Enjoy the Old Testament with me June Little, 2015-10-20 What are you missing when reading the Holy Bible I only read the New Testament is a regular saying by Christians today The Old Testament is not valid now didn't Jesus Christ's ministry stop all the laws Why read the most neglected part of our Holy Bible in the Old Testament The missing part in the Old Testament is the foundation not only of our faith but everything that Jesus Christ stood for and fulfilled God is the same yesterday and forever When you have got passed all these ideas and WANT to read the Old Testament the next question is Where to start What are the books What are the characters and situations about This book shows you in a very clear narrative the overall layout of the books You will then find a starting base for a newer and clearer vision of the Christian Message shown from its beginning This book is in easy to read text and a very clear narrative Holy Bible verses from New International Version
