My Secret Hideaway Communion With God:

My Secret Hideaway Larry W. Colwell, 2005-12-01 As with my first book I'll See You Tomorrow writing continues to be a focal point in my life Poetry which conveys feelings and emotions tends to reach a person's heart and soul Many artists today use poetry for such expressions Poetry is my chosen way of expressing my ideas As I write I try to incorporate these same expressions in my poems When you read my poems written here you will note several rhyme schemes Though poetry does not have to rhyme I find that it is a way of capturing the reader's attention Most of my poems are inspirational with a message that hopefully will appeal to the reader who desires a closer walk with God Other poems in the book are on the lighter side and will evoke laughter sadness etc I hope that you will enjoy this second book of poetry **Show Me Thy Ways** Floyd O.

Bleich, 2019-12-01 Originally published in 1981 The meaning and objectives of literature argues David Bleich are created by the reader who depends on community consensus to validate his or her judgements Bleich proposes that the study of English be consciously reoriented from a knowledge finding to a knowledge making enterprise This involves a new explanation of language acquisition in childhood a psychologically disciplined concept of linguistic and literary response and a recognition of the intellectual authority of pedagogical communities to originate and establish knowledge Amplifying his theoretical model with subjective responses drawn from his own classroom experience Bleich suggests ways in which the study of language and literature can become more fully integrated with each person's responsibility for what he or she knows
