**Thoughts From Yesterday** Glen Thomas Hierlmeier, 2013-01-24 My life has been so rich owing to the people who I have been blessed to know who have provided the substance to write about and I have been in so many wonderful places Once I capture a theme I mull it over for days or weeks and months sometimes years I may write several drafts in my mind before I write a single word Sometimes the first writing of a story will come out in more or less final draft form I tend to be very serious in my writing I choose serious subjects then I try to honor my commitment that a good story should make you laugh and cry and relate to the people places and things in the story Unfortunately there is often much more crying than laughing I'll keep working on that You should know that I have cried first As I write I relive my stories there are some I have read many times and I have cried over them every time as much the last as the first As my subtitle relates this is an unfinished work There are many more stories and essays letters poems and such that I still have in mind to write I hope to get to many more of them so we can share the special people places and things of our lives I have been encouraged to go ahead with what I have knowing that I will keep writing and keep crying and laughing some too *COSMIC CRADLE*

JIS ANN JAISON, 2022-08-26 *Cosmic Cradle C2* is a repertoire of poetry pieces written by a young writer Jis Ann Jaison C2 is the finest and the most fruitful outcome from two years of well planned time schedules and smart work From asteroids to comets to planets and many more cosmic bodies are very well known to every sky gazer and astronomy enthusiast The book is hence more of a chilling and pleasant literary experience that would feel like an adventure at the end of which readers would feel energized recharged and elated *Cosmic Cradle* in itself is a unique creation written with a purposeful intention to cater to the anticipations of voracious and passionate readers which for some may be a reflection of their own self for many a chance for emotional healing and for others a soulful happenstance Nevertheless it is sure to bring out a delightful sensation
