Numerical Structure Of Scripture:

The Numerical Structure of Scripture Frederick W. Grant, 2015-02-06 Introductory The Numerical Structure of Scripture The Scripture Numerals The Numerals Continued The Bible Books Their Arrangement and Relationship The Books of the Prophets The Psalm books Gospels and Acts The Epistles and the Revelation The Numerical Structure of Scripture Frederick William Grant, 1899 The Numerical Structure of the Holy Bible Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord's people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study The Numerical Structure of Scripture F. W. Grant, 1887 *Numerical Structure of Scripture* F. W. Grant, 2006-01-01 **The Numerical Structure of Scripture** F. W. Grant, 2014-03 This Is A New Release Of The Original 1899 Edition *The Numerical Bible* F. W. Grant, 1897 This classic series combines the author's translation of Scripture with a complete Bible commentary arranged according to the numeric patterns found in God's Word *The Numerical Structure of Scripture* Frederick William Grant, 1887 **The Numerical Bible: The books of the law (Genesis to Deuteronomy)**, 1899 Bible Numerics: a Periodical Devoted to the Numerical Study of the Scriptures Ivan Panin, 1904 The Numerical Structure of Scripture Frederick William Grant, 1887 *Biblical Numeric Keys* R. J. Plugge, 2016-11-28 God does things by the numbers He knows the number of hairs on your head and the number who will be saved He sets dimensions durations designs definitions and destinations He numbered six 6 days for his work of Creation then he sanctified the seventh for mankind The numeric 7 has ever since been used as the number symbolizing perfect in the eyes of heaven and of those things expressing the actions of God Throughout the scriptures God has communicated through numbers which are both symbolic and literal counts The message in a scriptural text is often as much or even more within the symbolism of the associated numbers as it is within the words or actions depicted The numbers often help explain or even interpret a written text In this book are the most likely symbolic revelations to be associated with forty numbers including 153 666 1290 and 1345 It will help you appreciate the depth of messages conveyed throughout God's Word **Numerical Secrets of the Bible** Casper J. Labuschagne, 2016-07-20 Were you intrigued but disappointed by The Bible Code Numerical Secrets of the Bible written by one of Europe's leading biblical scholars gives you the actual facts about one of the most important recent discoveries in the field of biblical study namely that the books of the Bible are numerical compositions The biblical writings were not written in an off hand manner but were meticulously composed according to compositional techniques in which the counting of words played a crucial role This discovery has far reaching consequences for our views on the formation and the

structure of the text of the Hebrew Bible and of the Greek text of the New Testament Labuschagne introduces you to the fascinating world of number symbolism in biblical times He demonstrates how well known symbolic numbers such as 7 and 12 and especially the lesser known holy numbers 17 and 26 which represent the numerical value of the name YHWH were used to give structure to the text and to deepen its contents Among other fascinating findings this study confirms the medieval Jewish tradition that the name of God is interwoven in the fabric of the text of Holy Scripture Knowing the Scriptures Arthur T. Pierson,1910 The Numerical Bible: Hebrews to Revelation ,1903 The Numerical Bible ,1899
