My Life With The Great Pianists:

My Life with the Great Pianists Franz Mohr, Edith Schaeffer, 1996-07 Mohr's humor and personal perspective on the lives of Rubinstein Horowitz and other artists mix music lore with quiet faith

(Russian) **My Life with the Great Pianists** Franz Mohr, 1999-01 *Shura Cherkassky* Elizabeth Carr, 2006-01-12 Shura Cherkassky's life story like his piano playing is provocative and captivating At his death in 1995 Cherkassky was considered one of history's greatest pianists as well as the last direct link to the Romantic piano tradition of Chopin Liszt and Anton Rubinstein Cherkassky's story merits telling not only for his musical achievements but also for the inspiration he provided by demonstrating tenacity integrity common sense and uncommon courage Cherkassky began his concert playing life in Ukrainian Odessa at a time of lethal civil strife Escaping with his parents to America the child prodigy came under the tutelage of famed pianist Josef Hofmann whose unfailing personal and professional assistance continued for more than twenty years Cherkassky overcame poverty prejudice against his Jewish origins and unhappiness from his ambivalence over his homosexuality to forge an impressive touring and recording career an enormous musical repertoire and an intriguing personality both on stage and off From his sensational 1923 American debut tour to sold out concerts on six continents Cherkassky retained his brilliance throughout a seventy five year professional career As a close friend for his last twenty years author Elizabeth Carr traveled with Cherkassky on tour attending recording and rehearsal sessions and watching him practice plan programs and cope with pianos acoustics conductors and orchestras Her role as confidante results in a keen understanding of Cherkassky both as a human being and a performer Through observations anecdotes sixteen pages of photos and personal correspondence reprinted in the book this biography offers extensive research never before published and an intimate look at the man and his music *The Pianist's Bookshelf, Second Edition* Maurice Hinson, Wesley Roberts, 2023-11-07 Originally published in 1997 *The Pianist's Bookshelf* was according to the Library Journal a unique and valuable tool Now rewritten for a modern audience this second edition expands into the 21st century A completely revised update *The Pianist's Bookshelf Second Edition* comes to the rescue of pianists overwhelmed by the abundance of books videos and other works about the piano In this clear easy to use reference book Maurice Hinson and Wesley Roberts survey hundreds of sources and provide concise practical annotations for each item thus saving the reader hours of precious research time In addition to the main listings of entries such as Chamber Music and Piano Duet the book has indexes of authors composers and performers A handy reference from the masters of piano bibliography *The Pianist's Bookshelf Second Edition* will be an invaluable resource to students teachers and musicians

Great Pianists on Piano Playing James Francis Cooke, 1917 **Great Pianists on Piano Playing** James Francis Cooke, 2022-05-28 In *Great Pianists on Piano Playing* James Francis Cooke offers an insightful compilation of interviews essays and reflections from the world's foremost pianists providing a multifaceted exploration of piano technique and artistry This meticulously curated volume spans a variety of musical eras and styles showcasing the distinctive philosophies and

practices of each pianist Cooke's literary style is both accessible and erudite blending rigorous scholarship with conversational elements that engage both aspiring musicians and seasoned professionals The book not only serves as a practical guide but also situates itself within the broader context of musicology and performance studies reflecting the rich traditions and evolving techniques that shape pianistic expression today James Francis Cooke an accomplished pianist and musicologist draws upon his extensive experience in both performance and education to illuminate the perspectives of legendary figures in the realm of piano playing His immersion in the intricacies of piano pedagogy and commitment to the art form are evident throughout the text as he thoughtfully weaves together the narratives of great artists Cooke's passion for music and his understanding of its historical context provide readers with a deeper appreciation of the nuances behind piano mastery I highly recommend *Great Pianists on Piano Playing* to anyone with an interest in piano music whether you are a student a teacher or simply a music enthusiast This book not only enriches the reader's understanding of esteemed pianists and their techniques but also inspires a broader appreciation for the artistry involved in piano playing Each page offers valuable insights that resonate long after the reading making it an indispensable resource for both personal and educational growth

Great Contemporary Pianists Speak for Themselves Elyse Mach, 2012-09-21 Revealing interviews with Arrau Brendel de Larrocha Gilels Horowitz Tureck Watts 18 other artists Intimate look at the concert scene and the life of a concert pianist Introduction by Sir George Solti Includes 51 photographs

The Tyranny of Tradition in Piano Teaching Walter Ponce, 2019-09-27 The strict traditions of piano teaching have remained entrenched for generations The dominant influence of Muzio Clementi 1752-1832 the first composer-pedagogue of the instrument brought about an explosion of autocratic instruction and bizarre teaching systems exemplified in the mind-numbing drills of Hanon's *The Virtuoso Pianist* These practices considered absurd or abusive by many persist today at all levels of piano education This book critically examines two centuries of teaching methods and encourages instructors to do away with traditions that disconnect mental and creative skills

Reading Musical Interpretation Julian Hellaby, 2017-07-05 Performance studies in the Western art music tradition have often been dominated by the relationship of theoretical score analysis to performance although some recent trends have aimed at dislodging the primacy of the score in favour of assessing performance on its own terms In this book Julian Hellaby further develops these trends by placing performance firmly at the heart of his investigations and presents a structured approach to analysing the interpretation of a musical work from the perspective of a musically informed listener To enable analysis of individual interpretations the author develops a conceptual framework in which a series of performance-related categories is arranged hierarchically into an interpretative tower Using this framework to analyse the acoustic evidence of a recording interpretative elements are identified and used to assess the relationship between a performance and a work The viability of the interpretative tower is tested in three major case studies Contrasting recorded performances of solo keyboard works by Bach Messiaen and Brahms are the focus of these studies and analysis of the performances using the tower model

uncovers an interpretative rationale The book is wide ranging in scope and holistic in approach offering a means of enhancing a listener s appreciation of an interpretation It is richly illustrated with examples taken from commercial recordings and from the author s own recordings of the three focal works Downloadable resources of the latter are included

Optimizing Pianism Cameron Roberts, 2025-03-04 Drawing on his expertise as a medical professional and active pianist Cameron Roberts provides an understanding of how virtuosic piano playing works from an evidence based scientific perspective Using accessible language this wealth of information will help readers steer away from uncertainty suboptimal performance and injury

My Life With The Great Pianists Introduction

In today's digital age, the availability of My Life With The Great Pianists books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of My Life With The Great Pianists books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of My Life With The Great Pianists books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing My Life With The Great Pianists versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, My Life With The Great Pianists books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing My Life With The Great Pianists books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for My Life With The Great Pianists books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, My Life With The Great Pianists books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of My Life With The Great Pianists books and manuals for download and embark on your journey of knowledge?
