My Only Credential:

"These Are My Credentials" Robert J. Gouge, 2004-04-16 The 199th Light Infantry Brigade Redcatchers served with distinction honor and valor in the Republic of Vietnam from November 28th 1966 to October 15th 1970 During the American involvement in Vietnam the 199th LIB proved time and time again that it was one of the finest and most professional infantry units to have ever served in the United States Army Organized specifically for Vietnam service the 199th became the first major American unit to undergo the process of Vietnamization with ARVN forces in 1967 the first American brigade in U S military history to have an African American as its commanding officer the first unit in Vietnam to have a Chaplain awarded the Medal of Honor and the sole unit in Vietnam to earn the dubious distinction as having lost the only general officer killed in action during ground combat Often overshadowed by the larger more glamorous units and divisions that fought in Southeast Asia less than 25 000 men ever served in the ranks of the 199th LIB 755 young heroes from the Brigade were killed in action during the Vietnam War Their memory and sacrifice will never be forgotten *Security Protocols* Bruce Christianson, Bruno Crispo, James A. Malcolm, Michael Roe, 2006-09-27 This book constitutes the thoroughly refereed post proceedings of the 12th International Workshop on Security Protocols April 2004 The book presents 21 revised full papers presented together with edited transcriptions of some of the discussions following the presentations Among the topics addressed are authentication anonymity verification of cryptographic protocols mobile ad hoc network security denial of service SPKI access control timing attacks API security biometrics for security and others *Credential Market* Quentin Maire, 2021-09-22 This book makes an original contribution to credential sociology by analysing how high school certificates become and remain valuable in a context of mass high school participation i e credentialism Building on a detailed analysis of the International Baccalaureate IB Diploma a senior secondary school certificate offered in over 150 countries Quentin Maire argues that the advent of new private credentials can be understood as a phenomenon of credential stratification in a context of intensified academic competition Using original data on high school credentials in Australia and internationally the author makes a strong case for certificates to be studied relationally by locating them in the credentialing structures in which they are inserted He systematically applies the comparative method to explain the role of the curriculum family resources school segregation and higher education selection in creating a credential hierarchy His robust combination of theoretical construction and detailed empirical work allows him to offer new insights into social inequality in education systems credential theory and the IB Diploma Abridgment of the Debates of Congress, from 1789 to 1856: Dec. 7, 1835-March 3, 1839 United States.
