Mather's Theological Compendium III Dennis Mather,2024-10-14 I began this book with a treatise that explains where we are in local church history It is chapter one of part one But then in chapter two I explain why Israel is as important to Jesus Christ as His Church is However there is a third part of the Kingdom of God that is just as important and loved by Jesus as the other two I explain this in detail in section one also In part two I have included two treatises that I wrote in 1976

They give further insight about the nation of Israel And lastly I end with two short stories about Christians who are living for Jesus and are doing God s work in today s world It is part three of this book So I began writing about the local church and end writing about it A Green Place for Dying R.J.
