have devoted their lives to the love of God At the same time it is a unique look into the world of Talmudic learning millennia old and still vibrant

Bukharan Jews and the Dynamics of Global Judaism Alanna E. Cooper, 2012-12-07 Part ethnography part history and part memoir this volume chronicles the complex past and dynamic present of an ancient Mizrahi community While intimately tied to the Central Asian landscape the Jews of Bukhara have also maintained deep connections to the wider Jewish world As the community began to disperse after the fall of the Soviet Union Alanna E Cooper

traveled to Uzbekistan to document Jewish life before it disappeared Drawing on ethnographic research there as well as among immigrants to the US and Israel Cooper tells an intimate and personal story about what it means to be Bukharan Jewish Together with her historical research about a series of dramatic encounters between Bukharan Jews and Jews in other parts of the world this lively narrative illuminates the tensions inherent in maintaining Judaism as a single global religion over the course of its long and varied diaspora history

Angels on Earth: Mothering, Religion and Spirituality Vanessa Reimer, 2016-08-01 This collection brings together scholarly and creative pieces that reveal how the intellectual emotional and physical work of mothering is informed by women's religiosities and spiritualities Its contributors examine contemporary and historical perspectives on religious and spiritual mothering through interdisciplinary research feminist life writing textual analyses and creative non fiction work In contrast to the bulk of feminist scholarship which marginalizes women's religious and spiritual knowledges this volume explores how such epistemologies fundamentally shape the lived experiences of diverse mothers across the globe In emphasizing the empowerment and enrichment that women derive from their religious beliefs and spiritual worldviews Angels on Earth invites readers to cultivate a deeper understanding of how mothers are transforming their local communities religious institutions and broader spiritual traditions
