I Am Number 8 John Gray, 2017-04-18 If God can take David the invisible eighth son of a forgotten family and turn him into a king just imagine what magnificent plans He has for redeeming your life David was born a number 8 a hidden gem often overlooked and undervalued by everyone except for God For David being a number 8 seemed like a curse until the day God transformed him from the unknown eighth son of Jesse into the much honored king of Israel When God sends out an invitation to greatness His directions don t always make sense to us You may feel like the most invisible broken number 8 out there but God sees your hidden value and is growing you for better things David didn t know it but his time as a simple shepherd with a dull future did not go unnoticed by God In David s darkest moments he was cultivating the kind of gifts wisdom and leadership he would need to become a king Even when you re an underdog in the eyes of the world God is working behind the scenes to develop you into a king or queen

How Did You Get This Number Sloane Crosley,2010-06-15 From the author of the sensational bestseller I Was Told There d Be Cake comes a new book of personal essays brimming with all the charm and wit that have earned Sloane Crosley widespread acclaim award nominations and an ever growing cadre of loyal fans In Cake readers were introduced to the foibles of Crosley s life in New York City always teetering between the glamour of Manhattan parties the indignity of entry level work and the special joy of suburban nostalgia and to a literary voice that mixed Dorothy Parker with David Sedaris and became something all its own Crosley still lives and works in New York City but she s no longer the newcomer for whom a trip beyond the Upper West Side is a big adventure She can pack up her sensibility and takes us with her to Paris to Portugal having picked it by spinning a globe and putting down her finger and finally falling in with a group of Portuguese clowns and even to Alaska where the bear bells on her fellow bridesmaids ponytails seemed silly until a grizzly cub dramatically intrudes Meanwhile back in New York where new apartments beckon and taxi rides go awry her sense of the city has become more layered her relationships with friends and family more complicated As always Crosley s voice is fueled by the perfect witticism buoyant optimism flair for drama and easy charm in the face of minor suffering or potential drudgery But in How Did You Get This Number it has also become increasingly sophisticated quicker and sharper to the point more complex and lasting in the emotions it explores And yet Crosley remains the unfailingly hilarious young Everywoman healthily equipped with intelligence and poise to fend off any potential mundanity in maturity
