The Nature of Pain Mandi Fugate Sheffel, 2025-10-07 One by one the mourners came to me I didn't want to talk I didn't want to discuss what might have happened I didn't want to be here The lump in my throat was suffocating I'm not meant to grieve like this I wanted to go somewhere without all these eyes Pain is easier to digest in solitude Mandi Fugate Sheffel was born in the heart of rural small town America in a place where wild teaberry grows with creeks as clear and cold as nature would allow As a curious sensitive child raised in a challenging environment she formed a deep bond with her cousin Eric As the pair grew up together they sought a sense of belonging and drugs and alcohol provided a temporary escape from the harsh realities of their lives Everything shifted when Purdue Pharma launched aggressive marketing campaigns for OxyContin in central Appalachia In *The Nature of Pain* Sheffel recounts coming of age during the opioid epidemic of the late 1990s and early 2000s She illuminates the importance of kinship and connection to place while exposing the bitter truths of a community transformed by opioids With candid lyrical prose Sheffel reveals what life is really like for people in active addiction and recovery Her lived experience as an eastern Kentuckian affected by the opioid crisis is an underrepresented story that must be heard Sheffel's memoir is an aching tale of empathy for modern mountain folks of love and grief of family and place and of the addictions that continue to pain them

Transparency: Purposed Pain Oreal Washington, 2019-03-23 Child abuse and neglect can leave a trail of destruction and dysfunction for generations Oreal Washington transparently offers this memoir and instruction manual to aid you in total victory in Jesus Christ She unveils her scars to travel deep into the longings of her own soul in order to help you identify the hidden snares of the enemy The worst pain is pain that has been buried so deep that it is nearly unrecognizable Allow God to peel back the layers of your heart for it is within those corridors that demonic spirits lie dormant awaiting the right time to surface Most times it rears its ugly head in our most treasured interpersonal relationships and interactions with others This book will take you on a journey through pruning and purification to ultimately bear fruit that will last and break through all of the barriers the enemy placed in your bloodline Get ready to be equipped and empowered to break the chains and layers of hurt and walk in freedom There is purpose in the pain *Sisters in Pain* Linda Elisabeth LaPinta, Mary Angela Shaughnessy, 2021-12-14 In 1995 Kentucky governor Brereton Jones granted parole to ten women who had been convicted of killing conspiring to kill or assaulting the men who had abused them for years The media began referring to them as the Sisters in Pain a name they embraced These are their stories Linda Elisabeth Beattie and Mary Angela Shaughnessy s interviews of seven of the Sisters in Pain detail the physical sexual or psychological abuse they suffered at the hands of their husbands or boyfriends battery beyond comprehension Anyone who has ever asked Why don t they just leave will come to understand the interconnected strands of abuse that make just living through another day a personal triumph Beattie and Shaughnessy address the pervasive nature of domestic violence in America and explore the legal ramifications of fighting back Their interviews with the Sisters in Pain reveal the ways in which these women have picked up the pieces of their shattered lives and learned to face the future **Pages of Pain** Troy Denning, 2012-01-10 On a mission sanctioned by the gods an amnesiac warrior realizes he is woefully unprepared for a confrontation with the enigmatic Lady of Pain The Lady of Pain rules the city of Sigil from behind a veil of perfect silence Feared by mortal and gods alike she flays her worshipers alive and casts her foes into inescapable labyrinths of despair Only fools dare ask her to speak And the Amnesian Hero has come with a question When the god Poseidon tells a man with no memory how to recover his past the unwitting warrior seeks out the Lady of Pain and finds himself banished to the Mazes With the help of a beautiful but dead tiefling sorceress a horned fiend with a dark disposition and a deranged wind priest who claims to be the center of the multiverse he must discover the secret of the Lady s past or confront a memory so horrifying it could tear him apart **Persons And Their Minds** Elmer Sprague, 2018-03-05 Persons and Their Minds compares the conflicting claims of mindism and personism and argues for placing persons at the center of philosophy of mind Mindism stems from Descartes takes the spectator stance and makes the mind the subject of mental verbs such as know think and believe Personism stems from Wittgenstein and Ryle takes the

agent stance and restores persons to their proper place as subjects of mental verbs Employing lessons taught by Wittgenstein and Ryle the book offers a running criticism of mindism as it appears in the work of Descartes Locke Davidson Fodor Hume Parfit Dennett Searle McGinn Flanagan Chalmers and Baars and demonstrates personism's ability to resist various forms of mindism Intended for upper level or graduate students of philosophy Persons and Their Minds should also interest psychologists psychotherapists and other professionals who use philosophy of mind in their work **Suspect Others**

Stuart Earle Strange, 2021-07-30 **Suspect Others** explores how ideas of self knowledge and identity arise from a unique set of rituals in Suriname a postcolonial Caribbean nation rife with racial and religious suspicion Amid competition for belonging political power and control over natural resources Surinamese Ndyuka Maroons and Hindus look to spirit mediums to understand the causes of their successes and sufferings and to know the hidden minds of relatives and rivals alike But although mediumship promises knowledge of others interactions between mediums and their devotees also fundamentally challenge what devotees know about themselves thereby turning interpersonal suspicion into doubts about the self Through a rich ethnographic comparison of the different ways in which Ndyuka and Hindu spirit mediums and their devotees navigate suspicion **Suspect Others** shows how present day Caribbean peoples come to experience selves that defy concepts of personhood inflicted by the colonial past Stuart Earle Strange investigates key questions about the nature of self knowledge religious revelation and racial discourse in a hyper diverse society At a moment when exclusionary suspicions dominate global politics **Suspect Others** elucidates self identity as a social process that emerges from the paradoxical ways in which people must look to others to know themselves Shards Of Pain: A Weak to Strong Fated Mate Romance (Dragon King's Broken Angel Book 1)
